Project Safe Neighborhoods Eastern District –Evaluation Project (2021)

The Wisconsin Department of Justice (DOJ) through its Bureau of Justice Programs (BJP) provides financial and technical assistance to public safety and criminal justice agencies throughout the state. As the state administering agency (SAA) for state and federal juvenile and criminal justice programs DOJ is responsible for establishing funding priorities, developing application criteria, awarding and disseminating grants, and assessing project achievements. Program Description and Background

Through this grant announcement, DOJ is seeking an application to complete an evaluation project of the Community Victim Witness (CVW) Program in the Milwaukee County District Attorney's Office. The evaluation project will be done on the ongoing CVW program which is funded under the Project Safe Neighborhoods (PSN) program in the Eastern District of Wisconsin. The funding for the project will be supported by funding under the 2021 Project Safe Neighborhoods (PSN) program.

Project Safe Neighborhoods (PSN) is a nationwide commitment to reduce gun and gang crime in America by networking existing local programs that target gun and gun crime and providing these programs with additional tools necessary to be successful. Since its inception in 2001, approximately \$2 billion has been committed to this initiative. This funding is being used to hire new federal and state prosecutors, support investigators, provide training, distribute gun lock safety kits, deter juvenile gun crime, and develop and promote community outreach efforts as well as to support other gun and gang violence reduction strategies. For more information on the National PSN Program, please visit www.psn.gov.

Application Components

Through Egrants, you will provide DOJ with detailed information about your project that will be used to make a funding decision. Questions on what is expected in each section can be directed to Michael Austin at (608) 957-5219 or at austinmp@doj.state.wi.us.

Please note: Attachments should only be included in this grant application where specifically requested in section instructions.

1. Main Summary

This page asks for information about your agency and the individuals responsible for the application and grant award. There are many required fields on this page so if you encounter problems, please check online help by clicking the floating HELP button.

Please note: When identifying individuals involved in this grant, each responsible individual in this grant must be a different person.

- The Signatory is the highest elected official in municipality/government entity/organization. (For example, in a city it is the mayor, for counties it is the county executive or county board chair, and for non-profit agencies it is the executive director.)
- The Financial Officer is the individual at the applicant agency who is responsible for financial activities in your organization.
- The Project Director is an individual at the applicant agency who will oversee project operations.
- An Alternate Contact may be added to the application. This person is one that can and should access the application to complete required tasks such as modifications and reports, in the absence of the Project Director. This person should have knowledge of the project and authority to speak on behalf of the organization in the absence of the Project Director. If possible, we encourage the Project Director to list an alternate on the grant.

In the "Brief Project Description" text box, please describe your project in 150 words or less. A suggested format is included for your convenience:

"Funds will be used by the (your agency name and others involved in the project) to (describe what funds will be used for and who will be involved). The (what - equipment, training, project, pilot, etc.) will (describe the specific goals you hope to achieve – how will the project or equipment improve safety in Wisconsin?) [If appropriate, add which area(s) of the state will benefit.]"

Responses to this section will be used on the DOJ website, cited in DOJ reports and could be mentioned in press releases. Plain language that clearly describes the intent of the project is most effective.

2. Approval Checklist

Answer Yes or No to each question.

3. Performance Measures

Please open this section and change the page status to Complete; then SAVE the page. Performance Measures will be identified and collected during post-award reporting rather than through this funding application process).

4. Budget Detail

Complete a project budget using the following categories. For each category used, enter a justification that describes how the items in that category will be used during the course of the grant period. **It is important that you include specific details in the justification field for each budget line, including cost computation.**

Personnel: Provide salary information for non-contractual employees that will be funded through this grant, including overtime. List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time/number of hours to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization. Only personnel costs of the agency applying for the grant funds should be included under "personnel." Example for computation line: \$25/hr. x 2080 hr. = \$52,000. When entering this into the amount text box please round up to the nearest dollar.

Employee Benefits: Employee benefits for grant-funded personnel include FICA, Unemployment Compensation, Health Insurance, etc. and amounts budgeted should be based on actual known costs or an established formula. Employee benefits are for the personnel listed in the budget and only for the percentage of time/number of hours devoted to the project. Employee benefits on overtime hours are limited to FICA, Workers' Compensation, and Unemployment Compensation. Example for computation line: \$79,539 1.0 FTE salary x 43% fringe rate = \$34,202. When entering this into the amount text box please round up to the nearest dollar.

Supplies and Operating Expenses: Supplies includes consumables such as paper, postage, software, computer/laptop, monitor, accessories, license and subscriptions. Operating expenses include items such as rent and utilities. All supply and operating expenses have an acquisition cost of less than \$5,000 per unit. Example for computation line: rent \$150/mo. x 12 months = \$1,800. When entering this into the amount text box please round up to the nearest dollar.

(Please note: Costs will only be reimbursed for services occurring within the project period. If the total cost goes beyond the project end date or starts prior to the start date (ex: annual subscription costs), those costs will need to be prorated).

Indirect: Includes the indirect costs of an organization that are not readily assignable to a particular project but are necessary to the operation of the organization and the performance of the project. The cost of operating and maintaining facilities, depreciation, and administrative salaries are examples of the types of costs that are usually treated as indirect. If indirect is allowed, recipients that have a federally approved indirect rate must provide documentation of that rate approval. Otherwise, recipients that have never had an approved federal indirect cost rate may charge a de minimis rate of 10% of modified total direct costs.

Other: Items that don't fit into specific categories or administrative costs (if allowed).

