ASSISTANT DISTRICT ATTORNEY

Michael E. Nieskes, District Attorney, State Bar No. 01002564
730 Wisconsin Ave., Racine, WI 53403 (262) 636-3172

Special Agent Eric Szatkowski, of the Division of Criminal Investigation, Wisconsin Department of Justice, states that on or about December 23, 2008, an individual identified as Michael Ferderer, contacted Racine Police Deputy Chief Thomas Christensen concerning work that he had performed on the personal computer of Mayor Gary Becker. Ferderer reported that he is contracted by the City of Racine in the capacity of "computer help desk technician". Ferderer reports that "computer help desk technician" is responsible for computer tech support for City of Racine governmental agencies and departments and not to provide computer tech services for personal computers. Ferderer reported that he had performed maintenance on Mayor Gary Becker's personal computer. Ferderer reports that by viewing the computer it was readily apparent that the computer was not City of Racine property, but in fact personal property of Mayor Gary Becker. Ferderer reports that he received the personal computer of Mayor Gary Becker from an individual named Alan Eubanks, another contractor/employee working with Ferderer. According to Ferderer, Eubanks received the personal computer from Mayor Gary Becker, who requested that repairs be made to the personal computer. Ferderer reports that the repairs were performed during the course of time dedicated to employment/contract duties with the City of Racine. Ferderer also reported that he knows that Mayor Gary Becker had previously brought in another personal computer for servicing by City of Racine employees and/or contracted workers.

Ferderer reported that during the process of servicing Mayor Gary Becker's personal computer, he discovered approximately six pornographic

images depicting nude females and that the females appeared young, possibly under the age of 18 years, which he brought to the attention of law enforcement.

Agent Szatkowski also states that on or about January 7, 2009, he applied for and received a search warrant for the hard drive removed from the personal computer of Mayor Becker which was serviced by Ferderer. Agent Szatkowski states that upon review of the contents of the hard drive, he observed images of a pubescent female, in a sexually provocative pose and adult females engaging in sexual activity. Agent Szatkowski further states that he observed abbreviations on some of the files, including images, which included one named DAU. Based upon training and experience, Agent Szatkowski knows this abbreviation to mean daughter. Also, upon training and experience, Agent Szatkowski knows that the word "daughter" is a common term used by pornographers, including child pornographers to indicate a fetish for incest.

Agent Szatkowski further reports that on or about January 13, 2009 he met with Racine City Police Chief Wahlen; Wahlen states that an individual named Paul Burdick was a former information and technology employee/contractor with the City of Racine. Burdick reported that in August of 2007 he received a personal computer from Mayor Gary Becker to make repairs. Burdick reported that this computer was not City of Racine property, but was, upon information and belief, personal property of Mayor Becker. Burdick turned over a CD marked "Gary files from Becker PC family", which contained the contents of files removed from hard drive of Mayor Gary Becker's personal computer.

Agent Szatkowski states that he viewed the contents of the disk created by Burdick. Agent Szatkowski reports that he observed several images similar in nature to those observed previously from the hard drive of Mayor Becker's other personal computer. The photos include one titled "10 YO undressed from cell phone in class". This image is believed to be a minor female, displaying full frontal nudity, exposing her breasts and pubic region of her body. Based upon training and experience in investigating child pornography complaints, he believed the image to be child pornography in nature.

Agent Szatkowski further states that based upon observations of the contents of the aforementioned hard drives, over 1800 on line chats were discovered. Agent Szatkowski reports that many of these on line chats included sexually explicit comments, involving adults and upon information and belief, juveniles. Agent Szatkowski reports that the chats with juvenile females were for the purpose of sexual activity.

Agent Szatkowski states that a Yahoo! Messenger profile named WISC_GARY was observed in the Internet Messenger that had been set up on the personal computer owned by Mayor Gary Becker. That WISC_GARY described himself as a 47 year old male, living in Wisconsin. Agent Szatkowski further states that the WISC_GARY profile stated that his interests include "seducing all age females into being hot sluts."

Agent Szatkowski states that he created an internet profile of a 14 year old female, using the screen name of *Hope_Ulikeme14*, for the purpose of engaging in online chats. Agent Szatkowski states that he engaged in an online chat with

WISC_ GARY and that WISC_ GARY used the screen name of *m reed*. Agent Szatkowski states that on January 12, 2009, at approximately 10:45 PM, *m reed* and *Hope_Ulikeme14* engaged in an online chat that lasted approximately 2 ½ hours.

