SAVS: Sexual Assault Victim Services 2024 – Continuation Grant

The Wisconsin Department of Justice Office of Crime Victim Services (OCVS) provides financial and technical assistance to sexual assault victim service providers. As the State Administering Agency for state and federal criminal justice funds, OCVS is responsible for establishing funding priorities, developing application criteria, awarding, and disseminating grants, and assessing project achievements. This grant announcement provides information about a specific grant opportunity and instructions to help those eligible apply for a share of the available funds.

Program Description

Through this grant announcement, OCVS is seeking applications to provide sexual assault victim services programming. The goal of the SAVS grant is to develop, expand, enhance, and/or support comprehensive sexual assault services so they are available to victims of sexual assault regardless of where they reside in Wisconsin.

Overall SAVS funding priorities are sustaining existing services, promoting healthy agencies, and fostering the expansion of services. SAVS requires that an award recipient must offer or intend to offer all the following core services:

- **24 Hour Crisis Response**: Agency provides a telephone number with 24-hour immediate access to a person trained in providing sexual violence crisis counseling/intervention, information and referrals.

- **Personal Advocacy**: Agency addresses victim’s/survivor’s self-identified needs through an ongoing supportive process of listening, providing emotional support, identifying options, problem solving and skills development.

- **Systems Advocacy**: Agency acts on behalf of and in support of victims/survivors of sexual violence to ensure their interests are represented and their rights upheld. This includes legal and medical accompaniment/advocacy, as well as the development of cooperative relationships with community partners to improve systems response to all survivors.

- **Information and Referral**: Agency provides and maintains current information pertaining to appropriate community resources.

- **Support Groups**: Agency provides regular facilitated meetings of victims/survivors of sexual violence and/or survivor allies (e.g., family members, partners) with a supportive and educational focus.

- **Accessible Services**: Agency adheres to policies, procedures, attitudes, communications, and accessible physical space (according to ADA guidelines) for all members of the community. Agency works toward removing barriers to services through a commitment to cultural competency.

Application Components
Through Egrants, you will provide OCVS with detailed information about your project that will be used to make a funding decision. Questions on what is expected in each section can be directed to Courtney Watson, Grants Specialist at (608) 267-9340 / email: watsonca@doj.state.wi.us.

Please note: No attachments should be included in this grant application unless specifically requested in section instructions. For all attachments, please use a footer/header that includes the agency name and grant ID number on all attachment pages. Do not write in “please see attached” as a response in a section, unless instructed to do so.

1. Main Summary
   This page asks for information about your agency and the individuals responsible for the application and grant award. There are many required fields on this page so if you encounter problems, please check online help by clicking the floating HELP button. Please note: When identifying individuals involved in this grant, you may not list the same person as project director and financial officer. The financial officer is the individual responsible for financial activities in your organization while the project director will be overseeing project operations. It is suggested that a program’s Executive Director serve as Project Director, as this person is signing off on official grant documents.

   In the Brief Project Description text box, please describe your project in 150 words or less. A suggested format is included for your convenience:
“Funds will be used by the (your agency name and others involved in the project) to (describe what funds will be used for and who will be involved). The (what - project, etc.) will (describe the specific goals you hope to achieve – how will the project improve services to sexual assault victims in Wisconsin?), (add which area(s) of the state will benefit).”

2. **Approval Checklist**
   Answer “Yes” or “No” to each question.

3. **Performance Measures**
   Please open this section and change the page status to “Complete”, then SAVE the page.

4. **Budget Detail**
   Complete a project budget using the following categories. For each category used, enter a justification that describes how the items in that category will be used during the grant period. It is important that you include specific details for each budget line item, including cost calculations. Refer to the SAVS Program Guidelines for more detail regarding budget items. Round all amounts to the nearest dollar.

   **Personnel:** Provide salary information for non-contractual employees that will be funded through this grant, including overtime. List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Include information on the entire funding for a position if the position is not 100% SAVS funded. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

   **OCVS will prioritize positions that directly serve victims of sexual violence. Excessive administrative personnel costs are discouraged and are usually unallowable.**

   **A Personnel Budget Example:**
   Position: Sexual Assault Program Coordinator Name: Sally Smith
   Description of your computation: $50,000 annual salary x .40% SAVS Funded (16 hours /week) = $20,000.
   Remaining portion of position funded by: VOCA (60%) = $30,000.

