NO CRIMINAL LIABILITY FOR OFFICER INVOLVED
SHOOTING OF MICHAEL SCHUMACHER
ON 6-30-2016

After briefings by investigators from the Medical Examiner’s Office, an inspection of the scene shortly after the incident, a review of summary reports, diagrams, and other evidence, the Dane County District Attorney’s Office concluded Tuesday, October 18, 2016, that there is no potential criminal court liability for the Madison Police Department (MAPD) officer involved in the shooting of Michael Schumacher on June 30, 2016.

“In this incident, the officer was faced with a subject who had broken into a residence, armed himself with a pitchfork, and was not responding to commands as he advanced upon the officer,” said Dane County District Attorney Ismael Ozanne. “Responding to that threat with deadly force is permitted under the law.”

Officers responded to multiple 911 calls indicating a disturbance at 1303 Morrison Street in Madison. The initial information from dispatch indicated a man who was swimming in Lake Monona had exited the water and thrown a rock through a window at 1303 Morrison Street. The man entered the home through the broken window. Dispatch updated officers that the subject was inside the home and breaking things. Dispatch advised the subject had armed himself with what was believed to be a shovel.

The first officer to arrive at 1303 Morrison Street indicated he was looking for the address and saw a crowd of about 10 people as he turned from Baldwin Street onto Morrison Street. Some people were waving frantically and others were pointing. The officer parked his squad parallel to and in front of 1303 Morrison Street, not knowing the address of the residence. A man approached the officer, indicating he was the homeowner. The homeowner was asked for and gave permission for the officer to enter the residence at 1303 Morrison Street.

The officer approached the front door, which was closed. The officer opened the door, which was unlocked, and stood to the left of the door frame. The officer indicated he
did not see anyone and did not hear anything. The officer made the decision to stay outside at the threshold and not enter the residence, waiting for other patrol units to arrive. He was armed with his department issued rifle and handgun and dressed in full military style uniform. The officer announced his presence, stating in a loud voice, “police department, show yourself” two times. The officer heard a response of loud profanity, which was repeated in unison with very loud footsteps. The officer indicated he could hear the profanity and footsteps getting closer, but could not see the subject.

The officer indicated that immediately adjacent to the front doorway, there was an interior half wall to the right of the front entrance. The officer stated he saw a pitchfork rising up above the half wall, being carried vertically. The officer stated that from the time he first saw the pitchfork until the subject was standing in front of him with it was incredibly fast. The subject was now holding the pitchfork raised up and level like a spear would be held. The officer took a step back from the door frame and began to back away from the door in an attempt to create distance between them. The subject appeared very angry and was yelling. The officer stated the subject came at him very quickly, as if he was taking the first steps of a sprint. The officer stated, “police, don’t move” two to three times.

The officer stated the pitchfork seemed very close to the muzzle of his rifle as the subject approached. The officer stated he feared for his safety and felt the pitchfork was an edged weapon that could cause him great bodily harm and even kill him. The officer decided to defend himself by firing his rifle at the subject in an attempt to stop the threat. Mr. Schumacher was hit by two rounds; one in the upper right thigh/groin area and the other left upper chest. He also received a fragment wound to the right upper arm. Officers rendered aid and EMS was requested. Mr. Schumacher was transported to the hospital, where he was pronounced dead after life saving measures were attempted.

Once Mr. Schumacher was identified and his family was notified, they confirmed that Mr. Schumacher had a history of mental illness. This fact is mentioned not because it factored into this decision, as law enforcement did not know Mr. Schumacher’s identity at the time of the incident. Therefore this information would not have been factored into the officer’s decision to use deadly force. MAPD was aware of Mr. Schumacher’s mental health issues, as evidenced by two officer safety bulletins that had been issued earlier this year.

I mention this fact with the consent of the Schumacher family. I mention it as I believe we must endeavor to do more to work with and support individuals with mental health issues and their families in an effort to keep them stable and connected to services in the community. This may mean more resources devoted to medication delivery and observed medication doses to ensure individuals are taking their prescriptions as prescribed. This may allow for more frequent contact to be able to know sooner if someone may be decompensating before their behavior causes an interaction with law enforcement that results in the use of deadly force.
I mention this because this is the 15th Officer Involved Shooting (OIS) which I have had to make a decision in over the past 6 years. In these OIS incidents, mental health issues have been present in far too many of them. This is a fact we cannot ignore if we hope to learn from each incident to hopefully prevent the loss of other lives.

MAPD has taken a number of proactive steps to better equip their agency to interact with individuals with mental health issues in a proactive versus reactive manner. MAPD has trained and dedicated five officers to a mental health unit. MAPD is also working with a crisis worker, who is embedded with patrol officers on three shifts a week. These services need to be expanded, as well as allowing other law enforcement agencies throughout the county to access embedded crisis workers to help with individuals who are presenting with mental health issues. I believe an expansion of crisis workers embedded with law enforcement can better equip law enforcement to handle situations that arise with mental health issues in a way that connects individuals to treatment and potentially keeps them out of the criminal justice system at the earliest possible point.

