active CCR, you have an active record in SAM. Applicants must update or renew their SAM registration on an annual basis. Information to update your entity records can be accessed at <https://sam.gov/SAM/>.

On **April 4, 2022**, we no longer will use or request DUNS Numbers, as the federal government changed from the DUNS Number to the Unique Entity Identifier (UEI) (generated by SAM.gov). All entities doing business using federal funds will be required to have an active UEI number.

Unique Entity Identifier (UEI)

- The Unique Entity ID is a 12-character alphanumeric ID assigned to an entity by SAM.gov.
- As part of this transition, the DUNS Number has been removed from SAM.gov.
- Entity registration, searching, and data entry in SAM.gov now require use of the new Unique Entity ID.
- Existing registered entities can find their Unique Entity ID by following the steps [here](#).
- New entities can get their Unique Entity ID at SAM.gov and, if required, complete an entity registration.

DOJ cannot award funds until an agency has an active registration in SAM and is eligible to receive federal funds.

All expenses must be new and cannot replace existing state or local government funding. Substitution of existing funds with federal grants (supplanting) will be the subject of monitoring and audit. Violations may result in a range of penalties, including suspension of current and future funds under this program, suspension or debarment from federal grants, repayment of monies provided under a grant, and civil and/or criminal penalties.

JJ Formula: Community-Based Programs and Services – FY2019 (2023)

The Wisconsin Department of Justice (DOJ) through its Bureau of Justice Programs (BJP) provides financial and technical assistance to public safety and criminal justice agencies throughout the state. As the state administering agency (SAA) for state and federal juvenile and criminal justice programs DOJ is responsible for establishing funding priorities, developing application criteria, awarding and disseminating grants, and assessing project achievements. This grant announcement provides information about a specific grant opportunity and instructions to help those eligible apply for a share of the available funds.

Program Description and Background

The Office of Juvenile Justice and Delinquency Prevention (OJJDP) awards Wisconsin DOJ Title II Formula grant funding based on state compliance with the four core requirements of the federal Juvenile Justice and Delinquency Prevention Act (JJDP). These funds are administered by the Wisconsin DOJ, in partnership with the Governor's Juvenile Justice Commission (GJJC), under specified Purpose Areas, as required by OJJDP. This funding opportunity is associated with the Community-Based Programs and Services Purpose Areas.

This funding opportunity is open to:

1. Community-based programs and services that work with
 - a. Status offenders, other youth, and the parents and other family members of such offenders and youth to strengthen families so that juveniles may remain in their homes;
 - b. Juveniles during their incarceration, and with their families, to ensure the safe return of such juveniles to their homes and to strengthen their families;
 - c. And parents with limited English-speaking ability, particularly in areas where there is a large population of families with limited English-speaking ability.
2. Community-based program and services to work with juveniles, their parents, and other family members during and after incarceration in order to strengthen families and reduce the risk of recidivism.
3. Community-based programs that provide follow up post-placement services to adjudicated juveniles to promote successful reintegration into the community.

The GJJC prioritizes evidence-based and promising programs. Through this grant announcement, Wisconsin DOJ is seeking applications for projects to implement or enhance existing programs and services using the following evidence-based models:

- [Functional Family Therapy \(FFT\)](#)
- [Family Centered Treatment \(FCT\)](#)
- [Transition to Independence \(TIP\) Model](#)
- [Generation PMTO \(Parent Management Training - Oregon Model\)](#)

Programs should aim to provide family-centered alternatives to detention or incarceration, improve reentry for youth who experienced out of home placement, detention, or incarceration, and/or reduce recidivism for youth.

All programs must serve youth ages 10-16 years old. Applicants' plans to evaluate the outcomes of program participation will be a considered during the application review

process. Successful applicants will be expected to submit data on state and OJJDP performance measures. The OJJDP performance measures can be found through the [OJJDP Performance Measurement Tool resource page](#).