   **Employee Benefits:** Employee benefits for grant-funded personnel include FICA, Unemployment Compensation, Health Insurance, etc. and amounts budgeted should be based on actual known costs or an established formula. Employee benefits are for the personnel listed in the budget and only for the percentage of time devoted to the project. Under “Briefly describe the overall use of funds for this budget category” include benefits that are included agency-wide and the percentage of the salary.
Example: FICA 6.2% Medicare 1.45%. Unemployment Insurance 1.46%, and Workers Comp 0.38%. Total=9.5%

For each employee list position title and name (the same as listed under Personnel). Beneath that, under “Description of your computation,” show the annual salary multiplied by the percentage funded by SAVS multiplied by the benefits percentage.

Example: Annual Salary: $50,000 x 50% SAVS = $25,000 x 9.5% = $2,375

Staff Development: Provide the total amount of SAVS funding to be used for staff development. To be used for staff providing core sexual assault victim services, supervisors, and administrative staff supporting the sexual assault victim service program. SAVS funds may also be used to train volunteers and non-SAVS funded staff to attend sexual assault related training. Out of state training is allowed ONLY if comparable training is not available in Wisconsin. Prior approval must be obtained for out-of-state trainings. Include registration fees and travel expenses (mileage, meals, lodging, etc.) for staff development in this category. Provide the name(s) or positions of the staff attending conferences or training. List the type of training sought.

Current State rates for instate travel currently include:
- Mileage: $0.51/mile
- Lodging: maximum $90/night ($95/night for Milwaukee, Waukesha, or Racine County)
- Meals: $9/breakfast (leaving before 6 a.m.); $11/lunch (leaving before 10:30 a.m. and returning after 2:30 p.m.); $21/dinner (returning after 7 p.m.)

Describe position title, name of employee and travel expense.

Travel: Funds (excluding travel for training purposes which should be budgeted under staff development) allocated for travel must relate to the provision of sexual assault victim services (direct victim services; community awareness, outreach, and education; CCR/SART meetings; networking meetings; etc.). SAVS funds may be used to reimburse mileage - $0.51/mile, purchase gas cards, taxi vouchers, bus tokens, etc. for staff/volunteers providing the core sexual assault victim services and victims seeking sexual assault services.

Equipment: SAVS funds may be used to purchase equipment for sexual assault victim services. Equipment should be prorated to the award recipient’s sexual assault victim services program. Equipment should be tangible non-expendable property having a useful life of one year or more.
**Supplies and Operating Expenses:** SAVS funds may pay for supplies and operating expenses that are actual, reasonable, and necessary expenditures required to provide core sexual assault services. This may include consumables such as paper, postage, liability insurance, general office supplies, telephone and internet expenses, etc. This also includes operating expenses such as rent and utilities. Show computation for all items.

*Example: Rent: $150/month x 12 months = $1,800.*

Agency membership dues for organizations that offer needed relevant information on sexual assault such as Wisconsin Coalition Against Sexual Assault (WCASA) are allowable expenses under the SAVS grant program.

**Consultants/Contractual:** Provide costs associated with individuals or entities providing services through a contractual agreement. Examples of allowable SAVS contractual services are an audit, bookkeeping, and translation/interpretation services. The name of the contracting agency or individual and purpose of the contract must be included in this section. Except for a few justified sole source situations, contracts should be awarded via competitive processes. Attach detailed information to support the total cost of each contract. For each consultant enter the name, if known; service to be provided; hourly or daily fee (8-hour day); and estimated time on the project.

*Consultant fees more than $650 per day or $81.25 per hour day require additional justification (contact DOJ). List all expenses to be paid from the grant to the individual consultation in addition to their fees (e.g., travel, lodging, meals, etc.). Show basis of computation for each service requested.*

Within 30 days of grant award date, a signed contract must be received by DOJ. No fund approvals or reimbursements will be made prior to receipt of the contract.

**Indirect Costs:** This may include allowable prorated indirect/administrative costs. A description of the indirect/administrative costs is required.

**Other Expenses:** Itemize SAVS-eligible expenses not included in any other budget category.

**Other Financial-Emergency Funds to Victims**

These protocols and procedures should clearly describe internal controls that ensure proper safe storage, tracking, inventory, and distribution.

3. Grant recipient has an agreement with vendor or speaker detailing costs and services to be provided (not to exceed federal or state rates).