Relevant evidence includes statements of witnesses, officers at the scene, Medical Examiner’s findings, and squad video, which are consistent with each other.

Under Wisconsin law, which applies equally to members of law enforcement and to those who are not, any person may use deadly force to respond to a genuine fear of deadly force to that person or any other person. In this case, the officer was compelled to use deadly force when confronted by a person armed with a pitch fork that was not complying with commands and advancing on him.

***

The role of the District Attorney’s Office in a case of this type is limited to a review of the facts to determine whether further investigation is merited and, after all available evidence is obtained, whether criminal charges could be merited for any individual who has survived the incident. Police executives and supervisors have the exclusive responsibility of establishing appropriate training and protocols for use in response to crisis events, and of selecting from among the tactical options available to police in responding to particular events.

Now with the passage of Wis. Stat. 175.47 (Act 348) there is also a question of compliance with said statute. This investigation was conducted by the Department of Justice’s Division of Criminal Investigation (DCI) and is in compliance with the statute. In the case of a death caused by an officer, the statute requires that at least two investigators from outside agencies or agencies not involved in the critical incident / Officer Involved Shooting (OIS) lead the investigation:

(3) (a) Each policy under sub. (2) must require an investigation conducted by at least two investigators, one of whom is the lead investigator and neither of whom is
employed by a law enforcement agency that employs a law enforcement officer involved in the officer-involved death.

This investigation was conducted in compliance with the statute. The determination by this office that no criminal liability is possible is clearly warranted based on the consistent evidence that has been assembled since the incident and during this ongoing investigation.

Narrative begins on the following page.
On Tuesday, October 18, 2016, Dane County District Attorney Ismael Ozanne released his decision in this investigation that no criminal charges were warranted from this incident. Subsequent to this decision being released, SA Lisa A. Wilson asked DA Ozanne if it was permissible to return to the Madison Police Department items collected during this course of this investigation that belonged to MPD and/or its officer(s). DA Ozanne gave permission to do so, and on Wednesday, October 19, 2016, SA Wilson obtained from DCI Madison Evidence Custodian Donna Showers, items belonging to MPD and/or its officer(s). SA Wilson signed for these items showing she took custody of them to return to MPD. SA Wilson took custody of the items and directly brought them to her vehicle. SA Wilson then went directly from DCI-HQ to MPD - North District and met with MPD Detective Kevin Linsmeier. Det. Linsmeier and SA Wilson compared the items returned to the items listed on the DCI receipts and verified all items listed items were present. At 2:31pm, Det. Linsmeier signed for the items to show his taking custody of them from SA Wilson. SA Wilson has electronically attached the DCI forms showing her taking custody of the items from Evidence Custodian Showers and the DCI forms showing SA Wilson transferring custody of the items to Det. Linsmeier. The original signed forms were provided to the DCI-Records main case file.

Narrative begins on the following page.
On Friday, November 4, 2016, SAC Lisa A. Wilson spoke with [Redacted] regarding the return of his son's property (Michael W. Schumacher). SAC Wilson made [Redacted] aware of what property of Michael's that DCI had in its custody. SAC Wilson specifically brought to [Redacted] attention, the biohazardous condition of Michael's clothing that was collected at autopsy, and asked [Redacted] if he wanted Michael's clothing. [Redacted] said he did not and advised that Michael's clothing could be destroyed. SAC Wilson and [Redacted] agreed to be in contact the following week to finalize an appointment to return Michael's property.

On Monday, November 7, 2016, SAC Wilson obtained from Evidence Custodian Donna Showers, the items belonging to Michael that were scheduled to be returned to [Redacted]. SAC Wilson accessed item 16-3971/32.5, described on the barcode label as "contents from front right pocket of jeans" for the purpose of assessing its condition as it relates to biohazard. SAC Wilson noted various items including a rock, rolling papers, a crush cigarette package, a one-hitter that looked like a cigarette, a lighter, an orange key chain with 4 keys, and US currency (paper bills and change), all of which appeared to have dried blood on them. SAC Wilson contacted [Redacted] to inform him of the condition of these items and to ask what his preference was for final disposition. [Redacted] said he would accept the currency and declined the other items. SAC Wilson separated the currency and the keys from the other items in this package and kept the original property receipt and barcode with these two items (16-3971/32.5). SAC Wilson counted the US currency in item 16-3971/32.5 as $14.99 (1 $10.00 bill, 2 $1.00 bills, 11 $0.25 quarters, 4 $0.10 dimes, 4 $0.05 nickels, and 14 $0.01 pennies). SAC Wilson placed this currency and the key chain with 4 keys into a new paper bag, sealed this bag shut with evidence tape, and placed property label 16-3971/32.5 on this. SAC Wilson repackaged the other items originally inventoried under 16-3971/32.5 and arranged for their return to the evidence room under this report number (16-3971/81.1).

