JARAL R. MCCOLLUM "SPORT" DRUG CONSPIRACY

The Shawano Police Department and Shawano County Sheriff's Office, assisted by the Wisconsin Department of Justice, Division of Criminal Investigation, S/A Carroll, initiated a drug investigation of Jaral McCollum M/B DOB: 5/22/1979 nicknamed "Sport". The drug investigation began November 2017. In June 2018 McCollum was arrested in Shawano County with a co-conspirator, Desiree Webster, in possession of cocaine, heroin, Fentanyl, synthetic THC and ecstasy pills. McCollum and Webster were arrested and charged for the drugs possessed. See State vs. Jaral R. McCollum, Shawano County Case No. 18CF234 (now dismissed) and State vs. Desiree A. Webster, Shawano County Case No. 18CF235. The investigation identified the scope of McCollum's drug conspiracy and the investigation continued following the arrest of McCollum and Webster.

The initial drug information received in around November 2017 indicated that a male black nicknamed "Sport" was residing on Andrews Street in Shawano and later at 218 Center Street in Shawano. McCollum a/k/a, "Sport" was reportedly engaged in the sale and delivery of many types of controlled substances in violation of the Uniformed Controlled Substance Act. The information received from numerous sources indicated that "Sport" was selling heroin, methamphetamine, cocaine, crack cocaine, ecstasy, marijuana and pain pills. "Sport" was identified as being a "pharmacy" due to the various kinds of drugs that he was selling in and around Shawano. "Sport" was residing with a female known as "Mama G" in the City of Shawano. Mama G was known to be

Johnson d.o.b. 02/19/1963 and owns/rents the residence of 218 Center Street in Shawano. Johnson, a/k/a Mama G was allowing the drug activity and facilitated drug activity at her residence in exchange for drugs and payment of bills. NOTE: The drug activity at Johnson's residence occurred within a 1000 feet of two K through 8 grade schools – St. James Lutheran School, Sacred Heart School, the St. James Lutheran Day Care Center and the Shawano Recreation Center.

Information about McCollum's ["Sports"] drug dealing came from multiple independent sources and witnesses. The following is a summary of witness information provided about McCollum's drug dealing.

In August 2017 DDIN111 provided information about a black male involved with drug dealing who was staying at 214. S. Andrews Street in Shawano. DDIN111 advised the subject's nickname was "Sport" and was selling heroin in Forest County and Shawano. The phone number provided for "Sport" was a 232-547-0578. DDIN111 also advised that Sport stays at "Mama's" house on Center Street with his girlfriend whose last name was Webster. DDIN111 advised that she purchased heroin, or "boi", from Sport for \$40 per point, or tenth of a gram, or \$60 for two points, 2/10ths of gram.

In April of 2018, the Shawano Police Department received drug information about McCollum that was provided by a witness wishing to remain anonymous. The anonymous witness reported that Falon Spiegel was addicted to drugs and obtaining drugs from a male black with the nickname "Sport" who resided on Center Street in Shawano. The witness was trying to keep Falon Spiegel off drugs and wanted law enforcement to take action with "Sport" to eliminate a source of supply of drugs for Spiegel. The anonymous witness identified other subjects involved with the drug operation of "Sport" including Andrea Hokenstad, Craig A. Johnston and Georgia L. Johnson, a/k/a Mama G.

SHAWANO INFORMANT - DDIN113 INTERVIEW SUMMARY

April 2018, a confidential informant in Shawano DDIN113 provided information about "Sport". DDIN113 provided sufficient details to identify "Sport" as Jaral McCollum. A confidential informant was developed who knew McCollum, had previous drug dealings with him and could purchase controlled substances from McCollum for law enforcement. DDIN113 conducted three controlled buys of drugs from Jaral McCollum that were detailed in individual controlled buy reports. Controlled Buy #1 was conducted on May 9, 2018 for 0.8 grams of crack cocaine and 1.4 grams of methamphetamine. Controlled Buy #2 was conducted on June 4, 2018 for 0.71 grams of crack cocaine and 1.15 grams of methamphetamine. Controlled Buy #3 was conducted on June 15, 2018 for 2.05 grams of methamphetamine. Reports of the three buy activities were completed and a signed statement was obtained from DDIN113.

JARAL MCCOLLUM, a/k/a SPORT - SCOPE OF DRUG DEALING

Investigators learned that McCollum's drug activity spanned from Shawano to Forest County and to Winnebago County and down to Milwaukee County. Det. Prey (SHSO) contacted Forest County drug investigators and learned that the Forest County Drug Investigators had an open case on McCollum. Det. Sgt. Tom Robinson of the Forest County Sheriff's Office Drug Unit advised that McCollum was a source of supply of heroin and cocaine in Forest County. Det. Sgt. Robinson advised that McCollum arrived on a controlled buy to deliver heroin to the target that Forest County was buying drugs from, meaning that McCollum was the source's source of supply for heroin. McCollum was stopped by law enforcement following that transaction and arrested. McCollum did not have drugs in his possession but did have drug paraphernalia and had a large amount of currency on his person. Forest County detectives advised that they had arrested McCollum's son,

MCCOLLUM, a/k/a SPORT - VEHICLES USED FOR DRUG DEALING

The on-going surveillance that was conducted by law enforcement on McCollum during the period of this investigation of McCollum's drug activity found that he utilized several different vehicles. The vehicles were identified as a 1997 Chevrolet Monte Carlo black in color and a 2001 Chevrolet Monte Carlo red in color. Both vehicles were registered to Falon Spiegel who resided in Shawano. Spiegel was interviewed by Det. Prey regarding the vehicles. Spiegel advised that McCollum purchased the vehicles and had Spiegel register them in her name. The reason McCollum registered the vehicle in Spiegel's name was that she had a valid driver's license. Spiegel advised that she received crack cocaine as payment for registering and keeping insurance on the vehicles.

GPS ON SPORT VEHICLES AND ARREST OF MCCOLLUM AND WEBSTER

On May 24, 2018, Investigators obtained court orders for use of covert Global Positioning System (GPS) on the vehicles utilized by McCollum. The purpose was to obtain further information for this drug investigation. The GPS was first installed on the 1997 Chevrolet Monte Carlo on May 25, 2018 that McCollum was using. McCollum was using other vehicles in addition to the vehicle with the GPS. A review of the GPS during the month deployed showed multiple trips to Milwaukee and back to Shawano. The following is summary of some of the data derived from the GPS tracking: 6/4/2018 travel to Milwaukee and returning to Shawano on 6/9/2018, 6/10/2018 travel to Milwaukee and returning to Shawano on 6/21/2018, 6/22/2018 travel to Milwaukee and returning to Shawano on 6/23/2018, 6/24/2018 travel to Milwaukee and returning to Shawano on 6/25/2018.

The vehicle with the GPS tracking device was monitored and found to travel to Milwaukee on 06/24/2018 and returned to Shawano on 06/25/2018. The vehicle was stopped by law enforcement in Shawano and found to be operated by Desiree Webster. The front passenger of the vehicle was Jaral McCollum, a/k/a Sport. McCollum was arrested for a probation violation, and Webster was detained and suspected of having drugs concealed on her person. Webster was stripped search at the Shawano County Jail and a correctional officer saw Webster insert a baggie into her vaginal area in an attempt to conceal this drug activity. Webster was transported to the hospital in Shawano and eventually consented to remove the package of drugs that she had concealed inside her vagina. The package contained 1.26 grams of marijuana, 36.67 grams of crack cocaine, 27.80 grams of synthetic marijuana, 14.72 grams of methamphetamine, 1.52 grams of Fentanyl and 6 ecstasy pills. See, State vs. Jaral R. McCollum, Shawano County Case No. 18CF234 (now dismissed) and State vs. Desiree A. Webster, Shawano County Case No. 18CF235.

DESIREE WEBSTER INTERVIEW SUMMARY

October 8, 2018, an interview of Desiree Webster (DW) was done by Det. Gamm (SHSO) and S/A Carroll (DOJ-DCI). An interview report was done by Det. Gamm. Webster was the girlfriend of McCollum from October 2017 through June 25, 2018 when they were arrested with the load of drugs mentioned above. Webster is currently in custody in the Shawano County jail for the drug possession charges with McCollum from June 25, 2018. Webster has been interviewed two times by investigators with her attorney. Webster has provided significant details of the scope of McCollum's drug business. Webster made several statements against her penal interest and has provided numerous statements that were consistent with the facts of the investigation and/or corroborated by the investigation.

Webster stated that she met McCollum through a friend in September of 2017. Webster and McCollum then started dating. Webster stated that McCollum initially told her that his name was

STATE OF WISCONSIN - VS - CHRISTINE A. HENSEL, CRAIG A. JOHNSTON, DESIREE A. WEBSTER, KYLE A COLLINS, JARAL R MCCOLLUM, GEORGIA L JOHNSON, ANDREA L HOKENSTAD, CONJETTA L. LAZZARO "Sport" and that she did not know his real name until later in the relationship. Webster was shown a picture of Jaral McCollum and identified him as "Sport". Webster learned that McCollum was a drug dealer that sold crack cocaine, powdered cocaine, and heroin. Webster stated that McCollum was open about his drug business and that Webster saw McCollum bagging up drugs at the residence. Webster lived with McCollum at Georgia Johnson's, [a/k/a Mama G.] house at 218 E Center St in Shawano. Webster stated that she was interested in being with McCollum because he was making \$4000-\$5000 a week from dealing drugs. Webster based this amount on the fact that in October of 2017 McCollum started having Webster count his money for him. Webster stated that the weekly cash she would count for McCollum would be \$2000 on the low end to \$5000 on the high end. Webster stated that McCollum had introduced her to crack cocaine, as she had not seen crack before. Webster stated that she began to use crack cocaine that she got from McCollum.

Webster stated that McCollum has many customers in Shawano that he has known for years. Webster advised that McCollum started selling Methamphetamine as there was a high demand for meth in the Shawano area. Webster told investigators that McCollum told her to stay away from crack and meth as he did not want her stealing from him. Webster told investigators McCollum and Webster had a discussion about selling drugs and that McCollum stated he was not going to stop selling drugs as he had been doing it for years and was a felon and was not able to get a real job.

Webster stated that in September 2017 McCollum and Webster went to Milwaukee. Webster stated that McCollum told Webster they were going to see his family and that he needed to "re up". Webster advised "re up" means to resupply your drug cache from your drug source(s) so you could then resell those drugs. Webster stated that McCollum purchased crack referred to as "hard", powdered cocaine, referred to as "soft", and heroin, referred to as "h". Webster stated that they brought back 23 grams of crack, 23 grams of cocaine, and 10 grams of heroin on an average trip. Webster also stated that in May of 2018 McCollum started selling "ish", which is synthetic marijuana because it was in high demand on the Menominee reservation.

Webster stated that McCollum told her to hide the drugs on her person because if they got stopped by the police that Webster would be less likely to be searched. Webster told investigators that McCollum told her to hide the drugs "in her pussy or in her bra", because McCollum needed to hide the drugs in case they got stopped. Webster stated that she would normally hide the drugs in her bra.

Webster told investigators that she made trips to Milwaukee with McCollum for drugs 2 to 3 times per week and that the amounts were always the same size, and the package of drugs was always the same. Webster stated that between January 2018 and June 2018 she made at least 50 trips to pick up drugs and that she made a minimum of 2 trips a week, but sometimes 3. Webster stated that McCollum would make her drive to and from Milwaukee on every trip. There are 25 weeks between January 1, 2018 and June 25, 2018. Webster stated that McCollum and she started using Ecstasy to stay awake to be able to sell drugs.

Webster stated that McCollum and her discussed his criminal record and the fact that McCollum is court ordered not to be in the Shawano area and that if he was caught McCollum would be going back to prison. Webster also stated that after a heroin death in Cecil, McCollum stated that he wanted to stop selling heroin because of people overdosing on it. Webster told investigators that McCollum wanted to sell more meth than heroin for this reason. Webster stated that meth was in high demand and McCollum was able to buy Meth in Milwaukee.

Webster stated that she took a picture of McCollum while he was sitting on a bed with a large amount of cash fanned out on the bed. Webster stated that she took the picture and estimated it to be about \$2000.00 in cash on the bed. Webster explained that the money was drug money.

Webster told investigators that McCollum liked to take pictures of himself with large amounts of cash.

Webster stated that in the past McCollum and her were in Crandon while McCollum was selling drugs and was subsequently arrested. Webster stated that McCollum had Webster sell drugs for him. Webster advised that people would contact her for drugs and she would get the drugs for them sourced by McCollum. Webster told investigators she would sell \$50 and \$20 bags of cocaine and synthetic marijuana, and crack, but did not sell meth or heroin for McCollum.

Webster stated that in Milwaukee McCollum would purchase drugs from friends and family members and that she did not know people in Milwaukee to buy drugs from. Webster advised that McCollum would drop her off and then pick her up and he would have drugs with him. Webster stated that McCollum would package and wrap all the drugs together and then give the package to her to hide on her person when leaving to come back to Shawano.

Webster stated that on every trip to Milwaukee with McCollum they would need \$4500 - \$5000 to buy more drugs. Webster stated that she and McCollum made about \$3000 per week profit and spent the drug money on food, clothing, etc before having to go to Milwaukee to re-supply. Webster stated that McCollum would go through an average of \$8000 per week between buying and selling drugs, and spending money on traveling to Milwaukee, clothes, and living expenses.

Webster stated that McCollum uses 2 cell phones: an iphone and a flip phone, to buy and sell drugs. One phone was an Apple iPhone with phone number 414-460-8561. The other was an LG flip phone with phone number 435-820-4672. Webster was in possession of an Apple iPhone model A1586, with IMEI number of 356978062152449, with phone number 715-280-0477.

Webster stated that on the day her and McCollum were arrested (June 25, 2018), that they were on our way back from Milwaukee and that McCollum was setting up drug deals on both his iphone and his flip phone while were driving back.

During the second interview with Webster she told investigators that of the 50 trips that McCollum and she made to Milwaukee for drugs, they didn't start bringing back Meth until March of 2018. Webster stated that between March and June of 2018 Webster and McCollum made 30 trips that included 20 grams of Meth per trip, and that they brought back more Meth than Heroin due to the higher demand for meth. Webster agreed that these 30 trips equaled 600 grams of Meth total.

Based on Webster's statements and observations regarding the 50 trips to Milwaukee for drugs that McCollum and Webster made between January 2018 and June, 2018, she calculated that the amount of drugs brought back to Shawano.

