Youth Gang Diversion Balance of the State - 2025

The Wisconsin Department of Justice (DOJ) through its Bureau of Justice Programs (BJP) provides financial and technical assistance to public safety and criminal justice agencies throughout the state. As the state administering agency (SAA) for state and federal juvenile and criminal justice programs DOJ is responsible for establishing funding priorities, developing application criteria, awarding and disseminating grants, and assessing project achievements. This grant announcement provides information about a specific grant opportunity and instructions to help those eligible apply for a share of the available funds.

Program Description and Background

Wisconsin's biennial state budget includes an appropriation to support a youth diversion grant program. The Wisconsin Department of Justice (WI DOJ) administers these funds to agencies to continue established youth violence prevention programs. Only those agencies specifically identified in this grant announcement are eligible to apply.

This funding opportunity is available to designated agencies for provide services “for the diversion of youths from gang activities into productive activities, including placement in appropriate educational, recreational, and employment programs.”¹ Programs must serve youth and are encouraged to target specific at-risk youth based on identified risk factors, rather than all youth in a community.

Programs should aim to implement each of the five strategies of the OJJDP Comprehensive Gang Model for diverting youth from gang activities. The strategies include: community mobilization, opportunities provision, social intervention, suppression, and organizational change and development. Programs must incorporate an assessment of gang activity and demographics in their community and identify a target population for services. Programs must plan for evaluation to assess the efficacy of their program. Programs are encouraged to incorporate other best practices including coalescing a multidisciplinary team to implement prevention, intervention, and suppression activities.

The following Office of Juvenile Justice and Delinquency Prevention (OJJDP) resources will assist applicants in determining project activities and planning implementation.

Please note: Attachments should only be included in this grant application where specifically requested in section instructions.

1. Main Summary

This page asks for information about your agency and the individuals responsible for the application and grant award. There are many required fields on this page so if you encounter problems, please check online help by clicking the floating HELP button.

Please note: When identifying individuals involved in this grant, each responsible individual in this grant must be a different person.

- The Signatory is the highest elected official in municipality/government entity/organization. (For example, in a city it is the mayor, for counties it is the county executive or county board chair, and for non-profit agencies it is the executive director.)
- The Financial Officer is the individual at the applicant agency who is responsible for financial activities in your organization.
- The Project Director is an individual at the applicant agency who will oversee project operations.

The (what - equipment, training, project, pilot, etc.) will (describe the specific goals you hope to achieve – how will the project improve safety, juvenile accountability or competence in Wisconsin?) [If appropriate, add which area(s) of the state will benefit.]”

2. Approval Checklist

Answer Yes or No to each question.

3. Performance Measures

Please open this section and change the page status to Complete; then SAVE the page. Performance Measures will be identified and collected during post-award reporting rather than through this funding application process.

Grant recipients are advised that DOJ will monitor grants to ensure that funds are expended for appropriate purposes and that recipients are complying with state and federal requirements as described in the grant award contract. This includes timely completion of progress and financial reports, active efforts to achieve and measure stated goals and objectives, appropriate documentation of activities and outcomes, on-going submission of participant data, and adherence to any conditions included in the grant award.

4. Please be advised that a hold may also be placed on any current or future application or grant payment if it is deemed that an agency is not in good standing on any DOJ grants or other reporting requirements, has other grants compliance issues (including being out of compliance with special conditions) that would make the applicant agency ineligible to receive future DOJ funding, failure to make progress in obtaining project goals and objectives, and/or is not cooperating with an ongoing DOJ grant review or audit.

5. A hold may also be placed on any application or grant payment if it is deemed that an agency is not in compliance with federal civil rights laws and/or is not cooperating with an ongoing federal civil rights investigation.

These records should include information such as employee name, rate of pay, hours worked, and amount of time dedicated to the grant project.
9. Award funds will be used to supplement, not supplant, planned or allocated funds.
10. To be allowable under a grant program, all funds (state, federal, and cash match) must be obligated (purchase order issued) or paid for services provided during the grant period. If obligated by the end of the grant period, payment must be made within 30 days of the grant period ending date. Any grant activity outside the project period is not eligible for reimbursement.

12. Subgrantees acknowledge that failure to submit an acceptable Equal Employment Opportunity Plan (if required to submit one pursuant to 28 CFR 42.302) that is approved by the Federal Office of Civil Rights, is a violation of its Certified Assurances and may result in the suspension of the grant.
13. Grant funds will be paid to the grantee on a reimbursement basis. Expenses must be incurred and paid for by the agency/organization within the reporting period.
14. Any changes in personnel involved with the grant including the Project Director, Financial Officer, and/or Signatory must be reported to DOJ in a grant modification via Egrants.

The recipient agrees to provide to WI DOJ all documentation necessary for WI DOJ to complete the monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set out by WI DOJ for providing the requested documents. Failure to cooperate with WI DOJ monitoring activities may result in actions that affect the recipient's WI DOJ awards, including, but not limited to: withholding and/or other restrictions on the recipient's access to award funds, referral to the WI DOJ designation of High-Risk grantees, or terminate of an award(s).

Additional Special Conditions

1. Reimbursement of cost will be contingent on submission of a roster which must contain event name, dates, attendee name, and agency affiliation.
