

**AFFIDAVIT IN SUPPORT OF CRIMINAL COMPLAINT
AND SEARCH WARRANTS**

I, Special Agent Eric Szatkowski, being duly sworn on oath, state as follows:

PURPOSE OF THIS AFFIDAVIT

1. I make this affidavit in support of a criminal complaint charging **Harry J. Janikowski**, date of birth 01/16/1947, with a violation of Title 18, United States Code, Section 2422(b) (using a facility or means of interstate commerce to knowingly attempt to persuade, induce, entice or coerce a minor to engage in sexual activity, for which any person can be charged with a criminal offense).

2. This affidavit is also submitted in support of applications for warrants authorizing searches of Janikowski's residence located at **8651 Ventana Drive, Apartment #3716, Oak Creek, Milwaukee County, WI**, and his business, **Regal Specialty Printing**, located at **916 Milwaukee Avenue, South Milwaukee, WI**.

3. The information contained in this affidavit is based upon my personal knowledge and investigation, and my review of various documents and records, as well as information supplied to me by other law enforcement officers, including agents of the United States Department of Homeland Security, Immigration and Customs Enforcement (ICE), all of whom I believe to be truthful and reliable. Everything set forth in this affidavit is true and correct to the best of my knowledge and belief.

4. The information contained in this affidavit is not an exhaustive account of everything I know about this case. Rather, it contains only the facts necessary to establish probable cause to believe that (1) **Harry J. Janikowski** committed the offense alleged in the

criminal complaint; and (2) evidence of that offense and the offense of knowingly accessing with intent to view any material containing child pornography, in violation of Title 18, United States Code, Section 2252A(5)(B), will be found at Janikowski's residence.

BACKGROUND AND EXPERIENCE OF AFFIANT

5. I am a Senior Special Agent with the Wisconsin Department of Justice, Division of Criminal Investigation (DCI), and have been so employed since 1991. I have extensive experience working complex criminal investigations, including Internet crimes committed against children.

6. Since 1999, I have been assigned to the Wisconsin Internet Crimes Against Children Task Force (ICAC), which was developed pursuant to a federal grant received from the Office of Juvenile Justice and Delinquency Prevention and the National Center for Missing and Exploited Children. ICAC's primary responsibility is the investigation of sexual crimes committed against children through the use of a computer and the Internet.

7. As a member of the Wisconsin ICAC Task Force, I have been responsible for the arrest of more than 150 individuals from Wisconsin and across the United States, on charges including child enticement, sexual assault and attempted sexual assault of a child, traveling interstate with intent to have sex with a minor, use of a computer to facilitate a child sex crime, possession and/or distribution of child pornography, and exposure of a child to harmful materials or narration.

8. I have engaged in thousands of undercover on-line communications with

suspected predators of children. I have also participated in the preparation and/or execution of approximately 200 search warrants and consent searches in cases involving sexual crimes committed against children through the use of a computer and the Internet .

9. During my law enforcement career, I have received more than 420 hours of training on the sexual exploitation and abuse of children from federal, state, local, and private agencies, including the Federal Bureau of Investigation, the National Center for Missing and Exploited Children, and the Wisconsin Division of Criminal Investigation. My training has included online exploitation of children; possession, collection, distribution, and manufacturing of child pornography; working undercover on child exploitation cases; basic forensic computer examination; e-mail and Internet protocol number tracing; sexual assault and abuse of children; surviving and coping with the aftermath of sexual assault and exploitation; family/non-family abduction, child homicide, interviewing and interrogations, child prostitution, child sex tourism, and human trafficking. I have also conducted extensive training and informational sessions on these topics for the benefit of others, including law enforcement officers, public officials, attorneys, judges, child welfare advocates, social workers, correctional officers, teachers, education administrators, business professionals, parents, and students.

**FACTS RELATING TO THE USE OF COMPUTERS AND THE INTERNET
IN THE COMMISSION OF CRIMES AGAINST CHILDREN**

10. As part of my training, I have become familiar with the Internet (also commonly known as the World Wide Web), which is a global network of computer¹ and other electronic devices that communicate with each other using various means, including standard telephone lines, high speed telecommunications links (*e.g.*, copper and fiber optic cable), and wireless transmissions including satellite. Due to the structure of the Internet, connections between computers on the Internet routinely cross state and international borders, even when the computers communicating with each other are in the same state. Individuals and entities use the Internet to gain access to a wide variety of information; to send information to, and receive information from, other individuals; to conduct commercial transactions; and to communicate via electronic mail ("e mail"). Individual access to the Internet is accomplished through a computer that is linked to the Internet, usually through a commercial service which is called an "Internet Service Provider" or "ISP." Once the individual has accessed the Internet, whether from a residence, a university, or a place of business, that individual can use Internet mail services, including sending and receiving e-mail, or can chat in "real time" with another computer user who is also connected to the Internet.

11. Computer files, or remnants of such files, can be recovered from a hard-drive

¹ *Computer.* The term "computer" is defined by 18 U.S.C. § 1030(e)(1) to mean "an electronic, magnetic, optical, electrochemical, or other high speed data processing device performing logical, arithmetic, or storage functions, and includes any data storage facility or communications facility directly related to or operating in conjunction with such device, but such term does not include an automated typewriter or typesetter, a portable hand held calculator, or other similar device."

months or even years after they are created. Even when such files have been deleted, they may be recoverable months or years later using readily-available forensic tools. When a person "deletes" a file on a home computer, the data contained in the file does not actually disappear; rather, that data remains on the hard drive until it is overwritten by new data. Therefore, deleted files, or remnants of deleted files, may reside in free space or slack space--that is, in space on the hard drive that is not allocated to an active file or that is unused after a file has been allocated to a set block of storage space--for long periods of time before they are overwritten. In addition, a computer's operating system may also keep a record of deleted data in a "swap" or "recovery" file. Similarly, files that have been viewed via the Internet are automatically downloaded into a temporary Internet directory or cache. The browser typically maintains a fixed amount of hard drive space devoted to these files, and the files are only overwritten as they are replaced with more recently viewed Internet pages. Thus, the ability to retrieve residue of an electronic file from a hard drive depends less on when the file was downloaded or viewed than on a particular user's operating system, storage capacity, and computer habits.

FACTS ESTABLISHING PROBABLE CAUSE.

12. For the past several years, I have personally received many tips and complaints from citizens who reported suspected Internet-related or other sexual crimes against children. On April 7, 2009, I received an envelope in the Milwaukee DCI Office, mailed to me on March 30, 2009. The address was handwritten as follows:

Dept of Justice Szatkowski

310 W. Wisconsin Ave
Milwaukee, WI 53203

The envelope was returned by the Post Office marked as "RETURN TO SENDER - ATTEMPTED - NOT KNOWN - UNABLE TO FORWARD." I noted that this was not my correct business address, but later determined that it was the location of the Henry S. Reuss Federal Plaza, about 3 blocks east of the DCI Milwaukee Office.

13. I also observed that the return address in the upper left hand corner of the envelope *was* my correct business address: 633 W. Wisconsin, #803, Milw., WI 53203.

14. I believe that the person who mailed the envelope obviously knew my correct business address, and even included correct postage of 42 cents. I still do not know why the person used 310 Wisconsin Avenue as the location of my office, other than to speculate he or she believed such a method would provide an even greater level of anonymity.

15. I opened the envelope, which contained a cut-out, 3" by 5" piece of paper, with typed information covering the entire the piece of paper. The note included no information about the sender.

16. The mailing of this letter came approximately 3 days after news accounts about the arrest of 61-year-old Daniel Acker flooded the Milwaukee media market. Acker was the West Allis swim coach arrested for the suspected molestation of a number of young boys going back to the 1970's. The timing of the note may be significant, based on the information contained in the anonymous letter; which identified a 62-year-old Milwaukee area man as a child molester who has allegedly been getting away with his crimes for years.