On November 7, 2016, SAC Jesse Crowe signed out to SAC Wilson the items belonging to Michael that could be returned to [Redacted]. SAC Wilson placed these into a temporary evidence locker for overnight secure storage at DCI-Madison. On Tuesday, November 8, 2016, SAC Wilson obtained these items from the secured evidence locker and transported them to Eau Claire, where SAC Wilson had other DCI-related work. These items remained in SAC Wilson's secure custody until Wednesday morning, November 9, 2016, when SAC Wilson went to the DCI Eau Claire office and secured them into an evidence locker there for temporary storage with SA David Kleinhaus.

On Thursday, November 10, 2016, SAC Wilson went to the DCI Eau Claire office, and with the assistance of SA Joseph Welsch, obtained the items from their secure temporary storage locker. SAC Wilson made arrangements with [Redacted] to meet him in Tomah, WI, to transfer these items to him, and SAC Wilson then drove from the DCI Eau Claire office to Tomah, WI.

SAC Wilson met with [Redacted] and transferred the items to him. SAC Wilson had [Redacted] sign the change of custody forms to show transference of the items to him. [Redacted]
said he did not want copies of the forms at this time and SAC Wilson advised him they would be available for him at DCI should he change his mind.

SAC Wilson electronically attached the DCI Property forms to this report and placed the signed originals to the DCI-Records main case file.

During the evening on Thursday, June 30, 2016, the Division of Criminal Investigation (DCI) received a request from the Madison Police Department (MPD) to investigate an officer involved shooting (OIS) incident. The OIS incident occurred at 1303 Morrison Street in the city of Madison. During the OIS incident, Madison Police Officer Hector Rivera utilized deadly force against MICHAEL W. SCHUMACHER who died as a result of gunshot wounds he suffered.

On Tuesday, October 18, 2016, Dane County District Attorney Ismael Ozanne released his decision that no criminal charges were warranted in this investigation.

On Thursday, November 17, 2016, shortly after 11:00 AM, Special Agent (S/A) James Holmes obtained the following evidentiary item from the Wisconsin Crime Laboratory - Milwaukee for transfer to DCI's property room, and subsequent transfer to the Madison Police Department on the same date:

- Crime Lab Item #Y - One heat-sealed plastic bag containing item with stain(s) described as a garden fork with a paper bag (Agency Item #16-3971/1.14)

The Wisconsin Crime Laboratory's 'Evidence Release-Return' form documenting the aforementioned transfer of evidence will be attached to this report and included in DCI's main case file of this investigation.

On November 17, 2016, Acting DCI Evidence Technician Katelynn Updike transferred the aforementioned evidence item from DCI to S/A Holmes. S/A Holmes signed the transmittal form, which will be included in DCI's main case file of this investigation and attached to this report.

**TRANSFER EVIDENCE ITEM - GARDEN FORK - TO THE MADISON POLICE DEPARTMENT**

On November 17, 2016, at approximately 2:48 PM, S/A Holmes met with Madison Police Detective Kevin Linsmeier at the Madison Police Department's North District Office, at which time S/A Holmes transferred the heat-sealed plastic bag containing garden fork to Detective Linsmeier for the Madison Police Department's permanent possession.

Madison Police Detective Kevin Linsmeier signed the DCI 'Property Release / Disposal Receipt' indicating receipt of the aforementioned items. The DCI 'Property Release / Disposal Receipt' will be attached to this report and included in DCI's main case file of this investigation.

Narrative begins on the following page.
On Thursday, June 30, 2016, at 9:45 pm, the Madison Police Department (MPD) contacted the Wisconsin Department of Justice, Division of Criminal Investigation (DCI) and requested that DCI investigate an officer involved shooting incident that had occurred at 1303 Morrison Street, Madison, WI. MPD officers had responded to the area of 1303 Morrison Street for a complaint of a suspect breaking into a residence. At some point during the response, one officer encountered the suspect and used deadly force with a firearm. EMS personnel transported the suspect to UW-Hospital for trauma care related to injuries from a firearm; however, the suspect died at the hospital. The MPD officer involved was identified as Hector Rivera and the suspect-decedent was identified as Michael W. Schumacher.

Dane County District Attorney Ismael Ozanne determined that Officer Rivera's actions were justified in this incident. Subsequently, Officer Rivera's items were returned to him, Michael's personal property was turned over to his father T[redacted] S[redacted] (with the exception of some items that T[redacted] declined taking), and the remaining evidentiary items were turned over to MPD.

SAC Lisa A. Wilson, the lead agent of this investigation, requests that this case be closed as no further investigative activities are anticipated.
