

Do Internet checks cost more?

The cost of the check is less if done online. A \$5.00 surcharge is legislatively mandated for background checks requested by mail or fax.

Fees for online background checks are:

DOJ General Requests

- \$2 for non-profit organizations ¹
- \$5 for government organizations
- \$13 for general public requests

Caregiver or Daycare Requests ²

- \$5 for non-profit organizations ¹
- \$8 for government organizations
- \$16 for general public requests

As requestor status cannot be verified for credit card requests, all credit card requests are charged the rate for "general public requests".

¹ Any agency claiming non-profit status must provide the Crime Information Bureau with a copy of their non-profit tax exempt documentation from the Internal Revenue Service in the form of a 501(c)(3) declaration.

² Includes \$3 fee for the Department of Health and Family Services. These background checks will include responses from DHFS which are required for Wisconsin caregiver and daycare providers. This fee will be included in your monthly statement from the Department of Justice. Payments for both fees should be made to the Department of Justice.