Heroin; .45 pounds (7.14 ounces) - 20 trips @ 10 grams heroin per trip equals 200 grams, which converts to 7.14 ounces, or .45 pounds.

Powdered Cocaine 2.57 pounds - 50 trips @ 23 grams per trip equals 1150 grams, which converts to 41.07 ounces, or 2.57 pounds.

Crack Cocaine 2.57 pounds - 50 trips @ 23 grams equals 1150 grams, which converts to 41.07 ounces, or 2.57 pounds.

Methamphetamine 1.34 pounds - 30 trips @ 20 grams per trip equals 600 grams, which converts to 21.42 ounces, or 1.34 pounds.

These totals do not include estimates from September, October, and November of 2017.

Webster told officers that their drug sales paid for a trip to Memphis where McCollum spent \$7000.00 over the course of the weekend. Webster stated McCollum paid for the whole trip for himself, Webster, and two of McCollum's friends.

Webster stated that McCollum would give Georgia Johnson, a/k/a "Mama-G", drugs when they would go to Milwaukee so that Johnson could sell the drugs for McCollum while we were in Milwaukee. Mama-G. let Webster and McCollum live with her, with the understanding that they paid the electric bill and McCollum would give her crack cocaine. Webster stated this allowed McCollum to have a stable place to distribute drugs from and he would not have been as successful without Mama-G's assistance. Webster stated that the neighbor from across the street, Andrea Hokenstad was over every day, six times a day to buy drugs. Webster stated that Andrea would "middle" drug purchases for McCollum and take some of the drugs she bought for someone else and keep it for herself. Webster said that Andrea Hokenstad would buy half grams to 3.5 grams (a ball) of drugs 6 times a day. Webster stated Andrea would come over to the residence and tell McCollum that she had customers that want a certain amount of drugs and Andrea would bring the money and purchase the drugs from McCollum, then take some of the drugs for herself. Webster saw Andrea get drugs from McCollum and then break off or take part of the drugs for herself as a fee for setting up the deal before the drugs were sealed for the final customer.

Webster stated that Kyle Collin's was McCollum's right hand man until Collins got arrested. Webster said that after that date McCollum did not want anything to do with Collins. Kyle would come over by McCollum and give McCollum \$500 - \$1000 dollars for the purchase of cocaine or meth from McCollum. Webster witnessed Kyle tell McCollum that Kyle was reselling the drugs that he was buying from McCollum.

Webster also identified Craig Johnston's role in McCollum's drug activity. Johnston would buy \$500 of meth from McCollum and would also buy \$100 cocaine for himself and use the drugs right at McCollum's residence. Webster was present when Craig would tell McCollum that he was reselling the drugs that be bought from him.

Webster advised that McCollum would at times deliver drugs to people, to include Craig Johnston, Kyle Collins, and an unknown white male. Webster identified Craig Johnston from a picture S/A Carroll showed her. Webster said that Craig was one of the people that talked McCollum into starting to sell meth because the demand was so high.

Webster was asked about the relationship between McCollum, Conjetta (Connie) Lazzaro, and Christine Hensel. Webster said that they were all friends before she started dating McCollum. Lazzaro didn't like Webster but Webster became friends with Christine. Webster stated she resolved her differences with Lazzaro. McCollum and Webster moved in with Lazzaro and Christine for a couple of weeks prior to moving into Mama-G's house which is two doors down from Christine. Christine would come over and buy crack and heroin from McCollum. Christine would come over to buy drugs and would get a cut of the drugs for setting up the sale, but she would never get money. Christine would resell meth she bought from McCollum but she would keep the heroin that she bought for herself. McCollum was well aware that Christine was middling drug deals for other people and the drugs that she bought from McCollum were going to other customers.

Webster summarized McCollum's operation in the following manner: McCollum would buy the drugs from Milwaukee and use Webster to hide them during transport. Once the drugs were back in Shawano they would be distributed to other people and then resold. The people under McCollum and working with McCollum included Webster, Kyle Collins, Craig Johnston, Georgia Johnson "Mama-G", Conjetta Lazzaro, Christine Hensel and Andrea Hokenstad. They would not hold onto money for

