Holly- Do you have another topic in mind? I think questions about reforming the juvenile corrections system are better for the Secretary of the Department of Corrections or Governor Walker.

Thank you!

Hi Johnny,

Would AG Schimel be available to skype on Wednesday to discuss the juvenile prison system/what changes need to be made/where do we go next to address the problems?

Thanks,
Holly

That's totally understandable. Thanks for getting back to me so quickly. I'll try and find something for next week and I'll be in touch.

Thanks!

Hi, Holly- Unfortunately, the AG has to leave after the conclusion of the event at the middle school so he is home in time for an event tomorrow night. Skype interview next week?