IDENTIFICATION OF HARRY JANIKOWSKI AS A SUSPECT

17. The anonymous note stated as follows (verbatim):

Pornography on the internet as well as boxes and boxes of movies. Some of the movies are Teen boys jack-off, Levi Blonde, Puppy Love, Aron's Side to name a few. Also, a pedophile, but never been caught. Assaulted many boys when they were children. He used to live in Willow Creek Condominiums. Some of the boys molested were as young as eight years old - at least two were only eight when they were molested. He lives in Oak Creek in Springbrook Apts. (The newest ones closed to the rr tracks). He also would hire high school boys to work with him in his printing business - I am sure if you check with the SoMilw High School you can get the names of some of the boys - one was a Justin Fr (he took him to Florida with him.) His name is Harry Janikowski - he runs his own business. Regal Printing at 915 Milwaukee Avenue, lower level, SoMilw. His office number is 414-766-0440 and fax is 414-766-0441. His e-mail at work is: Regals1@aol.com. Previous home number was 414-762-5610 (disconnected). License Plate number is Regals2. A Kathy who also works at same address but on first floor would have more information. She lived with him for a while.

VERIFICATION OF INFORMATION CONTAINED IN THE ANONYMOUS TIP

18. In the weeks following the receipt of the tip, I was able to verify and corroborate almost all of the information provided in the tip, but I was not able to confirm the allegations of molestation of underage males.

19. On April 7, 2009, I received information from WI DOT that Harry Janikowski is further identified as Harry J. Janikowski, DOB 01/16/1947, of 8651 Ventana Drive, Apartment 3716, Oak Creek, WI.

20. Springbrook Apartments in Oak Creek are located at the intersection of W.

Puetz Road and S. Liberty Lane. One of the apartment buildings is marked as number 8651, and one of the units in that building is marked as 3716. This apartment building appears to be newer, and it is located adjacent to railroad tracks that cross Puetz Road.

21. The United States Postal Service confirms that as of April 2009, Harry Janikowski received mail at 8651 Ventana Drive, Apartment 3716, Oak Creek, WI.

22. According to information obtained by ICE in 2001, Janikowski was identified as a child pornography suspect when he purchased a membership to www.freeboypage.com. Investigation has not been able to confirm that this site is exclusively or predominantly devoted to child pornography as opposed to adult pornography. At the time of the purchase, however, Janikowski provided an address of 5205G S. 13th Street, Milwaukee, WI. This information is confirmed by utility records and the address is that of the "Willow Creek Condominiums."

23. Likewise, investigation and surveillance have established that "Regal Specialty Printing Corporation," is located at 916 Milwaukee Avenue, across the street from the address reported in the tip (915 Milwaukee Avenue) (see paragraph 27 *infra*). The name of the business is painted on the window of a storefront at 916 Milwaukee Avenue, which also indicates that the business is in the "lower level," as reported in the tip. The telephone number is also on the storefront window, 414-766-0440, which is also reported in the tip.

24. The USPS confirms that as of May 13, 2009, Harry Janikowski received mail at Regal Printing, 916 Milwaukee Avenue, South Milwaukee, WI.

25. On May 18, 2009, I reviewed information at www.portfolio.com, which

reported the following about Regal Specialty Printing: **Company Information:** 916 Milwaukee Avenue, South Milwaukee, WI 53172; Phone: 1 414 766 0440; Fax: 1 414 766 0441; **Website:** www.regalspc.com. (the fax number is the same as the number provided in the tip); **Overview:** Located in the heart of South Milwaukee, Regal Specialty Printing has been in business since 1979. We offer a variety of printing, engraving, and embossing services for your company or organization; **Corporate Structure:** TOP EXECUTIVES Harry Janikowski.

26. Other sources I have reviewed, including on the Internet and in the Accurint database, also reveal that Janikowski is the owner of Regal Specialty Printing.

27. On May 18, 2009, I reviewed information obtained by ICE from AT&T, which reported that telephone numbers 414-766-0440 and -0441 are listed to Regal Specialty Printing, Inc., 916 Milwaukee Avenue, Apt. 1, South Milwaukee, WI; Additional investigation, including a utilities check, confirms that Regal Specialty Printing was located at 915 Milwaukee Avenue between 2000 and the spring of 2002, before moving to its current location across the street.

28. On May 15, 2009, I observed that across the street from Regal Printing is a surface parking lot. On that lot, he observed a vehicle with WI license plate "Regals2." WI DOT records indicate that the license plate was registered to a 2007 Chevrolet HHR Lt. leased by Harry Janikowski, DOB 01/16/1947, of 8651 Ventana Drive, Oak Creek, WI.

29. Records provided by the Wisconsin Department of Workforce Development (WFD), Unemployment Insurance Division and the Wisconsin Department of Revenue

(DOR) show that Janikowksi has employed at least two teenage boys in his business during the past ten years, one of whom may be "Justin Fr."

ON-LINE UNDERCOVER INVESTIGATION OF JANIKOWSKI

30. On May 18, 2009, I reviewed the MySpace page of Harry Janikowski. I located the page on myspace.com by entering "Harry Janikowski" in the search engine on MySpace for "finding friends." I recognized Janikowski's picture on his MySpace page by comparing it with Janikowski's Wisconsin driver's license picture, obtained from the Wisconsin Department of Transportation.

31. Janikowski identified himself on MySpace as a 56-year-old male from Oak Creek, DOB: 01/16/1947. His last log in date was May 16, 2009. The contents of his MySpace page (including a color photograph of two naked younger adult males kissing in a shower scene) suggested a sexual orientation consistent with the information provided in the tip.

32. I observed that a number of Janikowski's "Friends" were young males who identified themselves as adults, including one who reported his age as 18. I did not observe any profiles in which "Friends" identified themselves as under 18; I also did not observe any images of child pornography. However, there is no age verification on MySpace, and I know from my training and experience with social networking sites that users, especially children, frequently lie about their ages in order to obtain access to this site.

33. On July 1, 2009, acting in an undercover capacity, I signed onto MySpace in the Milwaukee DCI Office as "Peter Powerpuff," an underage male from Brookfield, WI.

Included on "Peter's" MySpace page was a photo of a police officer from Racine County, when he was approximately 13 or 14 years old. I have used photos of this officer in previous investigations, in order to clearly portray that the person in the profile is underage. I sent a MySpace "friend request" to Harry Janikowski, stating, "hey dude wassup." I was notified by "Peter's" MySpace page that "Harry" would have to confirm the friend request.

34. On July 10, 2009, I signed onto MySpace in the Milwaukee DCI Office as Peter Powerpuff. After signing on, I checked "Peter's" Friend's List, and observed that Harry Janikowski was now on it. I then checked Janikowski's MySpace, and observed that Peter Powerpuff was now one of Janikowski's friends too. I sent a message to Janikowski on MySpace, saying thank you and glad to be your friend; I also provided "Peter's" Yahoo! e-mail address.

35. On July 29, 2009, I signed onto MySpace in the Milwaukee DCI Office as Peter Powerpuff. I observed another message from Janikowski, who provided his e-mail address of harry8651@gmail.com. I then signed onto my undercover Yahoo! account, and sent the following e-mail to Janikowski at his gmail account: wassup dude? sorry i aint been online 4 awhile just got read yur message on my myspace. so u havin a cool summer? cant believ ill be startin 10th grade in like 5 weeks. that sucks :(

36. On July 30, 2009, I observed a response from Janikowski, as follows: Hell peter...Yes your summer days are almost over and back to the grime of school...been there done that...lol Cant say im having a cool summer...i guess all work and no play makes me a little dull....hahaha....I just wait for the weeks end and do my thing...take care ttyl Harry.

37. Between July 30 and August 26, the following e-mail exchanges took place:

Peter: sweet! gotta have time 2 play :) btw whats your "thing"

Harry: I like to do a lot of things...but i think you are underage...but still want to be your friend

Peter: cool. u can tell me if u wanna. **i aint gonna lie i will b 15 in a couple weeks** but it dont matter to me. i just like to have fun if u know what I mean :) i know how to keep my mouth shut; if u remember what its like to be in high school, u probly know it aint easy bein like me. jailbait this and that BS. its cool if dont wanna b friends no more I understand

Harry: I hear you...Been there done that. Was in the same situation in my younger days. One has to be very careful now days. Sometimes I get the felling of being with a young guy but so afraid. I still want to be your friend and go from there. keep in touch.

Peter: sounds cool harry :) u got nuthin to be afraid of with me othr dudes showd me the ropes if u kno what i mean. id luv bein yur friend and go from there! btw moms takin me on summer vacation tomrow so i wont b in touch for awhile. were goin to hang with grandma for a coupl weeks she lives in nevada

Harry: Hi peter thanks for the confidence. Have fun on your vacation. Just be carful out there.see ya when you get back.
Your friend

Peter: did u miss me? lol

Harry: I miss all my friends...did you have a good time? Nothing exciting happening here. You are the young one that dose exciting things. use this [email....regals@aol.com](mailto:regals@aol.com) i'm there more often

38. I traded e-mails with Janikowski at the regals@aol.com address, and asked Janikowski if he ever used instant messaging to chat. Janikowski responded yes, that he

liked to chat, and provided a Yahoo! Messenger screen name of regal8651@yahoo.com. I located Janikowski on Yahoo! Messenger; and sent a request through Yahoo! Messenger, asking if Janikowski wanted to be added to "Peters" Friends List. Janikowski agreed, and sent the same request to Peter Powerpuff, which I accepted.

39. On September 8, 2009, Janikowski and "Peter" engaged in their first live, real-time chat, which lasted approximately 1 hour and 18 minutes. Included in the chat was the following:

- * While instant messaging, I observed that Janikowski displayed a thumbnail picture of himself with a youthful Asian male in the upper right-hand corner of his Messenger window.
- * Peterpowerpuff asked Janikowski who this was, to which Janikowski responded his 23-year-old boyfriend from the Philippines. He basically said that he met him online 2 years ago, has been to the Philippines twice to visit him, and that his boyfriend was going to try to come to the United States for a lengthy stay in January.
- * Also in the conversation, Peterpowerpuff reminded Janikowski that he was 14 years old, currently attending school in Brookfield, and doing homework. Later in the conversation, Janikowski said Peter's age was no problem.
- * Also in the chat, Janikowski said he lived in Oak Creek, about a 20 minute ride away from Brookfield, and that he has a screen printing business. He gave a website of regalspc.com, and told Peterpowerpuff to visit it when he had time. Janikowski also said he was 56 years old, which is 6 years younger than he really is.
- * Janikowski said he met his boyfriend on "gayladschat." He also asked Peterpowerpuff if he ever heard of "camfrog," to which Peter responded no. Janikowski said it was a free site for gay, straight, and bi, that some rooms had web cameras, and some

would not let a person in if they did not have a webcam.

- * Peter said that his mother took his web camera away from him months ago, after she caught him the last time. Janikowski responded, "mmmmmmmmmmmm," and "you just have to be very careful."
- * Janikowski said he liked guys with cams, and has seen a "lot of young guys spanking it" (based on my training and experience, a reference to masturbation). Peter asked if any were his age. Janikowski said you have to be 18 to enter, and "when you sign up you have to give older age...some use 100 years old...lol...and you cannot tell anyone your real age they will kick you off."
- * Peter told Janikowski he was one of the few people he told his real age, to which he responded, "I'm glad you did." Peter said he thought Janikowski would blow him off if he told him he was 14, to which Janikowski responded, "i was thinking of it...lol," and "i dont want to be in trouble."
- * Janikowski said he was young once, and understood where Peter was coming from. Peter asked how Janikowski got along without computers, to which he responded, "had friends that i messed around with," and met people in the library, museum, and parks. He explained that people had to "pee" and that people knew what you wanted.
- * Peter asked Janikowski what he was into now, to which he responded, "with having a bf i dont do a lot;" that he goes online to gaylad chat and masturbates; that he met a few from milwaukee and got together for one time sex.
- * Peter asked Janikowski what his favorite thing was, to which he replied, "oral...i like to satisfy...i just like doing it."
- * Janikowski also said that when he was with his boyfriend in the Phillipines, he had "2 weeks of daily sex...lol." He also said his boyfriend was a good kisser. Janikowski said he liked to cuddle, kiss, and fondle before he was "ready;" he also said "yes i dont like to suck and say good bye." Janikowski said he likes

younger guys, because they make him feel young. Peter asked Janikowski if his boyfriend would be jealous because of all of the things he was doing. Janikowski said "he knows i have many friends," but that he would not approve of his sexual meetings with others. He added, "if he comes here it will end all of the chatting and flirting...lol...not really."

40. On September 13, 2009, I engaged in a second, live, real-time chat conversation with Janikowski. This one lasted approximately 4 hours, taking place both on Yahoo! Messenger, and a second messenger service called camfrog.com. Parts of the Yahoo! chat are as follows:

41. In the next part of the chat, Janikowski said he just purchased a new car, and uploaded pictures of it for "Peter" to observe. It was a bright yellow Chevy Camaro, which I knew to be the new 2010 body style. One of the pictures included the license plate, "REGALS2," which I had observed on Janikowski's previous vehicle, parked in the vicinity of Regal Specialty Printing in South Milwaukee earlier in this investigation. The chat included the following:

regal8651 (9/13/2009 1:17:47 PM): got new car yesterday
peterpowerpuff (9/13/2009 1:17:57 PM): sweet! what kind

43. In the chat, Janikowski told me about camfrog.com, basically explaining that it is a messenger service in which users can view each other via web camera. Janikowski said he was on "gaylads," and that he was currently exposing himself to others in that room.

The chat included the following:

regal8651 (9/13/2009 2:02:59 PM): wish you could see...lol
peterpowerpuff (9/13/2009 2:03:10 PM): me 2

peterpowerpuff (9/13/2009 2:04:52 PM): sweet

44. Later in the chat, "Peter" told Janikowski that Janikowski was getting "Peter's" hormones raging; Janikowski asked if he wanted help, referring to becoming sexually aroused. Subsequent chat included:

regal8651 (9/13/2009 2:21:50 PM): cum over
peterpowerpuff (9/13/2009 2:22:20 PM): and then what?
regal8651 (9/13/2009 2:22:28 PM): what ever you like

45. Shortly after this point of the chat, Janikowski sent "Peter" a link to camfrog.com, and provided step-by-step instructions for "Peter" to download that messenger service. Janikowski told me to make sure to say I was at least 18 when providing my age. He then directed me to the "gaylads" chat room. I observed explicit chat taking place in this chat room, including various references to sexual activity with young men or boys, such as "any teen wanna c2c (camera to camera)," and "young to cum?".

46. Janikowski also told me to click on his screen name, "harry_hipster," which was among the list of screen names in the room. I did so, and observed a live web camera transmission of the crotch area of an adult male, manipulating his penis. Janikowski said this was him; he later panned up, and I observed the person to be Janikowski. I again recognized

him from his WI driver's license photo, as well as from photos observed on Janikowski's MySpace page .

47. The following is part of the chat on camfrog.com; in places where there is no chat, tiny symbols were traded, such as red lips or smiley faces:

51. As the conversation concluded, Janikowski told me that the meeting was a sure

thing, unless I ("Peter") had to call it off for some reason. Janikowski also sent me a tiny animated picture of a mouth and tongue, and stated the following:

harry_hipster (3:51:54 PM) : ill give you the real one

harry_hipster (3:52:23 PM) : have fun in the room

PeterPowerpuff (3:52:28 PM) : sweet

harry_hipster (3:52:29 PM) : save some cum for me

PeterPowerpuff (3:52:35 PM) : will do

52. Based on my training and experience, I believe these comments reflect Janikowski's clear intention to meet with "Peter," a 14-year old male, for the purpose of performing fellatio on "Peter" to the point of ejaculation. Such conduct would be a violation of state law and specifically the criminal provision found at Wisconsin Statutes, Section 948.02(2) (second-degree sexual assault of a child).

