## Grant Announcement Summary

**Program Area:** Criminal Justice

**Grant Title:** Justice Reinvestment Initiative BCS CORE (2020)

**Description:** Through this grant announcement, DOJ is seeking an application from the Wisconsin Department of Justice, Bureau of Computing Services, to provide funding to BCS to support the FY20 JRI project which will provide enhancements to the CORE reporting system for the Pretrial Pilot program.

**Opportunity Category:** Non-Competitive

**Important Dates:**

Application Due Date: February 3, 2023

Project Start Date: January 1, 2023

Project End Date: September 30, 2023

**Reporting Requirements:** If awarded a grant, your agency will be responsible for completing the following reports in order to receive reimbursement.

- Program Reports must be submitted in Egrants quarterly.
- Financial Reports must be submitted in Egrants quarterly.
- Performance Measurement Tool (PMT) reports must be submitted quarterly in the PMT system located at <https://ojpssso.ojp.gov/> and uploaded into Egrants Program Reports as required.

**Anticipated Funding Amount:** One grant in the amount of \$314,400.00 will be awarded to the Wisconsin Department of Justice, Bureau of Computing Services.

**Match/Cost Sharing Requirement:** There is no match required under this program.

**Eligibility:** The Wisconsin Department of Justice, Bureau of Computing Services, is the only eligible applicant.

**Eligible Expenses:** Funding may be used for consultants/contractual expenses.

**Requirements for Federally Funded Grants:**

**System for Award Management (SAM) Registration:**

**CAGE Code Number:** All applicants must be registered on the SAM (formerly Central Contractor Registration/CCR) database. This is the repository for standard information about federal financial assistance applicants, recipients, and sub recipients. If you had an active CCR, you have an active record in SAM. Applicants must update or renew their SAM registration on an annual basis. Information to update your entity records can be accessed at <https://sam.gov/SAM/>.

As of **April 4, 2022**, we no longer use or request DUNS Numbers, as the federal government changed from the DUNS Number to the Unique Entity Identifier (UEI) (generated by SAM.gov). All entities doing business using federal funds will be required to have an active UEI number.

**Unique Entity Identifier (UEI)**

- The Unique Entity ID is a 12-character alphanumeric ID assigned to an entity by SAM.gov.
- As part of this transition, the DUNS Number has been removed from SAM.gov.
- Entity registration, searching, and data entry in SAM.gov now require use of the new Unique Entity ID.
- Existing registered entities can find their Unique Entity ID by following the steps [here](#).
- New entities can get their Unique Entity ID at SAM.gov and, if required, complete an entity registration.

**DOJ cannot award funds until an agency has an active registration in SAM and is eligible to receive federal funds.**

**All expenses must be new and cannot replace existing state or local government funding.** Substitution of existing funds with federal grants (supplanting) will be the subject of monitoring and audit. Violations may result in a range of penalties, including suspension of current and future funds under this program, suspension or debarment from federal grants, repayment of monies provided under a grant, and civil and/or criminal penalties.

## **Justice Reinvestment Initiative BCS CORE (2020)**

The Wisconsin Department of Justice (DOJ) through its Bureau of Justice Programs (BJP) provides financial and technical assistance to public safety and criminal justice agencies throughout the state. As the state administering agency (SAA) for state and federal juvenile and criminal justice programs DOJ is responsible for establishing funding priorities, developing application criteria, awarding and disseminating grants, and assessing project achievements. This grant announcement provides information about a specific grant opportunity and instructions to help those eligible apply for a share of the available funds.

### **Program Description and Background**

Through this grant announcement, DOJ is seeking an application from the Wisconsin Department of Justice, Bureau of Computing Services (BCS) to provide IT contractual resources for DOJ for both developer and database administrator time dedicated to the effort to create the database infrastructure, provide input and guidance into the development of the data sharing platform or data warehouse concept, move forward with the sharing of the initial data sets prioritized through the project, and help to plan the priority, timeline, and process for larger-scale integration of additional data sources.

In addition, business analyst and project manager time are also included to assist with the design and planning between the business users and the technical resources, as well as to provide overall project guidance and management, respectively.

### **Submit Applications Using Egrants**

Applications must be submitted through the Egrants online grants management system. If you have never used Egrants before, the Project Director and Financial Officer listed on the grant application will need to register for their unique login credentials to access the system. To register online, go to <http://register.wisconsin.gov/AccountManagement/> and complete the 'self-registration' process. On the account registration site, you will have a choice between the [DOJ Egrants](#) and WEM EGrants. Please take care to select [DOJ Egrants](#) during this process.

Authorization to access Egrants can take several days depending on registration activity.

For questions relating to Egrants registration contact the technical assistance contact listed on this announcement, or the DOJ help desk. The helpdesk hours are Monday-Friday 8am-4:30pm if you need assistance. (Please note: If you register outside of these hours, access may not be approved until the next business day.) Once your Egrants access has been approved, you may begin your online grant application.

An Egrants System User Guide is posted on the [DOJ website](#). If you have any problems using Egrants, please contact our help desk at [Egrants@doj.state.wi.us](mailto:Egrants@doj.state.wi.us) or call us at (608) 267-9068 or toll free at (888) 894-6607 during business hours.

### **Application Components**

Through Egrants, you will provide DOJ with detailed information about your project that will be used to make a funding decision. Questions on what is expected in each section can be directed to Phil Zell at (608) 630-1235 or at [zellpkh@doj.state.wi.us](mailto:zellpkh@doj.state.wi.us).

**Please note: Attachments should only be included in this grant application where specifically requested in section instructions.**

## 1. Main Summary

This page asks for information about your agency and the individuals responsible for the application and grant award. There are many required fields on this page so if you encounter problems, please check online help by clicking the floating HELP button.