Lazzaro stated she purchased a "ball" (roughly 3.5 grams) of methamphetamine from McCollum on one occasion and two half ounces on another occasion. This would make the total weight of methamphetamine Lazzaro purchased from McCollum to be 31.5 grams. Lazzaro stated that McCollum would front her "balls" of meth to sell. McCollum would later collect \$100 from Lazzaro for the ball of meth after Lazzaro had sold it off. Lazzaro stated she also bought points (tenth gram increments) of heroin daily from McCollum. Lazzaro stated she and Christine would buy meth from McCollum for the purpose of selling it to cover the cost of the heroin. Lazzaro stated the half ounce of meth Lazzaro had received from McCollum was divided up and Hensel sold her half to Hensel's customers and Lazzaro sold her half to Lazzaro's own customers. Lazzaro did state however the half ounce received from McCollum was kept at the house and she and Christine had sold it "partner wise". When discussing Lazzaro and Hensel's customers, Lazzaro stated that "we had a lot of people, it's hard to name them all". Lazzaro stated she would at times steal from Christine's stash and give some meth to her mother, Georgia, for free. Lazzaro stated that she and Christine shared the same phone, which they would each use to buy and sell drugs. When customers would stop at the residence in person, either Lazzaro or Christine would conduct the transaction depending on who was home. Lazzaro stated that Christine would conduct a couple of meth transactions per day every day at the house. Lazzaro stated that she witnessed Hensel and McCollum conduct several hand to hand drug transactions. Lazzaro also mentioned that several times Hensel would ask Lazzaro to go over to McCollum's residence and purchase drugs on Hensel's behalf. Lazzaro estimated she had purchased a couple of grams of Meth total in 2018 from Kyle Collins. Collins charged Lazzaro \$70-\$80/gram. I then asked Lazzaro about Kyle Collin's customers that she had witnessed purchase from Collins. I asked Lazzaro about how much weight of cocaine Kyle had moved in 2018, she responded "pounds". Lazzaro stated she had not bought Heroin from Georgia since McCollum was arrested. Lazzaro stated she had bought meth from Georgia since McCollum's arrest. Lazzaro believes the meth she was buying from Georgia was supplied by Falon West and Eric Altman, who live with Georgia. Lazzaro stated she would purchase between a point and a half gram of meth from her mom each time. Georgia would charge \$15/pt because that was Falon's going rate and Lazzaro would buy a half gram of meth for \$50. Lazzaro stated she purchased meth from Georgia between 5 and 7 times since Sport's arrest. I asked Lazzaro about the business relationship between Georgia and McCollum. Lazzaro stated that if McCollum was gone Georgia would hold cash for McCollum. Georgia would distribute drugs for McCollum if McCollum was gone on a drug run. Lazzaro stated that if McCollum was gone, Georgia would keep Sport's stash of drugs on her person and distribute to customers.

Lazzaro stated Craig Johnston spends a large amount of money on cocaine and other drugs. Spiegel said that she physically saw Hokenstad buy drugs from McCollum 3 to 4 times a week and anywhere from \$50 to \$300 worth. Spiegel stated she physically saw Hokenstad buy drugs from Georgia Johnson about once a week and anywhere from \$50 to \$100 worth. Spiegel stated she physically saw Hokenstad buy drugs from Webster 1 or 2 times and it was \$50 worth. Spiegel said that Hokenstad's drug of choice is crack cocaine but she also uses meth. Spiegel stated she introduced Johnston to McCollum. Spiegel stated she physically saw Johnston buy drugs from McCollum five times and the purchases were for meth and cocaine. Spiegel stated the purchases worth \$200 to \$600. Information provided by Spiegel's interview was detailed in a report.

Andrea Hokenstad (AH)

Webster said that Hokenstad is a neighbor of Johnson's where McCollum lived or stayed and that Hokenstad came over to see McCollum every day for drugs. Hokenstad middle drug purchases between Sport and then to Hokenstad's customers. She would buy ½ gram to 3.5 grams during the daily visits each day that she came to the house. Sport told her that she could not bring drug customers over to his house. Normally Hokenstad bought drugs for cash but that she would also get some amounts of drugs fronted to her and then owe McCollum money. Hokenstad would come over and tell us that she had customers and that she wanted a certain amount of drugs, bring money and purchase the drugs, take a portion and sell the rest.

Johnson (Mama G) provided information about Hokenstad's dealings that are consistent with the information obtained from Webster. Johnson gave information that Hokenstad would middle deals between McCollum and Hokenstad's customers.

Spiegel said she was present when Hokenstad would buy drugs from McCollum three to four times per week. Typically \$50 to \$300 per week in total. Spiegel said that Hokenstad's drug of choice was cocaine but also used meth. Spiegel said that she and Hokenstad had used drugs together.

Craig Johnston provided information stating that Hokenstad lived across from McCollum and he saw Hokenstad buy crack cocaine from McCollum and Webster about between 25 and 50 times.

SMS Messaging between Webster and Hokenstad: 05/2018 through 06/2018

Conversations contain information that Hokenstad was seeking drugs from Webster and McCollum and asking Johnson (Mama G) to bring them over to her at Hokenstad's house. (Hokenstad lived across the street from Johnson and McCollum during this time).

The messages also show that Johnson was regularly running McCollum's drugs over to Hokenstad's. McCollum's flip phone has messages from Mar 2018 to Jun 2018, showing that Hokenstad would contact McCollum directly to pick up drugs while she had customers waiting for McCollum to provide the drugs to Hokenstad so that she could take her cut and then deliver to her customers.

