Dear Kevin,

We look forward to welcoming you to the 2017 Summit on Religious Liberty. We are pleased to offer access to a mobile app which provides you with up-to-date information of Summit activities right on your mobile device. Some of the features of the app are listed below.

APP FEATURES

- **Schedules:** including a full schedule, track schedules, and a customized My Schedule
- **My Schedule:** A pre-loaded schedule of your sessions and activities
- **Speaker Biographies**
- **Activity Feed** will keep you informed of current event activities and announcements
- View & save **session documents**
- Provide feedback in session **surveys**
- **Connect** with other attendees, speakers and staff
- View ADF **Videos**
- Quick access to **Summit information** in the virtual **ADF information booth**
- Receive important updates via push notifications and messages
- And much more!

APP Download Instructions:

- 1: For optimal speed, enable your WiFi connection.
- 2: In your app store search for "**2017 ADF Summit**" or "**ADF Summit**" in your app store or open the link into your device's browser <https://adfsummit2017.quickmobile.mobi>
3. Install and download the app. Once installation completes, open the app.
4. Select **"Allow"** when prompted: **"Summit 2017 would like to send you notifications."** This is one of the primary ways we will communicate with you throughout the week. Click **"OK"** to Get New Event Info. This may take a few minutes to retrieve all event data.
5. **Click Ok** when you receive the Success message.

6. You will be prompted to enter in your **login credentials as shown here:**

UserName: [REDACTED]
Password: [REDACTED] *(case sensitive)*

Begin exploring the app! Press the refresh icon in the app to periodically update app data so you can capture updates as they occur.

If you have any questions about the App or its functionality when you arrive at the Summit, please visit the ADF information booth and ask for Shelly Baker and she'd be happy to assist you.

Not on iOS or Android? The mobile web version can be accessed on any device that has internet connection and a browser. To access the Mobile Web page, go to:
<https://adfsummit2017.quickmobile.mobi> and click Access WebApp.

Special Note About Guests accessing the App:

Spouses registered with an email address will receive an email with their login credentials. If an email address was not provided, please visit the ADF information booth at the event to get set-up with login credentials.

We will see you at the Summit!