The GJJC prefers evidence-based and promising programs. Applicants are encouraged to use and incorporate evidence-based programs into their application. Please visit the [OJJDP Model Programs Guide](#), [National Institute of Justice: Crime Solutions page](#), the [Tribal Youth Resource Center](#), Substance Abuse and Mental Health Services Administration (SAMHSA) [Blueprints for Healthy Youth Development](#) resource center, or [Title IV-E Prevention Services Clearinghouse](#) for information and examples of promising programs.

Applicants are also encouraged to incorporate the following focus areas into their programs:

- Reduce ethnic and racial disparities within the juvenile justice system.
- Serve youth in rural communities. For determination of rural status please search your area [here](#).
- Provide gender specific services, including those who identify as Lesbian, Gay, Bisexual, and Transgender (LGBT).
- Provide alternatives to detention for status offenders, survivors of commercial sexual exploitation, and others, where appropriate, such as home-based or community-based services or treatment for those youth in need of mental health, substance abuse, or co-occurring disorder services at the time such juveniles first come into contact with the juvenile justice system.
- Strengthen the families of delinquent and other youth to prevent juvenile delinquency. This includes involving relatives and extended family members when appropriate, and providing family counseling during incarceration of juvenile family members and coordination of family services when appropriate and feasible.

Post-Award Special Conditions/Reporting Requirements

If you are awarded funds under this announcement, you will be required to provide regular progress reports. The schedule for your reports will be included in your grant award materials.

Please review all of your grant award special conditions and Egrants reporting requirements when you receive the Grant Award documents. Your grant award will be subject to general terms and conditions as well as the following special conditions (and any others noted on your award documents).

1. Grant recipients are also advised that DOJ will monitor grants to ensure that funds are expended for appropriate purposes and that recipients are complying with state and federal requirements as described in the grant award contract. This includes timely completion of progress and financial reports, active efforts to achieve and measure stated goals and objectives, appropriate documentation of activities and outcomes, on-

going submission of participant data, and adherence to any conditions included in the grant award.

2. All awards are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by law.
3. The DOJ reserves the right to withhold grant payments if the grant recipient is delinquent paying any obligation to DOJ such as background check fees, etc. Refusal to provide information requested by DOJ may impact the payment of current or approval of future grant funds.
4. Please be advised that a hold may also be placed on any current or future application or grant payment if it is deemed that an agency is not in good standing on any DOJ grants or other reporting requirements, has other grants compliance issues (including being out of compliance with special conditions) that would make the applicant agency ineligible to receive future DOJ funding, failure to make progress in obtaining project goals and objectives, and/or is not cooperating with an ongoing DOJ grant review or audit.
5. A hold may also be placed on any application or grant payment if it is deemed that an agency is not in compliance with federal civil rights laws and/or is not cooperating with an ongoing federal civil rights investigation.
6. Program Income: To maintain consistent practices with other similar programs, and as a proven practice, projects funded under this announcement are subject to program income guidelines detailed in the federal Office of Justice Programs Financial Guide. Grant award funds received are **not** program income. Program income is income earned by the recipient, during the funding period, as a direct result of the award. Any fees charged to the participants of your project are considered program income. The amount earned as program income during the length of the grant period must be expended by the end of the grant period and must be used for the purposes and under the condition applicable to the award.
7. All procurement transactions, whether negotiated or competitively bid and without regard to dollar value, shall be conducted in a manner to provide maximum open and free competition.
8. If the grant award budget contains wages, the grantee's records must be maintained in a form that, at any given time, an auditor or DOJ representative would be able to identify the use of Federal and Matching funds. These records should include information such as employee name, rate of pay, hours worked, and amount of time dedicated to the grant project.
9. Recipients of awards under this funding announcement for which the purpose of some or all the activities is to directly benefit a set of individuals under 18 years of age as determined at time of application, must make determinations of suitability, and submit the required form to WI DOJ before certain individuals may interact with participating minors. Determinations must be made for all individuals who may interact with participating minors. This requirement applies regardless of an individual's employment status with the recipient organization and can include (but not limited to) employees of

the recipient agency, consultants, contractors, employees of a contractor, trainees, volunteers, teachers, or mentors. For full details of this special conditions visit the OJP web site at <https://www.ojp.gov/funding/explore/interact-minors>.