5. Budget Narrative

Please describe how your budget relates to the overall program/project strategy or implementation plan.

6. Goals and Objectives

List your project goals. Below each goal, list objectives and performance measures that apply to your initiative. The goals, objectives and performance measures should be SMART (specific, measurable, attainable, realistic, and time-bound).

7. Organizational Structure and Resources

Describe in detail your organizational structure, include number of full time and part time staff, and any oversight committees. In addition, include what type of resources your agency utilizes.

8. Project Narrative

Describe your project in detail, including what objectives would be accomplished.

Please review all of your grant award special conditions and Egrants reporting requirements when you receive the Grant Award documents. Your grant award will be subject to general terms and conditions as well as the following special conditions (and any others noted on your award documents).

Standard Special Conditions

1. Grant recipients are advised that DOJ will monitor grants to ensure that funds are expended for appropriate purposes and that recipients are complying with state and federal requirements as described in the grant award contract. This includes timely completion of progress and financial reports, active efforts to achieve and measure stated goals and objectives, appropriate documentation of activities and outcomes, on-going submission of participant data, and adherence to any conditions included in the grant award.
2. All awards are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by law.

3. The DOJ reserves the right to withhold grant payments if the grant recipient is delinquent paying any obligation to DOJ such as background check fees, etc. Refusal to provide information requested by DOJ may impact the payment of current or approval of future grant funds.
4. Please be advised that a hold may also be placed on any current or future application or grant payment if it is deemed that an agency is not in good standing on any DOJ grants or other reporting requirements, has other grants compliance issues (including being out of compliance with special conditions) that would make the applicant agency ineligible to receive future DOJ funding, failure to make progress in obtaining project goals and objectives, and/or is not cooperating with an ongoing DOJ grant review or audit.
5. A hold may also be placed on any application or grant payment if it is deemed that an agency is not in compliance with federal civil rights laws and/or is not cooperating with an ongoing federal civil rights investigation.
6. Program Income: To maintain consistent practices with other similar programs, and as a proven practice, projects funded under this announcement are subject to program income guidelines detailed in the federal Office of Justice Programs Financial Guide. Grant award funds received are **not** program income. Program income is income earned by the recipient, during the funding period, as a direct result of the award. Any fees charged to the participants of your project are considered program income. The amount earned as program income during the length of the grant period must be expended by the end of the grant period and must be used for the purposes and under the condition applicable to the award.
7. All procurement transactions, whether negotiated or competitively bid and without regard to dollar value, shall be conducted in a manner to provide maximum open and free competition.
8. If the grant award budget contains wages, the grantee's records must be maintained in a form that, at any given time, an auditor or DOJ representative would be able to identify the use of Federal and Matching funds. These records should include information such as employee name, rate of pay, hours worked, and amount of time dedicated to the grant project.
9. Award funds will be used to supplement, not supplant, planned or allocated funds.
10. To be allowable under a grant program, all funds (state, federal, and cash match) must be obligated (purchase order issued) or paid for services provided during the grant period. If obligated by the end of the grant period, payment must be made within 30 days of the grant period ending date.
11. All budget changes require prior approval from DOJ and must be requested in a grant modification via Egrants.
12. Subgrantees acknowledge that failure to submit an acceptable Equal Employment Opportunity Plan (if required to submit one pursuant to 28 CFR 42.302) that is approved

by the Federal Office of Civil Rights, is a violation of its Certified Assurances and may result in the suspension of the grant.

13. Grant funds will be paid to the grantee on a reimbursement basis. Expenses must be incurred and paid for by the agency/organization within the reporting period.
14. Any changes in personnel involved with the grant including the Project Director, Financial Officer, and/or Signatory must be reported to DOJ in a grant modification via Egrants.
15. Fees for independent consultants may not exceed the federal rate of \$650 per eight-hour day unless prior approval is received from DOJ.
16. Reimbursement for travel (i.e. mileage, meals and lodging) is limited to state rates.
17. Recipient fully understands that DOJ has the right to suspend or terminate grant funds to any recipient that fails to conform to the requirements (special/general conditions and general operating policies) or that fails to comply with the terms and conditions of its grant award.
18. All contracts pertaining to this grant must be submitted to DOJ within 30 days of receipt of Grant Award Documents.
19. If the grant award contains equipment, a request for reimbursement should only be submitted once the equipment is installed and testing has been completed.
20. Positions funded by this grant must have a position description. Submit the position description and name of employee in Egrants within the Monitoring Section under Project Document Attachment.
21. The recipient agrees to cooperate with WI DOJ monitoring to ensure compliance of US DOJ Grants guidelines, Financial Guide, and OJP guidelines, protocols and procedures. Recipient agrees to cooperate with WI DOJ (including the Program Contact, Fiscal Contact, Grants Specialist Monitor, Supervisors, and/or Administration) for this award, including requests related to desk reviews and/or onsite/virtual visits. The recipient agrees to provide to WI DOJ all documentation necessary for WI DOJ to complete the monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set out by WI DOJ for providing the requested documents. Failure to cooperate with WI DOJ monitoring activities may result in actions that affect the recipient's WI DOJ awards, including, but not limited to: withholding and/or other restrictions on the recipients access to award funds, referral to the WI DOJ designation of High Risk grantees, or terminate of an award(s).

Additional Special Conditions

22. Recipients of awards under this funding announcement for which the purpose of some or all the activities is to directly benefit a set of individuals under 18 years of age as determined at time of application, must make determinations of suitability and submit the required form to WI DOJ before certain individuals may interact with participating minors. Determinations must be made for all individuals who may interact with