JARAL R. MCCOLLUM CRIMINAL BACKGROUND

A criminal history was conducted as of 12/11/2018. The criminal history for Jaral R. McCollum M/B, d.o.b. 05-22-1979 shows that McCollum is a felon, has DNA on file and is disqualified from possession of firearms. McCollum's first felony offense was for Manufacture/Deliver Cocaine in November of 2008. McCollum's criminal history summary includes the following charges: 1993 – Aggravated Battery, 1997 - Resisting or Obstructing an Officer, 1998 – Armed Robbery, 1999 – Party to Robbery, 2004 – Prohibited Possession of a Firearm / Carrying a Concealed Weapon, 2004 – Felon Poss Firearm, Man/Del Cocaine, PWID Cocaine, 2006 – PWID Cocaine, 2008 – PWID Heroin / 2nd-Sub, VOP, Resisting Obstructing, 2015 – Poss. THC, Substantial Battery, 2017 – PDP (Forest County). McCollum is a Felon and during the investigation period McCollum was on probation out of Milwaukee County and one of the restrictions of his probation precluded him from being in Shawano County.

SUMMARY OF CONSPIRACY

The investigation has shown that Jaral McCollum is a career Felon drug offender who established an illegal narcotics sales and distribution operation in Shawano County from September 2017 through his arrest in Shawano County Case No. 18CF234 on June 25, 2018. That case was previously dismissed. McCollum's drug business was not limited to Shawano County. McCollum

STATE OF WISCONSIN - VS - CHRISTINE A. HENSEL, CRAIG A. JOHNSTON, DESIREE A. WEBSTER, KYLE A COLLINS, JARAL R MCCOLLUM, GEORGIA L JOHNSON, ANDREA L HOKENSTAD, CONJETTA L. LAZZARO has been documented as conducting the same activity in Winnebago County, Fond du Lac County, Milwaukee County and Forest County. McCollum was on probation from Milwaukee County during the period of November 2017 through June 2018. McCollum was under investigation in Shawano County and elsewhere in Wisconsin. McCollum was prohibited from being in Shawano County as a condition of his probation in Milwaukee County. McCollum utilized persons' residences in Shawano County to establish a base for his drug business in Shawano. These people were aware of his criminal drug activity, facilitated the drug business by providing the residence to operate from in exchange for drugs and/or money. McCollum used other persons to hold drugs for him while he was out of town, sell drugs on his behalf while he was out of town and profited from that activity. McCollum engaged in the sales of a multitude of drugs to increase his drug customer base. McCollum engaged in the sale of highly addictive drugs, i.e. heroin, Fentanyl, methamphetamine and crack cocaine. McCollum knew that the sale of highly addictive drugs would create and perpetuate drug addicted persons in Shawano County and elsewhere that would result in repeat drug customers. McCollum regularly communicated with drug customers who McCollum knew were re-sellers of the drugs and/or "midders" who would continue to bring drug customers to McCollum for a portion of the drugs as a reward. McCollum knowingly engaged in the sale and distribution of heroin and Fentanyl that have a high propensity to cause death in users. McCollum engaged in this criminal activity with impunity and purely for profit. Shawano County has seen a significant increase in the availability of crack cocaine, methamphetamine and heroin which is directly attributed to the McCollum conspiracy to traffic controlled substances in Shawano County and other counties in northeastern Wisconsin.

CO-CONSPIRATORS OF MCCOLLUM a/k/a "SPORT" DRUG CONSPIRACY

The investigation of the McCollum, a/k/a, "Sport"- drug trafficking business has identified the following people to have been integral participants in the trafficking of many types of controlled substances and detailing their specific activities in furtherance of the conspiracy which was directed and lead by McCollum:

Desiree Webster:

Desiree Webster (DW) was the girlfriend of McCollum from October 2017 to June 2018. Webster was aware of McCollum's drug dealing operation and was an integral part of the operation. McCollum utilized Webster to transport an array of drugs from Milwaukee to Shawano on a weekly basis. Webster advised that she had made 50 trips with McCollum to and from Milwaukee from January 2018 to June 25, 2018. Webster described the types and amounts of drugs. Investigators were able to develop a historical amount of drugs based on the information received from Webster and supported by the other information in the investigation. The following amounts of drugs are attributed to McCollum and Webster: Heroin 200 grams, powdered Cocaine 1150 grams, crack Cocaine 1150 grams, Methamphetamine 600 grams. Webster has cooperated by giving law enforcement a detailed account of McCollum's trafficking in a variety of controlled substances.

Georgia Johnson "Mama G":

Georgia Johnson was the owner of the house and allowed McCollum and Webster to live with her and deal drugs from her residence. Johnson received payment and other items in exchange was aware of drug the activity occurring at her residence. Johnson provided assistance to McCollum by providing him with her residence to operate his drug trafficking business. Johnson did so fully aware of McCollum's drug activity and did so for an extended period of time.