Determination of Suitability Special Condition Applicability Form

A Determination of Suitability is required, in advance, for certain individuals who may interact with participating minors.¹ The subrecipient agency must not permit covered individuals to interact with any participating minor in the course of activities under the award before a written determination of suitability has been made.

The following form will be used to determine if the proposed program is subject to this condition. Please complete this form and attach it to the Agency Profile section of your application.

Project Director:

1. Does your proposed program involve individuals under 18 years of age participating in program activities (participating minors)?
2. Do any proposed grant-funded activities include adult individuals, regardless of employment status, interacting with participating minors (other than the individuals' own children)?
3. Are the adults interacting with youth due to grant funding? For example, grant funds pay for overtime, fund a new employee/position, pay to recruit new mentors, fund a contractor or employee of a contracted agency to provide therapy or mentoring to a minor etc. Answer "NO" if adults are interacting with youth during normal organizational operations for example, teachers during normal school hours.
4. Will the interaction between adults and participating minors include in person or electronic (or similar) physical contact, oral and written communication, and/or the transmission of images and sound?

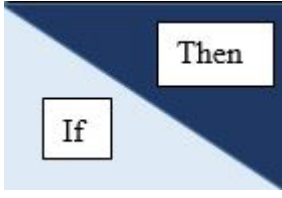

¹ Details of this requirement are posted on the OJP website at <https://ojp.gov/funding/Explore/Interact-Minors.htm>

- a. Will the interaction be brief contact that is both unexpected by the recipient (or subrecipient) and unintentional on the part of the covered individual -- such as might occur when a postal carrier delivers mail to an administrative office?
- b. Personally-accompanied contact -- that is, infrequent or occasional contact (for example, by someone who comes to make a presentation) in the presence of an accompanying adult, pursuant to written policies and procedures of the recipient (or subrecipient) that are designed to ensure that -- throughout the contact -- an appropriate adult who has been determined to be suitable pursuant to this condition will closely and personally accompany, and remain continuously within view and earshot of, the covered individual.

Definitions

1. "Covered individual" means any individual (other than a participating minor, as defined in this condition, or a client of the recipient (or subrecipient)) who is expected, or reasonably likely, to interact with any participating minor (other than the individual's own minor children). A covered individual need not have any particular employment status or legal relationship with the recipient (or subrecipient). Such an individual might be an employee of a recipient (or subrecipient), but also might be (for example) a consultant, contractor, employee of a contractor, trainee, volunteer, or teacher.
2. "Participating minor." All individuals under 18 years of age within the set of individuals described in the scope section of this condition as it appears on the award document are participating minors.
3. "Interaction" includes physical contact, oral and written communication, and the transmission of images and sound, and may be in person or by electronic (or similar) means. But "interaction" does not include—
 - a. brief contact that is both unexpected by the recipient (or subrecipient) and unintentional on the part of the covered individual -- such as might occur when a postal carrier delivers mail to an administrative office.
 - b. personally-accompanied contact -- that is, infrequent or occasional contact (for example, by someone who comes to make a presentation) in the presence of an accompanying adult, pursuant to written policies and procedures of the recipient (or subrecipient) that are designed to ensure that -- throughout the contact -- an appropriate adult who has been determined to be suitable pursuant to this condition will closely and personally accompany, and remain continuously within view and earshot of, the covered individual.
4. "Activities under the award." Whether paid for with federal funds from the award, "matching" funds included in the OJP-approved budget for the award, or "program income" for the award as defined by the (DOJ) Part 200 Uniform Requirements), activities under the award include both—
 - a. activities carried out under the award by the recipient (or subrecipient); and
 - b. actions taken by an entity or individual pursuant to a procurement contract under the award or to a procurement contract under a subaward at any tier.