**ADDITIONAL VERIFICATION OF JANIKOWSKI'S RESIDENCE
AND BUSINESS ADDRESSES**

53. On September 14, 2009, I received information from Wisconsin Energies Corporation that Harry Janikowski is a current utilities subscriber at 8651 Ventana Drive, Apartment 3716, Oak Creek, WI, and has been since March of 2005.

54. On June 18, 2009, I received information from ICE S/A Steve Kurkowski that Harry Janikowski was an active subscriber to Time Warner Road Runner Internet Services since February of 2006. Time Warner reported his address as 8651 Ventana Drive, Apartment 3716, Oak Creek, WI.

55. On May 18, 2009, I reviewed documents obtained by ICE for America Online screen name "regals1@aol.com." AOL reported that the account is listed to Harry

Janikowski, 8651 Ventana Drive, Apartment 3716, Oak Creek, WI; that his screen names included Regals1 and Harrythehipster; and that the account has been active since 1999.

56. On September 14 and 15, 2009, I conducted surveillance at 916 Milwaukee Avenue, South Milwaukee, the location of Regal Specialty Printing. In a surface parking lot across the street from the business, I observed on both days the same 2010 Chevrolet Camaro, yellow in color, with license plate REGALS2. This appears to be the same vehicle shown in the photos shared with "Peter" on-line.

57. On September 15, 2009, I visited a website that was provided to me by Janikowski during the Yahoo! chat of September 13, 2009. The website, www.regalspc.com, is the webpage for Regal Specialty Printing, 916 Milwaukee Avenue, South Milwaukee, WI. Janikowski provided that website to "Peter" in response to a question about what he did for work.

ARREST OF JANIKOWSKI

58. On the evening of Wednesday, September 16, 2009, Janikowski drove his 2010 Chevy Camaro to Brookfield Square Mall, where he was arrested on a state charge of Use of a Computer to Facilitate a Child Sex Crime. He remains in state custody.

CONCLUSION

59. I know from my training and experience that offenders primarily use their residence to engage in the online exploitation of children, whether that be through chat, e-mail, or social networking. In this case, Time Warner and AOL have both identified Janikowski as living at 8651 Ventana Drive, Apartment 3716, Oak Creek, WI. Additionally,

in the chat of September 13, 2009, Janikowski revealed not only himself via web camera, but also the interior of his apartment. Janikowski even reported the cost of rent. Thus, I believe there is probable cause to believe that evidence of Janikowski's on-line relationship with Peter Powerpuff will be on a computer or computers at Janikowski's residence.

60. I also believe there is probable cause to search Janikowski's business for the same kind of evidence, because Janikowski has so clearly linked himself to that business throughout these interactions with "Peter." Specifically, Janikowski uses Internet accounts that include the name of his business, such as regals1@aol.com and regal8651, to engage in sexually explicit conduct with what he believed to be an underage boy. In other words, he appears to mix his online business dealings and his online sexual activities; Janikowski even told me to use regals@aol.com because "I'm there more often."

61. Janikowski has a webpage to solicit business; it is reasonable to believe that he therefore uses a computer or computers at that business.

62. Lastly, based on the results of this investigation, including review of state tax records, I believe Janikowski is the primary owner/operator of Regal Specialty Printing. Janikowski would therefore have unlimited access to that business, both during and after regular business hours; he would also have a comfort level being in control of that property, not being concerned about being caught in illegal online behavior by a supervisor, manager, or owner of the business.

63. Based on the above, I believe probable cause exists that Harry J. Janikowski utilized a facility or means of interstate commerce, *i.e.*, a computer connected to the Internet,

to attempt to entice a 14-year old boy to engage in sexual contact for which Janikowski could be held criminally liable, in violation of Title 18, United States Code, Section 2422(b). Specifically, the facts outlined above demonstrate that Janikowski sought to rendezvous with 14-year old "Peter" for the purpose of performing oral sex upon him, which would constitute a violation of Wisconsin Statutes 948.02(2) (second-degree sexual assault of a child).

64. Likewise, I believe that the facts outlined in this affidavit establish probable cause to believe that evidence of crimes, including evidence of violations of Title 18, United States Code, Sections 2422(b) and 2522A(a)(5)(B), will be located at Janikowski's residence.
