**Requirements for Federally Funded Grants:**

**D&B (Dun & Bradstreet) Registration:**

**DUNS Number:** The federal government requires a DUNS number as part of the grant application to keep track of how federal grant funding is awarded and disbursed. If your organization needs to obtain a DUNS number, go to <http://fedgov.dnb.com/webform>. You can also search this site if you cannot find your agency's number. Under normal circumstances, a new account can be created in 24-72 hours. The federal government has published DUNS Frequently Asked Questions at <http://fedgov.dnb.com/webform/displayFAQPage.do>. Check with your agency's financial office before registering for a DUNS number - it is likely your agency already has one. **DOJ cannot award grant funds until an active DUNS number is provided.**

**System for Award Management (SAM) Registration:**

**CAGE Code Number:** All applicants must be registered on the SAM (formerly Central Contractor Registration/CCR) database. This is the repository for standard information about federal financial assistance applicants, recipients, and sub recipients. If you had an active CCR, you have an active record in SAM. Applicants must update or renew their SAM registration on an annual basis. Information to update your entity records can be accessed at <https://sam.gov/SAM/>. **DOJ cannot award funds until an agency has an active registration in SAM and is eligible to receive federal funds.**

**All expenses must be new and cannot replace existing state or local government funding.** Substitution of existing funds with federal grants (supplanting) will be the subject of monitoring and audit. Violations may result in a range of penalties, including suspension of current and future funds under this program, suspension or debarment from federal grants, repayment of monies provided under a grant, and civil and/or criminal penalties.

## **Coronavirus Emergency Supplemental Funds: County Criminal Justice Agencies (2020)**

The Wisconsin Department of Justice (DOJ) through its Bureau of Justice Programs (BJP) provides financial and technical assistance to public safety and criminal justice agencies throughout the state. As the state administering agency (SAA) for state and federal juvenile and criminal justice programs DOJ is responsible for establishing funding priorities, developing application criteria, awarding and disseminating grants, and assessing project achievements. This grant announcement provides information about a specific grant opportunity and instructions to help those eligible apply for a share of the available funds.

### **Program Description and Background**

This FY20 Coronavirus Emergency Supplemental Funding (CESF) Program provides funding to assist eligible local units of government to prevent, prepare for, and respond to the coronavirus. To best implement these one-time funds and achieve the greatest impact on our criminal justice systems, the State of Wisconsin, and WI DOJ as the SAA, has made a system-wide, collaborative approach to grant funding and strategic planning a priority. In line with this approach, WI DOJ developed a State Coronavirus Emergency Supplemental Funding Program Advisory Group to assist in planning for these one-time funds. This group includes a multi-disciplinary membership that includes partners from across the criminal justice system, including police, sheriffs, public defenders, district attorneys, the judiciary, corrections, emergency management, victim services, and health services. This State CESF Program Advisory Group provided input into the overall funding plan for this one-time award, in an effort to maximize the statewide impact of these funds across the criminal justice system.

WI DOJ seeks to create subaward opportunities that will utilize the grant funds in a way that will work to meet the following criteria:

- Address all disciplines within the criminal justice system;
- Create grant opportunities that meet needs short-term and later in the grant cycle; and
- Address physical safety as well as mental health and wellness of officers, victims, and the public.

In addition, the CESF Program Advisory Group provided the following recommendations for funding, which were considered as part of WI DOJ's overall approach to administering these one-time funds. The list included at a high level:

- Software and hardware to enable work from home capabilities and seamless communication among parts of the criminal justice system;
- Items necessary to provide safe operations (Personal Protective Equipment (PPE), sanitation supplies, air purifiers, glass shields, temperature devices);
- Decontamination equipment such as UV robots and lights;
- Contractual cleaning services for law enforcement vehicles or work sites; and
- Medical expenses related to testing staff for coronavirus.

### **Application Components**

Through Egrants, you will provide DOJ with detailed information about your project that will be used to make a funding decision. Questions on what is expected in each section can be directed to Shannon Ladwig at (608) 977-1491 or at [ladwigs@doj.state.wi.us](mailto:ladwigs@doj.state.wi.us).

**Please note: Attachments should only be included in this grant application where specifically requested in section instructions.**

#### **1. Main Summary**

This page asks for information about your agency and the individuals responsible for the application and grant award. There are many required fields on this page so if you encounter problems, please check online help by clicking the floating HELP button.

Please note: When identifying individuals involved in this grant, each responsible individual in this grant must be a different person.

- The Signatory is the highest elected official in municipality/government entity/organization. (For example, in a city it is the mayor, for counties it is the county executive or county board chair, and for non-profit agencies it is the executive director.)
- The Financial Officer is the individual at the applicant agency who is responsible for financial activities in your organization.
- The Project Director is an individual at the applicant agency who will oversee project operations.
- An Alternate Contact may be added to the application. This person is one that can and should access the application to complete required tasks such as modifications and reports, in the absence of the Project Director. This person should have knowledge of the project and authority to speak on behalf of the organization in the absence of the Project Director. If possible, we encourage the Project Director to list an alternate on the grant.

In the "Brief Project Description" text box, please describe your project in 150 words or less. A suggested format is included for your convenience:

"Funds will be used by the (your agency name and others involved in the project) to (describe what funds will be used for and who will be involved). The (what - equipment, training, project, pilot, etc.) will (describe the specific goals you hope to achieve – how will the project or equipment improve safety in Wisconsin?) [If appropriate, add which area(s) of the state will benefit.]"

Responses to this section will be used on the DOJ website, cited in DOJ reports and could be mentioned in press releases. Plain language that clearly describes the intent of the project is most effective.

## 2. Approval Checklist

Answer Yes or No to each question.

## 3. Performance Measures

Please open this section and change the page status to Complete; then SAVE the page. Performance Measures will be identified and collected during post-award reporting rather than through this funding application process.

## 4. Budget Detail

Complete a project budget using the following categories. For each category used, enter a justification that describes how the items in that category will be used during the course of the grant period. **It is important that you include specific details in the justification field for each budget line, including cost computation.**

Equipment: Tangible non-expendable personal property having a useful life of more than one year and an acquisition cost of **\$5,000 or more per unit**. Example for computation line: 1 filtration system x \$5,500 per unit = \$5,500. When entering this into the amount text box please round up to the nearest dollar.

Supplies and Operating Expenses: Supplies includes consumables such as paper, postage, software, computer/laptop, monitor, accessories, license and subscriptions. Operating expenses include items such as rent and utilities. All supply and operating expenses have an acquisition cost of less than \$5,000 per unit. Example for computation line: rent \$150/mo. x 12 months = \$1,800. When entering this into the amount text box please round up to the nearest dollar.

Consultants/Contractual: Provide costs associated with individuals or entities providing services through a contractual arrangement. With the exception of a few justified sole source situations, contracts should be awarded via competitive processes. Attach detailed information to support the total cost of each contract. For each consultant enter the name, if known; service to be provided; hourly or daily fee (8-hour day); and estimated time on the project. Consultant fees in excess of \$650 per 8-hour day require additional justification (contact DOJ). List all expenses to be paid from the grant to the individual consultant in addition to their fees (e.g., travel, lodging, meals, etc.). Show the basis of computation for each service requested. Within 30 days of grant award date, a signed contract must be received by DOJ. No fund reimbursements will be made prior to receipt of the contract.

## 5. Budget Narrative

The budget should display a clear link to the overall program or project and the proposed budgeted items. The budget narrative should explain how the costs are necessary for the completion of the proposed project.

## 6. Problem or Needs Description

Describe the problem or issue your county criminal justice system is experiencing during the coronavirus response, explain how this grant funding will solve or diminish identified problems

## 7. Project Narrative

### **Application Review and Award Criteria**

All applications must be submitted on or before 11:59 pm on the deadline and will be screened for completeness and compliance with the instructions provided in this announcement. DOJ staff will review applications to ensure consistency with the grant announcement goals and objectives. All final grant award decisions will be made by the Attorney General.

### **Award Information**

Upon application approval, the applicant agency's project director will receive signed grant award documents within approximately 30 days via email. The grant award documents will explain the total funding amount, approved budget by category, performance period, and fiscal and program reporting requirements and deadlines. ### **Post-Award Special Conditions/Reporting Requirements**

If you are awarded funds under this announcement, you will be required to provide regular progress reports. The schedule for your reports will be included in your grant award materials.

Please review all of your grant award special conditions and Egrants reporting requirements when you receive the Grant Award documents. Your grant award will be subject to general terms and conditions as well as the following special conditions (and any others noted on your award documents).

1. Grant recipients are also advised that DOJ will monitor grants to ensure that funds are expended for appropriate purposes and that recipients are complying with state and federal requirements as described in the grant award contract. This includes timely completion of progress and financial reports, active efforts to achieve and measure stated goals and objectives, appropriate documentation of activities and outcomes, on-going submission of participant data, and adherence to any conditions included in the grant award.
2. All awards are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by law.
3. The DOJ reserves the right to withhold grant payments if the grant recipient is delinquent paying any obligation to DOJ such as background check fees, etc. Refusal to provide information requested by DOJ may impact the payment of current or approval of future grant funds.
4. Please be advised that a hold may also be placed on any current or future application or grant payment if it is deemed that an agency is not in good standing on any DOJ grants or other reporting requirements, has other grants compliance issues (including being out of compliance with special conditions) that would make the applicant agency ineligible to receive future DOJ funding, failure to make progress in obtaining project goals and objectives, and/or is not cooperating with an ongoing DOJ grant review or audit.
5. A hold may also be placed on any application or grant payment if it is deemed that an agency is not in compliance with federal civil rights laws and/or is not cooperating with an ongoing federal civil rights investigation.
6. Program Income: To maintain consistent practices with other similar programs, and as a proven practice, projects funded under this announcement are subject to program income

guidelines detailed in the federal Office of Justice Programs Financial Guide. Grant award funds received are **not** program income. Program income is income earned by the recipient, during the funding period, as a direct result of the award. Any fees charged to the participants of your project are considered program income. The amount earned as program income during the length of the grant period must be expended by the end of the grant period and must be used for the purposes and under the condition applicable to the award.

7. All procurement transactions, whether negotiated or competitively bid and without regard to dollar value, shall be conducted in a manner to provide maximum open and free competition.