Agent Szatkowski states that during the online chat, *m reed* indicted that his name was Gary, that he was 6 feet tall and approximately 210 pounds. During the chat, *m reed* indicted that he was interested in sexual activity with *Hope_Ulikeme14*, including oral sex. During the chat, *m reed* discussed *Hope_Ulikeme14*'s sexual history, her sexual likes and lamented the fact that his penis was just average, but "probably a perfect fit". During the chat, *Hope_Ulikeme14* identified herself as a 14 year old, 8th grade student. Agent Szatkowski states that a photograph of a former intern with the Division of Criminal Investigation was sent to *m reed* for his viewing. Agent Szatkowski states that the photograph was of the former intern when she was approximately 14 years old. During the chat, *mreed* gave *HopeUlikeme14* a phone number to call him after she got out of school on January 13, 2009. During the chat *m reed* agreed to meet *Hope_Ulikeme14* at the Brookfield Square Mall, located in the City of Brookfield, Waukesha County, Wisconsin. Also, during the conversation, *m reed* asked *Hope_ulikeme14* if there was a Victoria's Secret store in the mall that she shopped at. During the conversation *m reed* stated that he would buy her presents at VS, which upon information and belief is Victoria's Secret. Also, during the online chat, *mreed* stated "it will be hard to keep my hands off u in public." Further, *mreed* stated "I would luv to get a hotel room and have lots of

fun with u." He (*m reed*) further stated that while in the hotel room he would like *Hope_ulikeme14* to sit on his lap while he fondled her breasts. He indicated that he wanted to take pictures of her while she modeled her new lingerie.

A copy of the online chat is attached to and incorporated into this criminal complaint.

Agent Michael Hoell states that an analyst with the Division of Criminal Investigations, acting as *Hope_Ulikeme14*, contacted *m reed*, via telephone, using the number given to *Hope_Ulikeme14* by *m reed*. Agent Hoell states that the call was made at approximately 3:10 PM on January 13, 2009. Agent Hoell states that during the telephonic conversation, *m reed* asked "Done with school?" Agent Hoell states that the analyst stated that she would be in the food court and would stay there until 6:00 PM.

Agent Hoell states that a second call was made to the number provided by *m reed*, by the DCI analyst. The call was made at approximately 4:15 PM. During this telephonic conversation, *m reed* stated "We better chat more, this is too dangerous" and asked the analyst if she was a "cop". During the conversation *m reed* further indicated that if someone would find them alone it would ~~not~~ be good. Agent Hoell states that *m reed* stated that he needs to be very careful and only buy her a soda. Agent Hoell states that *m reed* then indicated that he would arrive in approximately ½ hour and asked *Hope_Ulikeme14* what she would be wearing.

Agent Szatkowski reports that surveillance was set up at and around the food court of the Brookfield Square Mall. Agent Szatkowski states that at

approximately 5:30 PM, he observed Gary Becker at the food court. Agent Szatkowski states that he approached Gary Becker and asked him if he was Mr Reed, whereupon Becker turned around and identified himself as Gary Becker.

Agent Szatkowski states that he informed Becker that he had received a complaint from a mother about improper internet use by her daughter. After being advised of his *Miranda* rights, Becker explained that he was at Brookfield Square Mall to eat and shop at Victoria's Secret to get items for his wife. Becker states that he shops there because too many people know him in Racine.

Agent Szatkowski states that Becker initially stated that he was not Mr. Reed; however, Becker later admitted that he was Mr. Reed and admitted that his Yahoo! Screen name is WISC_ GARY. Agent Szatkowski further states that he produced a copy of the online chat conversation between *m reed* and *Hope_Ulikeme14* and Becker subsequently admitted that he was the *m reed* in the conversation and the chat log was his.

Agent Szatkowski further states that Becker admitted to engaging in the sexually charged on line conversation from his home located at 3020 Chatham Street, in the City of Racine. Becker initialed a copy of the 1/12/2009-1/13/2009 online chat with *Hope_Ulikeme14*, acknowledging its accuracy and his participation.