Christine Hensel & Conjetta Lazzaro:

Christine Hensel (CH) and Conjetts Lazzaro (CL) reside together in Hensel's house. Both are methamphetamine and heroin users and sellers. Hensel and Lazzaro resided two houses way from

STATE OF WISCONSIN - VS - CHRISTINE A. HENSEL, CRAIG A. JOHNSTON, DESIREE A. WEBSTER, KYLE A COLLINS, JARAL R MCCOLLUM, GEORGIA L JOHNSON, ANDREA L HOKENSTAD, CONJETTA L. LAZZARO Georgia Johnson's, a/k/a Mama G. residence where McCollum operated his drug trafficking business. Further investigation shows that Hensel and Lazarro were observed on surveillance traveling to and from Johnson's house to deal with McCollum. Messages obtained through McCollum's phone indicate that Hensel was traveling with McCollum during their drug activities. Hensel was found to be attempting to collect outstanding drug debts on McCollum's behalf. Following the arrest of McCollum and Webster on June 25, 2018, it appeared that the heroin and methamphetamine vacuum created was picked up by Christine Hensel. Hensel resides at 226 E. Center Street three houses from Johnson's and where McCollum resided. Hensel and Lazarro were documented in obtaining drugs from McCollum that were re-sold to their customers. Hensel and Lazarro also brought customers to McCollum during the time that McCollum was dealing in Shawano. Hensel was documented in a jail video call with McCollum. During the video call Hensel and McCollum discussed Hensel collecting outstanding drug debts owed to McCollum.

Craig Johnston provided information about Christine Hensel's drug activity. Johnston provided sufficient details to positively identify Christine Hensel. Johnston advised that after McCollum's arrest that Johnston began purchasing methamphetamine from Hensel. Johnston advised that he purchased a half-gram of methamphetamine from her two to three times per week from June 2018 through December 1, 2018 when Hensel was arrested again on drug related charges in Shawano. Johnston advised that Hensel charged \$100 per gram for the methamphetamine. Based on the information provided, Hensel delivered an estimated 48 to 72 times with an approximate weight of 24-36 grams.

Kyle Collins:

Kyle Collins was a regular customer of Jaral McCollum's for the purchase of controlled substances. Collins worked in cooperation with McCollum to bring McCollum drug customers. Collins would benefit from this activity by receiving drugs from McCollum as reward or payment for bringing McCollum drug customers.

Craig Johnston:

Craig Johnston was a major customer of McCollum's for powder cocaine and methamphetamine. Johnston admitted in his interview that he McCollum would front up to a half ounce of drugs at a time to Johnston and Johnston would also put down payments on drugs before McCollum would travel to Milwaukee to purchase them.

Andrea Hokenstad: Hokenstad resides across the street from Georgia Johnson. Hokenstad is a known drug addict and was sourced by McCollum. Hokenstad was known to obtain drugs from McCollum for resale to others. Hokenstad was also holding and selling drugs for McCollum when McCollum was not in the Shawano area.

COMMUNICATION DEVICE(S) ANALYSIS

McCollum was known to utilize multiple cell phones and the phone numbers of 414-252-6575, 414-460-8561 I-phone seized on traffic stop, 435-820-4672 flip phone seized on traffic stop and 480-819-8528 were identified.

The cellular devices of McCollum were seized during the search warrant and subsequently forensically downloaded and analyzed by Det. Chris Gamm of the Shawano County Sheriff's Office. Det. Gamm analyzed the communications between McCollum and list of other subjects known and unknown. Det. Gamm isolated conversations that he deemed were drug related based on his law enforcement experience. Det. Gamm compiled those conversations and provided them to S/A Carroll for further analysis and summarization for the purpose of showing the scope of McCollum's

STATE OF WISCONSIN - VS - CHRISTINE A. HENSEL, CRAIG A. JOHNSTON, DESIREE A. WEBSTER, KYLE A COLLINS, JARAL R MCCOLLUM, GEORGIA L JOHNSON, ANDREA L HOKENSTAD, CONJETTA L. LAZZARO drug trafficking activity in Shawano County. Det. Gamm prepared a report documenting his process for identifying and extracting the data from the devices. S/A Carroll reviewed the reports prepared by Detective Gamm regarding information from cell phones used by McCollum and others. S/A Carroll learned that there were conversations between McCollum and others that were deemed drug related.

S/A Carroll reviewed the messages and found that there were messages that were clearly indicative of drug sales and distribution. S/A Carroll knows that persons involved in the sale, distribution, purchasing and use of illegal drugs will use coded terminology for the types of drugs, drug qualities, drug weights and other matters relating to drug trafficking activity. The conversations and vernacular used are somewhat subjective but based on the facts of the investigation combined with investigators who maintain their knowledge of commonly used drug terms as well as general common sense it is possible to decode the messages and provide the actual intent of the conversations. Not all communications were detailed in this report. A representative sample of conversations were analyzed to document the conspiratorial criminal activity between individuals in the conspiracy.