Please note: When identifying individuals involved in this grant, each responsible individual in this grant must be a different person.

- The Signatory is the highest elected official in municipality/government entity/organization. (For example, in a city it is the mayor, for counties it is the county executive or county board chair, and for non-profit agencies it is the executive director.)
- The Financial Officer is the individual at the applicant agency who is responsible for financial activities in your organization.
- The Project Director is an individual at the applicant agency who will oversee project operations.
- An Alternate Contact may be added to the application. This person is one that can and should access the application to complete required tasks such as modifications and reports, in the absence of the Project Director. This person should have knowledge of the project and authority to speak on behalf of the organization in the absence of the Project Director. If possible, we encourage the Project Director to list an alternate on the grant.

In the "Brief Project Description" text box, please describe your project in 150 words or less. A suggested format is included for your convenience:

"Funds will be used by the (your agency name and others involved in the project) to (describe what funds will be used for and who will be involved). The (what - equipment, training, project, pilot, etc.) will (describe the specific goals you hope to achieve – how will the project or equipment improve safety in Wisconsin?) [If appropriate, add which area(s) of the state will benefit.]"

Responses to this section will be used on the DOJ website, cited in DOJ reports and could be mentioned in press releases. Plain language that clearly describes the intent of the project is most effective.

## 2. Approval Checklist

Answer Yes or No to each question.

## 3. Performance Measures

Please open this section and change the page status to Complete; then SAVE the page. Performance Measures will be identified and collected during post-award reporting rather than through this funding application process.

## 4. Budget Detail

Complete a project budget using the following categories. For each category used, enter a justification that describes how the items in that category will be used during the course of the grant period. **It is important that you include specific details in the justification field for each budget line, including cost computation.**

Consultants/Contractual: Provide costs associated with individuals or entities providing services through a contractual arrangement. With the exception of a few justified sole source situations, contracts should be awarded via competitive processes. Attach detailed information to support the total cost of each contract. For each consultant enter the name, if known; service to be provided; hourly or daily fee (8-hour day); and estimated time on the project. Consultant fees in excess of \$650 per 8-hour day require additional justification (contact DOJ). List all expenses to be paid from the grant to the individual consultant in addition to their fees (e.g., travel, lodging, meals, etc.). Show the basis of computation for each service requested.

## **5. Project Narrative**

Describe your program or project in detail, including what objectives would be accomplished.

## **6. Required Attachments**

Please attach the following document to your application in this section:

- Position Description

If the documents are not available at the time of application, you will be required to upload the documents into the Monitoring section of Egrants under the Project Document Attachment section. Submission of documents is required prior to reimbursement.

## **Application Review and Award Criteria**

All applications must be submitted on or before 11:59 pm on the deadline and will be screened for completeness and compliance with the instructions provided in this announcement. DOJ staff will review applications to ensure consistency with the grant announcement goals and objectives.

## **Award Information**

Upon application approval, the applicant agency's project director will receive signed grant award documents within approximately 30 days via email. The grant award documents will explain the total funding amount, approved budget by category, performance period, and fiscal and program reporting requirements and deadlines. Grant expenditures will be reimbursed when signed award documents have been received by DOJ, spending and grant activity is documented in proper reports and reimbursement requests are submitted to DOJ.

## **Post-Award Special Conditions/Reporting Requirements**

If you are awarded funds under this announcement, you will be required to provide regular progress reports. The schedule for your reports will be included in your grant award materials.

Please review all of your grant award special conditions and Egrants reporting requirements when you receive the Grant Award documents. Your grant award will be subject to general terms and conditions as well as the following special conditions (and any others noted on your award documents).

1. Grant recipients are advised that DOJ will monitor grants to ensure that funds are expended for appropriate purposes and that recipients are complying with state and federal requirements as described in the grant award contract. This includes timely

completion of progress and financial reports, active efforts to achieve and measure stated goals and objectives, appropriate documentation of activities and outcomes, ongoing submission of participant data, and adherence to any conditions included in the grant award.

2. All awards are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by law.
3. The DOJ reserves the right to withhold grant payments if the grant recipient is delinquent paying any obligation to DOJ such as background check fees, etc. Refusal to provide information requested by DOJ may impact the payment of current or approval of future grant funds.
4. Please be advised that a hold may also be placed on any current or future application or grant payment if it is deemed that an agency is not in good standing on any DOJ grants or other reporting requirements, has other grants compliance issues (including being out of compliance with special conditions) that would make the applicant agency ineligible to receive future DOJ funding, failure to make progress in obtaining project goals and objectives, and/or is not cooperating with an ongoing DOJ grant review or audit.
5. A hold may also be placed on any application or grant payment if it is deemed that an agency is not in compliance with federal civil rights laws and/or is not cooperating with an ongoing federal civil rights investigation.
6. Program Income: To maintain consistent practices with other similar programs, and as a proven practice, projects funded under this announcement are subject to program income guidelines detailed in the federal Office of Justice Programs Financial Guide. Grant award funds received are **not** program income. Program income is income earned by the recipient, during the funding period, as a direct result of the award. Any fees charged to the participants of your project are considered program income. The amount earned as program income during the length of the grant period must be expended by the end of the grant period and must be used for the purposes and under the condition applicable to the award.
7. All procurement transactions, whether negotiated or competitively bid and without regard to dollar value, shall be conducted in a manner to provide maximum open and free competition.
8. If the grant award budget contains wages, the grantee's records must be maintained in a form that, at any given time, an auditor or DOJ representative would be able to identify the use of Federal and Matching funds. These records should include information such as employee name, rate of pay, hours worked, and amount of time dedicated to the grant project.
9. Positions funded by this grant must have a position description. Submit the position description and name of employee in Egrants within the Monitoring Section under Project Document Attachment.
