

Wisconsin Crime Laboratory Bureau Internship Request

Internships for university students provide future forensic scientists the opportunity to experience an ISO accredited laboratory and contribute to the field of Forensic Science through research projects. The Wisconsin Crime Laboratory Bureau does not offer internships consisting solely of "shadowing" experiences. All internships are unpaid. Additionally, the number of internships, project disciplines, and locations are limited and will fluctuate depending on availability. To complete your application please submit your curriculum vitae and letter of interest to the Internship Program Director.