KYLE COLLINS AND JARAL – SMS

The folder COLLINS AND JARAL SMS contained an excel file that had a summary of text message conversations between McCollum and Kyle Collins. The file contained text messages from 04/27/2018 through 05/4/2018. The conversation analyzed began with discussion about meeting up. The conversation clearly developed into references about drugs. Message line #18 – From Collins to McCollum:

“2 and a half hard grits hard candy, what u need ?” “So can i grab it now or u want me to just come with the person ? Cum wit them and wats up wit ours?”

Analysis – Collins is asking for 2.5 grams of crack cocaine and is asking McCollum how much it will cost. McCollum responds that it will cost \$250. Collins is asking McCollum if he should come with the person that Collins is middling for or if he can come before and get it fronted. McCollum advised Collins to bring the customer and then asks about money owed to McCollum from Collins. Message line #56 –

“Well if u do what needs to be done number wise i will keep u with da shit but when u go shit like 750 850 that takes out my store money and makes me have to replace it well u do what u wanna do”

Analysis – The message is from McCollum to Collins telling him that if he has the money for the drugs he will continue to source him but that if he doesn't bring him the money owed that McCollum goes to Milwaukee to resupply that he will have less money and that will limit how much drugs he can purchase and can bring back.

ANDREA HOKENSTAD AND JARAL MCCOLLUM SMS

The file contained conversations from a number of phone numbers used by Jaral McCollum and listed conversations with Andrea Hokenstad. The file contained text messages from March 2018 through June 2018. Detective Gamm advised that during the forensic acquisition of the data the system was unable to recover date/time stamps of some of the messages which prevented them from being listed in chronological order. The conversations are listed as Incoming (to the phone/device) and Outgoing (from the phone/device). The Outgoing messages do not have the date/time stamps and had to be analyzed in reference to the sequence of the conversation. The conversations extracted were analyzed

STATE OF WISCONSIN - VS - CHRISTINE A. HENSEL, CRAIG A. JOHNSTON, DESIREE A. WEBSTER, KYLE A COLLINS, JARAL R MCCOLLUM, GEORGIA L JOHNSON, ANDREA L HOKENSTAD, CONJETTA L. LAZZARO and a number of conversations are summarized below as representative to the conspiratorial activities of AH and JM:

2018-03-20 – AH to JM on 715-304-7977 asking if McCollum is going to be around to sell her drugs, AH offering to bring a vacuum cleaner to JM in exchange for \$20 in drugs and informing JM she is on her way to meet him. This message shows regular contact between AH and JM. AH was known to be an addict and purchased drugs regularly from JM. AH’s activity becomes conspiratorial when AH develops and brings drug customers to JM and “middles” drug deals between JM and other customers. AH does this to receive a portion of the drugs “cut” from the customer or “reward” from JM.

2018-06-18 – AH to JM on 715-304-7977 “Hey it's Andrea what's up with you today?”. This message shows that the user of the phone is AH contacting JM on a different number. This shows that JM is utilizing multiple cell phone numbers which is indicative of a high-level drug dealer. A drug dealer will change numbers to avoid law enforcement detection.

2018-06-18 – AH to JM on 715-304-6586 – “Hey it's Andrea what's up with you today?” and JM responding “Can ya bring it over”.

2018-04-26 – AH to JM on 715-304-7977 “Hey when you gonna be back”. This message shows that AH has information from JM about being in the area and when out of the area.

2018-06-23 –AH to JM on 715-304-7977 “I'm going to be back in shawano soon can I come grab a little when I get back”, “I actually only have 30 that's all Tracy wants give me till he's d ?”, “Can I ask you a favor will you front me a 40 and Tracy will fix ev }”, “Hey I'm coming over for a 40 and. A 20 I have cash”. AH is “middling” a drug deal between Tracy and JM.

2018-06-24 – AH to JM on 715-304-7977 “Hey I have a sale for you if you want it”. AH advising JM that AH has a drug customer for JM if JM wants the sale. AH benefits by receiving a “cut” of drugs from the customer or a “reward” of drugs from JM for bringing the drug customer.

GEORGIA JOHNSON a/k/a “MAMA G” AND JARAL MCCOLLUM SMS

The file contained conversations from a number of phone numbers used by Jaral McCollum and listed conversations with Georgia Johnson “Mama G” (GJ). The file contained text messages from April 2018 through June 2018. Detective Gamm advised that during the forensic acquisition of the data the system was unable to recover date/time stamps of some of the messages which prevented them from being listed in chronological order. The conversations are listed as Incoming (to the phone/device) and Outgoing (from the phone/device). The Outgoing messages do not have the date/time stamps and had to be analyzed in reference to the sequence of the conversation. JM is instructing GJ to provide three “lil boys” to Christine Hensel. Boy or Boi is a common term for heroin. Christine Hensel is a known heroin addict and heroin customer of JM’s. A “lil boy” would be “point” or tenth of a gram which would sell for \$40 each and total cost for three would be \$120.
