Digital Footprint

Search yourself on a few different search engines to see what your footprint looks like.

Cleaning Your Footprint

Want to improve your digital footprint? Click on this icon for FOSI's guide on cleaning it up.

Privacy Settings

Each site has its own privacy and safety settings that you can customize to your preferences. Click on the icons for the ICAC Task Force's guides on some of the most popular sites.

Passwords

To make sure your accounts are secure, create a strong and memorable password. Click here for the FTC's tips on how to make one:
