Probable Cause:

Your complainant is a City of Milwaukee law enforcement officer and bases this complaint on reports generated by the City of Milwaukee Police Department. On May 13, 2022, members of the City of Milwaukee Police Officers were in the area of North Water Street and East Juneau Avenue, Milwaukee, Wisconsin, investigating a prior shooting. Earlier in the evening, the Milwaukee Bucks played in NBA playoff game 6, an event that drew thousands of people to downtown Milwaukee. During the course of their investigation, the officers heard dozens of gunshots and observed several hundred citizens fleeing from the area. Officers saturated the area and observed several individuals discharging firearms and fleeing from the area. Officer Thomas Kotnik, Officer Derek Ertl, Officer Nesrodene Ghassoul, Officer Parker Popp, Officer Ryan Reagan, Officer Timothy Krejci, Officer Phillip Ferguson, Officer Miguel Ortega, Officer Austin Domagalski, and Sergeant James Klusmann all reported that the shooters fired shots in their direction nearly striking several of the officers. Officers responding to the area arrested Lemont Siller, Christopher Murry, and Marquis Jackson.

Officer Matthew Dresen responded to the shooting scene on North Water Street and East Juneau Avenue. Officer Dresen observed Marquise Jackson, in a grey hooded sweatshirt and jeans, ducking down near the rear driver's side of a gold Honda Accord. Mr. Jackson had his arm outstretched as if he was concealing something under the vehicle. Officer Dresen recovered a black AR pistol style firearm under the gold Honda.

On May 14, 2022, Officer Jack Kelly interviewed Lemont Siller after reading him his *Miranda* rights. Mr. Siller stated, in part, that on May 13, 2022, he was in the area of North Water Street when he observed RL DOB: 3/31/02. Mr. Siller said that he and RL had a long standing dispute. Mr. Siller stated that he observed an individual raise up a pistol and fire rounds at him. Mr. Siller stated that he ducked behind a vehicle, removed his Glock firearm, and returned fire.

On May 15, 2022, Detective John Majerle interviewed Christopher Murry after reading him his *Miranda* rights. Mr. Murry indicated that on May 13, 2022, he was in the area of North Water Street. Mr. Murry identified himself on surveillance video shown to him by Detective Majerle. Mr. Murry said that he was behind a food truck and fired his firearm, but stated that he was not shooting at people.

Detective Elizabeth Rubio reviewed surveillance video recovered from various cameras in the area of the shooting. Detective Rubio made the following observations:

On May 13, 2022, at approximately 11:00 pm, RL and two unknown individuals are standing in the street by the median on East Juneau Avenue in front of the MSOE Dormitory (see Attachment 1-Screen Shot of south facing surveillance camera displaying East Juneau Avenue). Mr. Siller and Mr. Jackson are standing on the sidewalk with six unknown individuals on the north side of East Juneau

Avenue. Mr. Siller, Mr. Jackson, and the unknown individuals move up and down East Juneau Avenue continually looking at RL. Mr. Murry is observed interacting with Mr. Siller and Mr. Jackson on East Juneau Avenue. Mr. Siller, Mr. Jackson and the unknown individuals with them eventually congregate on the north east corner of East Juneau Avenue and North Water Street. Mr. Murry walks over to Market Street and meets additional unknown individuals. Mr. Siller, Mr. Jackson and the unknown individuals are observed making phone calls while looking in the direction of RL. Mr. Siller, Mr. Jackson, and the unknown individuals with them begin to walk east bound on East Juneau Avenue. Mr. Jackson and one unknown individual stop near the front corner of a food truck parked on the north side of East Juneau Avenue. Mr. Jackson is observed with a long handgun, later determined to be an AR style firearm.

Mr. Siller and five unknown individuals walk east bound on East Juneau Avenue walking into the street and stop in front a parked black vehicle on the south side of the street. As Mr. Siller and Mr. Jackson's group is moving, Mr. Murry and the unknown individuals that he is with move west bound on East Juneau Avenue taking up positions along the north side of the parked food trucks. Mr. Siller, Mr. Jackson, Mr. Murry and the unknown individual take up positions around RL. At 11:08 pm, one of the unknown individuals with Mr. Siller pulls a handgun from his pocket while facing RL. The unknown individual backs away east bound East Juneau Avenue. After observing the unknown individual pull out the handgun, an unknown individual with RL pulls out a handgun and fires shots east bound toward the unknown subject who previously displayed the handgun. The unknown individual returns fire. Mr. Siller, Mr. Jackson, Mr. Murry and five additional unknown individuals associated with Mr. Siller, Mr. Jackson, and Mr. Murry all fire shots toward RL (see Attachment 2- Diagram of where shooters were when shots were fired). The shots that are fired by this group all travel in a west and south west direction. RL flees the area, but the group continues to fire shots. A total of 16 individuals were shot including RL. All of those individuals were positioned to the west and south west of where Mr. Siller, Mr. Jackson, Mr. Murry, and the unknown associates were shooting. Many of the victims were struck in the intersection of North Water Street and East Juneau Avenue and ran south bound (see Attachment 3- Diagram of where shooting victims were struck or ended up).

There were 16 individuals injured in the area of North Water Street and East Juneau Avenue as a result of the above described shooting. The above co-conspirators' actions of shooting at RL resulted in the natural and probable consequence of the following people suffering gunshot wounds and resulting in great bodily harm:
