## **SYNOPSIS**

On 05/18/2020, the Caledonia Police Department (CAPD) attempted the execution of an Internet Crimes Against Children (ICAC) search warrant at 4305 Erie Street, Village of Caledonia, Racine County, Wisconsin.

During the background investigation and surveillance for the search warrant, the CAPD received information that the subject of the search warrant, Nathan L. Davis, was known to have numerous firearms in his residence. Based on that information, the CAPD decided to have Davis exit the residence and walk to the parking lot prior to informing him of the search warrant.

When CAPD officers and Davis arrived at his vehicle, which was located in the parking lot of his apartment complex, officers attempted to take Davis into custody. Davis became combative and separated himself from the officer. Davis was able to draw a handgun from his waistband and shot himself in the head. Officers on scene attempted live-saving measures and Davis was transported to the Wheaton Franciscan Medical Center in Racine, Wisconsin, where he died from his injuries.

On 05/18/2020, the CAPD contacted the Wisconsin Department of Justice – Division of Criminal Investigation (WI DOJ-DCI) and requested assistance with the investigation into the death of Davis. On 05/18/2020, at approximately 10:00 a.m., Special Agent in Charge (SAC) David R. Klabunde contacted Special Agent (S/A) Courtney R. Bauer and requested her response to the scene. Shortly after the initial request, S/A Bauer requested S/A Matthew R. Anderson assist with the management, documentation, and processing of the scene. This report shall serve to document the activities associated with the management, documentation, and processing of the scene.

## **SCENE CONTROL/SECURITY**

Control and security of the scene was maintained through the constant presence of the CAPD from the time of the incident until the conclusion of the scene examination on 02/07/2019 at approximately 2:08 p.m.

On 05/18/2020, at approximately 11:30, shortly after S/A Bauer's arrival on scene, S/A Bauer met with CAPD officers and detectives on scene. At that time, an adequate perimeter had already been established. S/A Bauer spoke with a CAPD officer who stated one of the detectives had started a scene entry log within the parking lot. Later in the investigation, S/A Anderson spoke with a CAPD officer who stated he would continue the scene entry log, as the initiating detective had moved to the interior of the apartment building.

At the conclusion of the crime scene examination, S/A Bauer obtained a photograph of the scene entry log from the secondary officer. That image was preserved within the scene photographs and electronically submitted to DCIR.

### **SCENE EXAMINATION**

On 05/18/2020, S/A Bauer and S/A Anderson conducted the documentation and processing of the scene. The scene documentation and processing occurred from 05/18/2020 at approximately 11:30 a.m. to approximately 2:04 p.m.

**Wisconsin Division of Criminal Investigation Case Report**  
**Case/Report Number: 20-3776/1**

Prior to arrival on scene, S/A Bauer had received information that two WI DOJ-DCI special agents, S/A Ann M.J. Sheridan and S/A Neil J. McGrath, were assigned to the hospital to which the decedent had been transported. S/A Bauer spoke with S/A Sheridan about evidentiary photographs at the hospital, and informed her, with the approval of SAC Klabunde, S/A Anderson would respond to the hospital for photographs.

On 05/18/2020, at approximately 11:21 a.m., S/A Bauer arrived on scene. S/A Bauer met with SAC Klabunde, S/A Anderson, and S/A Scott D. Marlock, as well as CAPD officers and detectives. S/A Bauer received a briefing from SAC Klabunde and the CAPD detectives regarding the events surrounding the incident and the current status of the investigation.

S/A Bauer spoke with SAC Klabunde regarding the photographs at the hospital and he approved S/A Anderson's response to the hospital for the photographs. S/A Anderson left the scene and went to the hospital.

On 05/18/2020, at approximately 11:30, S/A Bauer spoke with a CAPD officer who stated one of the detectives had started a scene entry log within the parking lot. Later in the investigation, S/A Anderson spoke with a CAPD officer who stated he would continue the scene entry log, as the initiating detective had moved to the interior of the apartment building.

At approximately 11:35 a.m., S/A Bauer conducted an initial scene walk-through, which consisted of walking around the perimeter of the scene at the northcentral portion of the parking lot. While conducting the initial scene walk-through, S/A Bauer observed plastic evidence flags that had been placed within the scene prior to her arrival.

Shortly after the initial scene walk-through, S/A Bauer received a phone call from S/A Anderson who stated he would be returning to the scene to assist with the scene examination, as S/A McGrath had taken photographs at the hospital. S/A McGrath took thirty-seven photographs of the decedent and electronically submitted the photographs to DCIR. For further information regarding the photographs, see S/A McGrath's report (DCI 20-3776/4).

Det. Thomas approached S/A Bauer and informed her that he had photographs of the scene prior to the removal of the decedent. S/A Bauer viewed the scene photographs with Det. Thomas and was able to observe the body positioning, as well as the location of a firearm on scene, prior to her arrival.

S/A Bauer was informed the CAPD was going to execute their initial search warrant within the decedent's apartment. S/A Bauer allowed the execution of that warrant concurrent to the scene examination, as the incident did not occur near the decedent's apartment.

S/A Bauer was informed by SAC Klabunde that there was approved legal access to the scene for the scene examination. S/A Bauer commenced the scene documentation via photography.

2010 Chevrolet Cobalt

S/A Bauer conducted an examination of the exterior of the 2010 Chevrolet Cobalt, beginning at the rear of the vehicle and moving around the vehicle in a clockwise motion. S/A Bauer did not observe any items of evidentiary value related to the vehicle. S/A Bauer did not observe any related exterior damage to the Chevrolet Cobalt.

2003 Honda CR-V

S/A Bauer conducted an examination of the exterior of the 2005 Honda CR-V, beginning at the rear of the vehicle and moving around the vehicle in a clockwise motion. S/A Bauer observed two sunglass lenses on the ground in the area of the front driver's side quarter panel and the sunglass frames on the roof of the vehicle, above the front passenger's side door. S/A Bauer also observed a fired cartridge case on the ground near the front passenger's side door. The exterior of the vehicle exhibited significant dents on the rear passenger's side quarter panel. S/A Bauer was unable to determine if the dents were a result of the incident or if they had been visible prior to the incident.

S/A Bauer noted the vehicle doors were locked. Later during the scene examination, S/A Bauer and S/A Anderson were provided with a set of keys located during CAPD's execution of their search warrant. S/A Bauer attempted every key on the set of keys in the front driver's side door locking mechanism, unsuccessfully. Near the end of the scene examination, S/A Bauer and S/A Anderson were provided with a vehicle key located during CAPD's execution of their search warrant. S/A Anderson utilized the vehicle key in the front driver's side door locking mechanism and opened the doors. S/A Bauer photographed the interior of the vehicle, but did not manipulate any of the items within the vehicle, nor did she or S/A Anderson conduct a physical search of the vehicle. After the photographs were obtained, S/A Bauer locked the vehicle and turned the vehicle key over to CAPD.

2017 Ford F-150

S/A Bauer conducted an examination of the exterior of the 2017 Ford F-150, beginning at the rear of the vehicle and moving around the vehicle in a clockwise motion. S/A Bauer did not observe any items of evidentiary value related to the vehicle. S/A Bauer did not observe any related exterior damage to the Ford F-150.

Northcentral Pavement – Parking Lot

S/A Bauer began the examination of the northcentral pavement west of the scene. S/A Bauer observed a tiny piece of red plastic west of the scene, but could not determine a source. Later in the scene examination, S/A Bauer located another tiny piece of red plastic east of the law enforcement vehicle.

**Wisconsin Division of Criminal Investigation Case Report**  
**Case/Report Number: 20-3776/1**

S/A Bauer observed a large red stain, resembling blood on the pavement south of the civilian vehicles and north of the law enforcement vehicle. Two swabs of that substance were collected as evidence (20-3776/1.1).

In the northeast corner of the stain, S/A Bauer observed a blue baseball cap, upside down, lying on the ground. S/A Bauer observed the inner band of the hat to read "FLEXFIT" and the back of the hat had "Cold Blood" embroidered in white at its base. S/A Bauer turned the hat over and observed the front of the hat had the letters "AFMC" embroidered in red. The baseball hat was collected as evidence (20-3776/1.2).

North of the baseball hat and west of the rear driver's side tire of the Honda CR-V, S/A Bauer observed a leather wallet, lip balm, and e-cigarette on the pavement. S/A Bauer examined each of the items, noting various items within the wallet. The wallet was blue leather with the words "Cold Blooded" on the front in white. Inside the wallet, one interior pocket had the letters "RWBF" in red, white, and blue and the other pocket had the letters "AFMC", also in red, white, and blue. Inside the pockets were numerous cards, to include [REDACTED] a Wisconsin Driver's License. Both of which were assigned to Nathan L. Davis. S/A Bauer also observed two one-dollar bills in the wallet. S/A Bauer removed the items from the wallet and photographed them. While removing the items, S/A Bauer also identified a folded piece of paper as a Certificate of Release or Discharge from Active Duty from the United States Military and a Wisconsin Certificate of Vehicle Registration for a motorcycle (VIN 1HD1GHV1X5K310649). After the wallet contents were photographed, S/A Bauer returned the contents to the wallet and collected the wallet, its contents, the lip balm, and the e-cigarette as evidence (20-3776/1.3).

Further north, on the ground between the Chevrolet Cobalt and the Honda CR-V, S/A Bauer observed two sunglass lenses. The lenses were located between the passenger's side front tire of the Chevrolet Cobalt and the driver's side front tire of the Honda CR-V. S/A Bauer examined both lenses for damage, finding none. The lenses were collected as evidence (20-3776/1.4).

S/A Bauer moved to the passenger side of the Honda CR-V and observed a black pair of sunglass frames, upside down, on the roof of the Honda CR-V (*see Figure 3*). S/A Bauer examined the frames and observed "i-gogs" imprinted on the left endpiece. The sunglass frames were collected as evidence (20-3776/1.5).

On the ground near the passenger's side front door, S/A Bauer observed a fired .380 cartridge case. The fired cartridge case bore the head stamp "HORNADY .380 AUTO" and was collected as evidence (20-3776/1.6).

S/A Bauer continued the scene examination by photographing the interior of the apartment complex at 4305 Erie Street. S/A Bauer did not see any evidence of a struggle in the hallways leading to the exterior of the building from the decedent's apartment. S/A Bauer also photographed and examined the decedent's apartment door, noting nothing of evidentiary value.

**Wisconsin Division of Criminal Investigation Case Report**  
**Case/Report Number: 20-3776/1**

Schuster's law enforcement vehicle from the time he recovered them until they were turned over to S/A Bauer. S/A Bauer removed the handgun, magazine, and unfired cartridge from the evidence bag for photographs on scene. S/A Bauer returned the items to the evidence bag and upon the conclusion of the scene examination, transported the items to the WI DOJ-DCI Milwaukee Field Office where they were repackaged in a cardboard box and sealed. The handgun and accessories were subsequently identified as property item 20-3776/1.7.

Property items 20-3776/1.1 to 20-3776/1.5 were packaged at the scene and remained in the exclusive custody of S/A Bauer until they were secured in evidence at the WI DOJ-DCI Milwaukee Field Office on 05/28/2020, at approximately 11:23 a.m. Property item 20-3776/1.6 was also packaged at the scene and remained in the exclusive custody of S/A Bauer until 05/27/2020, when S/A Tijerino submitted it to the Wisconsin State Crime Lab (WSCL) at the request of SAC Klabunde.

Property items 20-3776/1.8 to 20-3776/1.14 were transferred to S/A Bauer by S/A McGrath on 05/19/2020 at approximately 12:00 p.m. The property items had been in the custody of CAPD from 05/18/2020 until they were transferred to S/A McGrath during the morning hours of 05/19/2020. Property items 20-3776/1.8 and 20-3776/1.9 had been packaged in paper evidence bags and sealed and labeled by CAPD. S/A Bauer resealed and relabeled those items as evidence for the WI DOJ-DCI. Property items 20-3776/1.10 to 20-3776/1.12 had been packaged in paper evidence bags by CAPD. S/A Bauer examined the items then sealed and labeled the evidence bags. S/A Bauer reviewed the files from property items 20-3776/1.13 and 20-3776/1.14 and submitted the files to DCIR. The original items, a USB drive and compact disc, were packaged, sealed, and labeled as evidence. Property items 20-3776/1.9 to 20-3776/1.14 remained in the exclusive custody of S/A Bauer until they were secured in evidence at the WI DOJ-DCI Milwaukee Field Office on 05/28/2020, at approximately 11:23 a.m.

On 05/26/2020, at approximately 1:54 p.m., S/A Bauer removed the set of keys on the lanyard (20-3776/1.8) from its evidence packaging, at the request Racine County District Attorney (DA) Patricia Hanson. DA Hanson had contacted S/A Tijerino on 05/26/2020 at approximately 7:44 a.m., stating the vehicle key from the lanyard should be returned to the family members of the decedent. S/A Bauer removed the vehicle key from the lanyard and turned it over to S/A Tijerino at approximately 1:55 p.m. S/A Bauer resealed the rest of the keys and lanyard at approximately 1:58 p.m. After the item was resealed, property item 20-3776/1.8 remained in the exclusive custody of S/A Bauer until they were secured in evidence at the WI DOJ-DCI Milwaukee Field Office on 05/28/2020, at approximately 11:23 a.m.

### **SCENE DOCUMENTATION**

The scene was documented through photography by S/A Bauer. S/A Bauer captured 120 photographs, which were electronically submitted to DCIR.

**Wisconsin Division of Criminal Investigation Case Report**  
**Case/Report Number: 20-3776/1**

Photographs of the decedent were captured through photography by S/A McGrath. For further information regarding that documentation, refer to S/A McGrath's report (20-3776/4).

CAPD obtained scene photographs prior to the arrival of S/A Bauer. Those photographs were memorialized on a USB drive and compact disc, turned over to S/A Bauer, and subsequently placed into evidence. On May 18, 2020 at approximately 1:03 p.m. SAs Todd Higgins and Luke Hepp conducted an interview of Caledonia Police Officer Branden Kerr regarding the apparent suicide of Nathaniel L. Davis (W/M, [REDACTED]). The interview took place in a conference room at the Caledonia Police Department, 6900 Nicholson Road, Caledonia, WI.

Officer Kerr advised he has been employed as a police officer with the Caledonia Police Department (CAPD) since March 2015. Prior to that, Officer Kerr was a Military Police Officer for the United States Army for approximately 7 years and a Correctional Officer at the Racine County Jail for approximately 9 months. Officer Kerr is currently assigned to [REDACTED] shift at CAPD which runs from [REDACTED].

Officer Kerr said that on the date of this incident, May 18, 2020 he was assigned in squad #208. In the morning, Officer Kerr and others responded to the parking lot of St. Mesrob Armenian Church, 4605 Erie Street, Caledonia, WI for a warrant briefing. Officer Kerr was made aware that a search warrant was going to be executed at an apartment at 4305 Erie Street, Caledonia, WI. Officer Kerr said investigators obtained information that the target of the search warrant, Davis, was suspected to be armed. Therefore, for the safety of officers and of Davis, CAPD Sergeant Rager and Officer Sides planned to attempt a ruse to get Davis out of his apartment and taken into custody prior to the execution of the search warrant.

While at St. Mesrob, Officer Kerr heard over the police radio that Sergeant Rager and/or Officer Sides had voice contact with Davis and that Davis was expected to exit the building soon. Prior to Davis exiting the building however, Officers Kerr and Gelden were dispatched to a report of a suicide on the west side of town.

Officer Kerr advised that he and Officer Gelden began to respond in an emergency fashion to this call regarding a suicide. After traveling approximately 1.5-2 miles, however, Officer Kerr heard who he believed was Sergeant Rager state over the radio, "Shots fired." Officers Kerr and Gelden conducted a U-turn and responded directly to the apartments at 4305 Erie Street. Officer Kerr said that upon his arrival other officers were already putting up crime scene tape.

Officers Kerr, Gelden, and Friesema were directed to clear and secure Davis' apartment. Officer Kerr advised they did so and found the apartment to be unoccupied. Officer Kerr returned outside and saw that paramedics from the Caledonia Fire Department were on scene attending to Davis.

Officer Kerr then accompanied Sergeant Rager back to the Caledonia Police Department and then to the Fire Department so Sergeant Rager could be seen by paramedics due to Sergeant Rager's complaint of ringing in his ears caused by the gunshot Davis fired. This ended Officer Kerr's involvement in the incident.

05/06/2020**NARRATIVE**

On Thursday May 7, 2020 I, Officer Christopher Schuster, was asked by Caledonia Police Detective Lakentric Thomas to assist him with this case and conduct some follow up on it.

I went to the Concorde Apartment Complex, located at 4200 North Main Street in the Village of Caledonia and met with Apartment Property Manager Paige Redlin. I introduced myself to Redlin and explained that the Caledonia Police Department was conducting an investigation that included Davis. I explained that I could not tell her the nature of the investigation, because the investigation is on going and that might compromise the investigation. I asked Redlin if she could verify that Davis resides in the apartment complex, and she stated that he does. Redlin stated that Davis resides in apartment 538 and also rents a garage at the complex which is number as 178.

I asked Redlin, if I could look at Davis' lease agreement, and she stated that I could. Redlin provided me with a folder, and inside the folder I observed a lease agreement for Davis. On the lease agreement there is no mention of any children residing with Davis. In addition to this I observed that Davis owns and parks a black 2005 Volkswagen with Wisconsin Plate: [REDACTED] Davis also lists his email address as: [REDACTED] Davis has his employer as: Uline in Kenosha. The address for Davis employer is: 12355 Uline Way Kenosha, WI 1-800-295-5510. Davis' supervisor is: Ryan Walter. It is unknown what shift he works. In looking at the lease I was able to identify Davis' bank account as a Chase Bank with number: [REDACTED] Davis also lists himself as a US Army Veteran.

I asked Redlin if the apartment complex has received any complaints from Davis or about Davis and she stated that they have not, and that he usually keeps to himself. Redlin also told me that she did not believe there were any children living inside the apartment with Davis. I thanked Redlin for her information and told her that we would contact her if we needed any thing else.

I then located Davis' apartment. The Concord Apartment Complex is made up of several multi apartment buildings, and Davis' Apartment is located at 4305 Erie Street in the Village of Caledonia. This apartment building is on the northeastern section of the property and the most northeastern apartment building on the complex. Davis apartment building is shaped like a "U" and his apartment, 538, is located on the second of the most eastern part of the "U". The apartment faces west and towards the center courtyard. The apartment complex is accessible from multiple doors. The apartment itself is accessible by one door off the main second floor hallway. The apartment has a balcony that faces west into the courtyard.

I relayed all this information to Det. Thomas.

I traveled to the Uline Properties, and drove around the two complexes in Kenosha, WI. I did not observe any of the vehicles that are identified as Davis' on the property. I then traveled to [REDACTED] in the Village of Mount Pleasant, in an attempt to speak to B. Davis.

As I approached the residence I noticed that one of the vehicles that is identified as N. Davis' was in the driveway. The residence is a duplex with two separate residences. I knocked on the door [REDACTED] and there was no answer. I noted that all the shades were drawn in the residence. I then knocked on the door of the residence next to [REDACTED] and the door was answered by an elderly couple. I introduced myself to them and explained that I was looking to speak with B. Davis. They explained that she resides at [REDACTED] and was currently home.

While I was talking to the elderly couple the door to [REDACTED] opened and the individual who opened the door was identified as: B. Davis. It should be noted that B. Davis wishes to remain anonymous and is terrified of retribution by N. Davis. I introduced myself to B. Davis and explained that I was investigating a Hit and Run accident that involved N. Davis. B. Davis told me that she and N. Davis are currently divorced and that she is the only one that drives the vehicle in the driveway.

I asked B. Davis if I could enter her residence to speak to her in private and she allowed me to do so, by opening the door further. Once inside the residence, I explained that I was investigating a road rage incident/ hit and run accident. I asked B. Davis if I could sit on the couch across from her and she allowed me to do so. [REDACTED]

[REDACTED] B. Davis explained that N. Davis is bi-polar and prescribed medications for that disorder. B. Davis did not know if N. Davis was currently taking the medications due to the fact that she has not had contact with him since January 2020.

B. Davis continued to tell me that N. Davis would physically harm her [REDACTED]

[REDACTED] B. Davis stated that she had a daughter from a previous marriage. I asked B. Davis if N. Davis ever abused her daughter and she stated, "No, he just yelled at her and was demeaning towards her." [REDACTED]

[REDACTED] B. Davis told me that she thought that was odd since her daughter was a teenager and should have her own space. [REDACTED]

I explained to B. Davis that I would be arresting N. Davis and I would seize his phone as evidence, so as to not tip him off to the information that she has provided me. I provided B. Davis with my business number and told her to contact it and leave a message when she observes, N. drive by her house. I also told B. Davis that I would be arresting N. **Case/Report Number: 20-3776/6 Interview of CAPD PO Robert Sides - Re: NATHAN LEE DAVIS**

On Monday, May 18, 2020, at approximately 10:00 AM, Special Agent Ricardo Tijerino was notified of an Officer Involved Death (OID) investigation in Caledonia, Wisconsin. The notification was initiated by Special Agent in Charge (SAC) Christina McNichol. While enroute to Caledonia, Wisconsin, SAC David Klabunde requested SA Tijerino respond to the Caledonia Police Department (CAPD) located at 6900 Nicholson Road, Caledonia, Wisconsin, to assist in the investigation efforts.

On Monday, May 18, 2020, at approximately 10:45 AM, SA Tijerino arrived at CAPD. SA Tijerino was briefed of the circumstances regarding the OID.

On Monday, May 18, 2020, at approximately 12:07 PM, SA Tijerino conducted the interview of CAPD Robert W. Sides, [REDACTED]. This interview took place within the CAPD. Also present for the interview was SA Todd Higgins. Also present was Caledonia Police Officer Union Attorney Robert Webber.

SA's Tijerino and Higgins introduced themselves to Officer Sides and displayed their WI DOJ-DCI credentials for identification purposes. They also provided Officer Sides with business cards.

At this time S/A Tijerino informed Officer Sides that he had the option of having the interview recorded and he agreed to have the interview recorded after consulting with his union Attorney: Robert Webber.

S/A Tijerino then clarified with Officer Sides that this interview was voluntary and asked Officer Sides if he had been compelled to provide a statement. Officer Sides stated that he had not been compelled or ordered to provide a statement to DCI and was voluntarily cooperating with DCI.

Officer Sides stated that he has been an Officer with the Caledonia Police Department for approximately twenty six (26) years more specifically since November 1994. Officer Sides stated that during his approximate 26 years with the Caledonia PD he has served as a Field Training Officer, an Instructor for Vehicle Contacts, part of the Domestic Violence Team, Evidence Technician, Traffic Investigator and he is also responsible for the Vehicle Fleet and Management.

Officer Sides stated that he was informed by Lt. Laehr at approximately 6:00 AM on 05-18-2020 that they would be conducting a Search Warrant at 4305 Erie Street, Unit # 538, Caledonia, WI. Officer Sides further stated that Lt. Laehr informed him that the target of the Search Warrant was a NATHAN LEE DAVIS, W/M, DOB: [REDACTED]

Officer Sides stated that he was informed that the lead Detective in this investigation was Detective Lakendric Thomas. Officer Sides further stated that during the briefing he was informed that DAVIS had no criminal history but was known to possess multiple firearms.

**Case/Report Number: 20-3776/6 Interview of CAPD PO Robert Sides - Re: NATHAN LEE DAVIS**

Officer Sides stated that they came up with a ruse to safely get DAVIS out of the apartment [REDACTED]  
[REDACTED] Sgt. Rager would place him under arrest when he came out of the apartment [REDACTED].

Officer Sides informed S/A's Tijerino and Higgins that he had worked the First Shift on Monday, May 18, 2020. Officer Sides indicated that he was working from 6:00 AM until 2:00 PM.

Officer Sides advised S/A's Tijerino and Higgins that he did not consume any alcohol on the evening of Sunday, May 17, 2020. He went to sleep at approximately 10:00 PM and later woke up at approximately 4:30 AM as he has to be at work by 6:00 AM. Officer Sides stated that he arrived at CAPD at approximately 5:45 AM.

Officer Sides stated that throughout the investigation, various members of the CAPD had been checking for DAVIS and his vehicle which he described as a Green Honda CRV Wisconsin Registration Plate [REDACTED] Officer Sides stated that earlier that morning Officer Jonathan Friesema had located DAVIS's vehicle at 4305 Erie Street, Caledonia, Wisconsin.

Officer Sides stated that during the background investigation of DAVIS, Detective Schuster had interviewed the ex-wife of DAVIS. Officer Sides stated that during that interview they were informed that DAVIS was fascinated with child porn, owned multiple firearms and had some motorcycle gang ties / affiliations. [REDACTED]  
[REDACTED]

Officer Sides stated that they came up with a ruse to get DAVIS out of the house so they could take him into custody without incident [REDACTED]  
[REDACTED] Officer Sides further stated that the plan was that once DAVIS was outside of his apartment they could take him into custody.

Officer Sides stated that the plan was that he, along with Sgt. Rager would be making contact with DAVIS and they would be arresting him.

Officer Sides stated that once they arrived on the parking lot of the Concord apartments located at 4305 Erie Street, Caledonia, Wisconsin. Officer Sides stated that once they were at DAVIS's vestibule they had their dispatcher place a phone call to DAVIS in order to get DAVIS to exit his apartment and go to the parking lot area. Officer Sides stated that DAVIS never answered that phone after two (2) attempts.

Officer Sides stated that he then rang the doorbell for Apt# 538 and he then verbally interacted with a male voice via an intercom whom he believed to be DAVIS. Officer Sides asked the male subject if he was NATHAN DAVIS and the subject stated; YES. Officer Sides stated that he then informed DAVIS that he was from the Caledonia Police Department [REDACTED]  
[REDACTED]

**Wisconsin Division of Criminal Investigation Case Report**

**Case/Report Number: 20-3776/6 Interview of CAPD PO Robert Sides - Re: NATHAN LEE DAVIS**

[REDACTED] Officer Sides stated that he (DAVIS) replied that he would be out shortly.

Officer Sides used a diagram of the parking lot and apartment buildings to show the location where they made their initial doorbell (verbal) contact with DAVIS. Officer Sides affixed his signature, date, and time to this diagram.

Officer Sides stated that they both initially walked back towards DAVIS's vehicle but after what he believed to be five (5) minutes he decided to go back to the doorbell to contact DAVIS again to find out if he was coming down to meet them. Officer Sides stated that Sgt. Rager stayed by the car as he walked back to the doorbell.

Officer Sides stated that as he was about to ring the doorbell for Apartment #538 he heard Sgt. Rager talk to a subject and state: "are you Nathan?" Officer Sides stated that he then observed a subject later positively identified as DAVIS exit from a west side entry / exit door for the apartment building. Officer Sides stated that he was able to positively identify DAVIS as he walked towards his vehicle. Officer Sides described DAVIS as wearing a dark colored jacket, dark colored pants and a baseball cap.

Officer Sides stated that DAVIS walked west towards his parked Green Honda CRV. Officer Sides stated that as DAVIS was approaching his vehicle he was greeted by Sgt. Rager. Officer Sides stated that he could see DAVIS moving at a fast pace towards his vehicle.

Officer Sides stated that he was approximately ten (10) to twenty (2) yards away from the vehicle so he started to walk towards the vehicle so he could back up Sgt. Rager.

Officer Sides stated that he walked towards DAVIS and Sgt. Rager at a faster than normal pace but that was not running as he did not want to alarm DAVIS and give up the ruse. Officer Sides further stated that he then saw Sgt. Rager move towards DAVIS as he arrived at the vehicle. Officer Sides stated that he believed that Sgt. Rager was attempting to take DAVIS into custody at that moment.

Officer Sides stated that he observed what he thought was resistance from DAVIS as he appeared to pull away from Sgt Rager so he started to run towards them when he suddenly heard what he believed to be a gun shot and DAVIS fell to the ground at which time he saw Sgt. Rager back up and draw his weapon.

Officer Sides stated that when he arrived at the scene he joined Sgt. Rager who was tactically positioned at the rear of DAVIS's vehicle with his handgun drawn out and pointed towards DAVIS who lay on the ground.

Officer Sides stated that he could see DAVIS's body laying on the ground, facing away from them and he had his left hand concealed under his body. Officer Sides stated that Sgt. Rager shouted

**Case/Report Number: 20-3776/6 Interview of CAPD PO Robert Sides - Re: NATHAN LEE DAVIS**

out numerous verbal commands towards DAVIS as they both had their guns drawn and pointed at him (DAVIS).

Officer Sides stated that he radioed dispatch and informed them that shots were fired and after a few seconds he approached DAVIS while Sgt Rager maintained cover.

Officer Sides stated that he put his weapon away and approached DAVIS and handcuffed him and rolled him from his face (front side) onto his backside. Officer Sides stated that he observed that DAVIS had sustained a gunshot wound to his head area and there was a dark colored small caliber semi-automatic in the area that Davis had previously concealed with his body. [REDACTED]

Officer Sides stated that he conducted a medical assessment of DAVIS [REDACTED] [REDACTED] Officer Sides stated that he asked for Medical services immediately after he checked him (DAVIS).

Officer Sides stated that he observed a dark colored small caliber semi automatic handgun near DAVIS's body. Officer Sides further stated that the aforementioned handgun was photographed by Detective Thomas and was then collected by Detective Schuster.

Officer Sides stated that he then checked Sgt. Rager to make sure he was OK and then he waited until a supervisor and EMS arrived.

Officer Sides stated that a short time later he was told to go back to CAPD and wait.

S/A Tijerino asked Officer Sides if he had any questions for the case agents or if he had anything else to add to his statement. Officer Sides stated that he did not have any questions and he had nothing else to add to his statement.

S/A Tijerino terminated this interview at approximately 12:37 PM.

S/A Tijerino attempted to place the aforementioned audio recording of Officer Sides's interview into evidence but due to a technical difficulty the recording device did not record the interview.

S/A Tijerino placed the diagram used in this interview into evidence as part of this report: 20-3776/6.1.

Officer Sides stated that he was conducting a search of DAVIS prior to EMS arriving on scene and he recalled removing a Vape Pen and chap stick from DAVIS's right pants pocket and then a cell phone from his left pants pocket. Officer Sides further stated that he also located a set of keys from the left pocket of his jacket. Officer Sides stated that he did not find any other weapons on DAVIS' person.

S/A Tijerino asked B [REDACTED]. DAVIS to please expand on some of his past statements. At that time B [REDACTED]. DAVIS stated that her ex-husband had some mental issues and he had actually attempted to commit suicide a few years earlier. B [REDACTED]. DAVIS stated that her husband had lots of guns and he had anger issues.

S/A Tijerino advised B [REDACTED] DAVIS that he was aware that she had given Detective Schuster a statement earlier on some of the things that her ex-husband had done to her but he would not ask her to go through that again. B [REDACTED]. DAVIS stated that everything that she told Detective Schuster earlier was true and she appreciated not having to talk about it again.

S/A Tijerino asked B [REDACTED]. DAVIS if her ex-husband had any other relatives that should be contacted. B [REDACTED]. DAVIS stated that she was only aware of him having two (2) living relatives:

B [REDACTED] DAVIS stated that she did not have the contact information for either one of them but she was pretty certain that they both still lived in those locations.

I was waiting at St. Mesrob Armenian Apostolic Church located at 4605 Erie St, with Lt. Erin Laehr, Detective Christopher Schuster, Officer Branden Kerr, and Officer Andrew Gelden. We were staging at this location waiting for Sergeant Richard Rager and Officer Robert Sides to make contact with the suspect, Nathan L. Davis. I was monitoring radio traffic on

Channel 2 when I heard Sgt Rager advise the suspect was coming out of the apartment complex. Shortly after that transmission, I heard Officer Sides advise "Shot's Fired, Shot's Fired". I immediately responded to the parking lot of Concord Apartment Complex.

Upon my arrival, I observed a white male on the ground with an obvious wound to his head. I parked my unmarked squad on the north east section of the parking lot and assisted Sgt Rager with setting up a perimeter using yellow crime scene tape. When this was completed, I started taking photographs of the scene.

My new assignment was to accompany the suspect, Nathan Davis, to the hospital. Officer Jonathan Friesema and I followed the rescue squad to Ascension Hospital, located at 3801 Spring St, in the City of Racine. Prior to entering the hospital, I utilized personal protective equipment. All life saving efforts were unsuccessful. Dr. Gary Swart pronounced Nathan Davis deceased at 9:32 am. The Medical Examiner's Office was contacted, and Deputy Medical Examiner Randy Scheef responded to the hospital. While at the hospital, I took photographs of Nathan Davis' head wound. I did not take scaled photographs because I knew an autopsy would be performed. During an examination conducted by medical personnel they noted an entrance wound on the right side of Nathan Davis' head behind the top of his right ear.

At the hospital I was met by Special Agent Ann Sheridan, from the Department of Justice. I briefed her on the details of the incident. In regards to the suspects clothing, she asked that it be transported to the Caledonia Police Department where it could be dried, and picked up later by an agent. Officer Chad Zoltak responded to the hospital where he took custody of the clothing. I advised Special Agent Sheridan I had taken photographs at the scene, and at the hospital. She asked for the photographs. I advised her I would respond to the Caledonia Police Department and download the photographs. I turned over a flash drive containing the photographs to Special Agent Shannon Jones who was at the police department upon my arrival.

On Tuesday, 05-19-2020, I turned over the suspects clothing, house keys, and vehicle keys to Special Agent Neil McGrath who had responded to the Caledonia Police Department to pick up those items.

**Case/Report Number:**

On Monday, May 18, 2020 at approximately 10:00am, Wisconsin Department of Justice-Division of Criminal Investigation (DCI) Special Agent (SA) Scott Marlock was notified of an Officer Involved Death (OID) investigation in Caledonia, WI. SA Marlock was instructed by Special Agent in Charge (SAC) Christina McNichol to respond to the scene of the incident located at 4305 Erie St, Caledonia, WI. At approximately 11:00am, SA Marlock arrived on-scene. SA Marlock was later instructed by SAC David Klabunde to conduct an interview of Detective Christopher Schuster who was at the scene.

On Monday, May 18, 2020, at approximately 12:30pm., SA Marlock interviewed Caledonia Police Department (CAPD) Detective Christopher Schuster at 4305 Erie St, Apartment #538, Caledonia, WI. At the time of the interview Detective Schuster was involved in the search of Nathan Davis' apartment (unit #538) with other Caledonia Police Department officers who were executing a search warrant. SA Marlock asked Detective Schuster if he was willing to talk to SA Marlock about the incident involving Nathan Davis. Detective Schuster agreed to provide a statement to SA Marlock. On Wednesday, May 20, 2020 at approximately 3:30pm, SA Marlock spoke with Det. Schuster over the phone with several follow-up questions regarding his shift hours and squad number on May 18, 2020 which Det. Schuster answered.

Detective Schuster worked as a police officer with CAPD for approximately four years before he was promoted to the rank of Detective two weeks ago. Prior to working for the CAPD, Detective Schuster worked as an investigator for UW-Milwaukee for 11 years.

Since his promotion to Detective, Schuster has been working different shifts but will eventually be assigned the [REDACTED]. On Monday, May 18, 2020, Detective Schuster was assigned to squad #203 working from 8:00am to 4:00pm.

Detective Schuster stated that last week he spoke with Nathan Davis' ex-wife, who he identified as B [REDACTED] Davis. Detective Schuster was assisting Detective Lakentric Thomas with an investigation into Nathan Davis. Detective Schuster received information from B [REDACTED] Davis relative to Nathan [REDACTED]. B [REDACTED] further advised Detective Schuster of child pornography contained on Nathan's phone and numerous firearms he possesses. Detective Schuster filed a report detailing his interview with B [REDACTED] Davis.

Detective Schuster stated that this morning (05/18/2020) at approximately 7:45am, Detective Thomas briefed the search warrant for Nathan Davis' apartment located at 4305 Erie St, Apartment #538, Caledonia, WI. During the briefing, it was determined that based on information Detective Schuster received from B [REDACTED] Davis regarding Nathan Davis owning several firearms, they would attempt to draw Nathan Davis out of his apartment before executing the search warrant [REDACTED].

**Wisconsin Division of Criminal Investigation Case Report**  
**Case/Report Number:**

██████████. During the briefing, Sgt. Rager stated he would go to Nathan Davis' door to conduct the ruse with Officer Sides since they were both in police uniform.

After the briefing at the Caledonia Police Department, Detective Schuster proceeded to the Saint Mesrob church parking lot located at 4605 Erie St, with Lt. Erin Laehr to stage while Sgt. Rager and Officer Sides attempted to conduct the ruse to draw Nathan Davis out of his apartment. Lt. Laehr was the passenger in Detective Schuster's vehicle. Detective Schuster stated Officer Kerr – Squad 208, Officer Gelden – Squad 217 and Detective Melissa Stardy were also staged in the St. Mesrob parking lot, all in separate squads. Sgt. Rager and Officer Sides were originally at the staging location at the St Mesrob lot and left to proceed to Davis' apartment.

Detective Schuster stated that a short time after Sgt. Rager and Officer Sides left, he believes Officer Sides broadcast over the police radio that they made contact and he was coming out (referring to Nathan Davis). At about that time, Officer Kerr and Officer Gelden left the staging area to respond to a suicide by gunshot in the Caddy Vista area of Caledonia. Detective Schuster related that approximately two minutes after Officers Kerr and Gelden departed, he heard Officer Sides broadcast "Shots fired!"

Detective Schuster responded to the apartments (4305 Erie St) with Lt. Laehr and observed Detective Stardy had also left the staging area. While enroute to the apartment, Detective Schuster heard Officer Sides again broadcast shots fired and was requesting medical for one gunshot to the head.

As Detective Schuster pulled into the parking lot of 4305 Erie St, he observed Squad 216 (pick up truck) parked at an angle in the lot with Officer Rager and Officer Sides next to a subject lying on the ground (later determined to be Nathan Davis). He stated Davis was lying on his back on the driver's side of a Honda CRV with his head facing south (towards Squad 216 vehicle) and his arms behind his back. ██████████

██████████ Detective Schuster exited his squad and checked to make sure everyone was okay. Detective Schuster stated he then went to recover the gun which he observed lying on the ground next to Davis' right thigh area. Detective Schuster further advised that Detective Thomas was photographing the scene at the time and took photos of Detective Schuster recovering the firearm. Detective Schuster stated that once he picked up the gun, he observed scratches next to the serial number. Detective Schuster removed the magazine (which he believed was loaded with 6 unfired cartridges) from the firearm then ejected an additional round. Detective Schuster documented the firearm to be a Ruger LCP semi-automatic pistol with serial number 380256506. Detective Schuster placed the firearm, magazine and ejected round into a paper bag and secured it in his squad. Detective Schuster estimated that minutes later, EMS responded to the scene.

Detective Schuster later accompanied Detective Lakentric Thomas and conducted a canvas of the area. Detective Schuster will file a report with the results of the canvas.

On Monday, May 18, 2020, at approximately 11:40am., SA Marlock interviewed Caledonia Police Department (CAPD) Detective Lakentric Thomas at 4305 Erie St, Caledonia, WI. The interview occurred in the parking lot of the apartment complex next to Detective Thomas' squad. SA Marlock introduced himself to Detective Thomas and asked if he was willing to talk to SA Marlock about the incident involving Nathan Davis. Detective Thomas agreed to provide a statement to SA Marlock. During the interview, Detective Davis received a request by phone to respond to Davis' apartment (unit #538) to assist with the execution of the search warrant.

On Thursday, May 21, 2020 at approximately 9:45am, SA Marlock spoke with Detective Thomas over the phone with several follow-up questions regarding his shift hours and squad number on May 18, 2020 which Detective Thomas answered.

Detective Thomas has worked for the CAPD for approximately 14 years and was promoted to the rank of Detective at the end of 2016. Detective Thomas' regular shift is [REDACTED]. On Monday, May 18, 2020, Detective Thomas was assigned to squad #204 working his [REDACTED].

Detective Thomas stated that last week he drafted a search warrant for Nathan Davis' apartment located at 4305 Erie St, Apartment #538, Caledonia, WI based on a child pornography investigation into Davis. Detective Thomas also drafted an Operational Plan (Ops plan) for the warrant with Sgt. Rager. Detective Thomas had received further information about Nathan Davis from Detective Christopher Schuster after Schuster interviewed Davis' ex-wife. Detective Thomas received information that Davis owned firearms and kept one by his night stand and others in a safe. Furthermore, that Davis was a member of the One Percenter's motorcycle club and had violent tendencies.

[REDACTED]

Detective Thomas stated that based on the above information he received about Davis, a decision was made to attempt a ruse to bring Davis out of his apartment prior to executing the warrant. [REDACTED]

**Wisconsin Division of Criminal Investigation Case Report**  
**Case/Report Number: 20-3776/16 Interview of CAPD Detective Lakentric Thomas**

Detective Thomas stated prior to Sgt. Rager and Officer Sides arriving to the apartment complex today (5/18/2020), he staged in the west parking lot of 4305 Erie Street. Detective Thomas parked his squad facing northbound on the west side of a row of bushes just south of the northwest entrance. Detective Thomas indicated to SA Marlock where his squad was staged. It should be noted Detective Thomas indicated an area in the northwest parking lot of the complex. His vehicle would have been parked on a portion of the lot to the west side of a row of tall bushes which are located on the west side of the parking lot, just south of the northwest entrance to the lot. Detective Thomas stated he did not have a line of sight of where the incident with Davis occurred as it was blocked by the bushes. Detective Thomas was aware that Officer Friesma staged his squad directly east of his location between the bushes and a row of garages to the east.

Detective Thomas stated that after staging in the lot, he observed Sgt. Rager and Officer Sides drove into the parking lot through the northwest entrance. Detective Thomas stated he was not sure of the time that occurred but estimated it to be approximately 8:45am. A short time after receiving information that Sgt Rager and Officer Sides had made contact with Davis over the intercom, Detective Thomas heard the sound of what he believed to be a gunshot from far away. Detective Thomas then heard Sgt. Rager broadcast "Shots fired, shots fired!" Detective Thomas stated after hearing the "shots fired" broadcast, he drove his squad around the bushes and pulled up behind Sgt. Rager's squad (pick-up truck). Detective Thomas observed that Officer Friesma was pulling up at the same time he was. Detective Thomas observed Sgt. Rager standing in front of his squad (which was parked at an angle facing northeast in the lot) with his gun pointed at Nathan Davis. Detective Thomas stated Davis was lying on his stomach with his head facing south towards Sgt. Rager's squad and his feet facing north between two vehicles (on the driver's side of a Honda CRV belonging to Davis). Davis was already handcuffed behind his back. Detective Thomas retrieved a digital camera from his squad and began taking photos of the scene. Detective Thomas could not remember where Officer Sides was standing at the time he pulled onto the scene but did recall Officer Sides moving Davis to [REDACTED] check for scene safety. When Davis was moved, Detective Thomas observed a gun lying on the ground (Ruger pistol) which would originally have been underneath Davis' left thigh before he was rolled over. Detective Thomas stated EMS rescue was requested but he could not remember exactly when.

Detective Thomas stated that shortly after he drove onto the scene he observed Detective Schuster and Lt. Laehr - who were originally staged at a church lot to the north of the apartment complex, arrive on scene. Detective Thomas noted that Sgt. Rager's squad and the other vehicles next to the location where Davis was lying, were parked in the same location at the time of our interview as when he originally arrived on scene.

**Wisconsin Division of Criminal Investigation Case Report**  
**Case/Report Number: 20-3776/16 Interview of CAPD Detective Lakentric Thomas**

While taking photos, EMS arrived on the scene and tended to Davis. Detective Thomas stated the photos he took included EMS with Davis. Detective Thomas was aware that sometime after Lt. Laehr responded to the scene, she instructed Officer Kerr to accompany Officer Sides to the CAPD.

After Davis was taken to the hospital by EMS and the scene was secured, Detective Thomas accompanied Detective Schuster and conducted a canvas of the area. A report with the results of the canvas will be filed at a later time.

Detective Thomas had no further information regarding the incident and the interview was concluded.

Sgt Rager indicated he completed his weapons qualifications (firearm) in the fall of 2019. Sgt Rager stated he passed the qualifications.

Sgt Rager informed SA Jones and SA Hepp that he had worked the First Shift on Monday, May 18, 2020. He indicated he was working 6:00 am till 2:00 pm. He noted that he would be transitioned to the [REDACTED] starting Wednesday, May 20, 2020, for Police Sergeant Training. Sgt Rager stated he had previously worked with Racine Metro Drug Unit from October 2016 till April 2020. He stated he was transferred back to patrol because of the COVID-19 pandemic and the promotion to Police Sergeant.

Sgt Rager indicated on the evening of Sunday, May 17, 2020, he did not consume any alcoholic beverages. He went to sleep at approximately 9:00 pm. He later awoke on the morning of Monday, May 18, 2020, at approximately 4:30 am. He then prepared for work. Sgt Rager stated he arrived at work at approximately 5:45 am for a 6:00 am start time.

Sgt Rager informed SA Jones and SA Hepp that he had been working a special assignment for the past couple of weeks [REDACTED]. He added how he later assisted Detective Lakentric Thomas with the pre-plan operations regarding an Internet Crimes Against Children (ICAC) suspect investigation. The subject (suspect) was identified as being Nathan Lee Davis (W/M, [REDACTED]).

Sgt Rager noted that due to the special assignment, he did not attend a roll call and he used Squad Car 213 (2013 Maroon 4 Dr Ford Explorer bearing Wisconsin Registration Plates 151-AAA).

Sgt Rager stated that throughout the investigation, CAPD personnel had been checking for Davis and his vehicle (Green Honda CRV Wisconsin Registration Plate [REDACTED] at Davis' last known place of residence, 4305 Erie Street, Caledonia, Wisconsin. On the morning of Monday, May 18, 2020, Patrol Officer (PO) Jonathan Friesema located the Green Honda CRV parked in the lot of the apartment complex at 4305 Erie Street, Caledonia, Wisconsin.

Sgt Rager indicated that during the background check of Davis, they interviewed the ex-wife of Davis. At that time, they were informed that Davis was fascinated with child porn, had

motorcycle gang ties / affiliations, and owned firearms. [REDACTED]

Sgt Rager stated that based upon the sightings of Davis' vehicle in the parking lot, he and other CAPD personnel began to brainstorm a plan for taking Davis into custody without incident. This was conducted with the assistance of Detective Melissa Stardy, Detective Christopher Schuster, and Detective Lakentric Thomas. [REDACTED]

As a part of this plan, Sgt Rager indicated he and Patrol Officer (PO) Robert Sides would go to entry / exit door of the Concord Apartments and attempt to get Davis to exit. The plan also called for everyone else staging at locations nearby, until Davis had exited the apartment building and was approached / arrested.

Sgt Rager informed SA Jones and SA Hepp that upon their arrival, he and PO Sides approached the front entry / exit door of the Concord Apartments (4305 Erie Street, Caledonia, Wisconsin). Once at the front entry / exit door, Sgt Rager stated that they had their dispatcher place a call to Davis in order to get Davis to exit his apartment and respond to the parking lot area. Davis never answered that phone.

Sgt Rager stated PO Sides then rang the doorbell for Apt# 538. During this time, Sgt Rager stood in the grass area to the west of PO Sides. Sgt Rager then overheard PO Sides verbally interacting with a male voice via an intercom. PO Sides informed the male that he was from Caledonia Police Department [REDACTED]. The male responded, "I will be out in fifteen (15) minutes or shortly."

Sgt Rager used a photo to show the location at Davis's apartment building entry /exit door where they made their initial doorbell contact with Davis. Sgt Rager affixed his signature, date, and time to this sketch.

[REDACTED] Sgt Rager indicated PO Sides eventually joined him for a short period of time, but then returned to the front of the apartment building. Sgt Rager stated he joined him, but was near the northwest corner of the apartment building in the grass area.

**Wisconsin Division of Criminal Investigation Case Report**  
**Case/Report Number: 20-3776 / 18 - Interview of Caledonia Police Department Police Sergeant**  
**Richard D. Rager**

Sgt Rager noted how PO Friesema was concealed to the rear of a nearby brick garage and other CAPD personnel were staged at approximately ½ block away at the St Mesrob Armenian Apostolic Church parking lot located at 4605 Erie Street, Caledonia, Wisconsin.

Sgt Rager informed SA Jones and SA Hepp how after time had elapsed, PO Sides returned to the front entry /exit door of the apartment building to rang the doorbell for Apt #538, a second time. Sgt Rager stated as PO Sides approached the front doorway of the apartment building, he (Sgt Rager) observed Davis exit from a west side entry / exit door for the apartment building. Sgt Rager stated he was able to positively identify the subject as Davis despite Davis wearing a dark colored hoodie sweatshirt (hood up) and dark colored pants.

Sgt Rager indicated that Davis was walking to the west towards his parked Green Honda CRV. He observed that Davis was going in and out of his front pouch hoodie pocket and Sgt Rager relayed to SA Jones and SA Hepp that he feared that Davis was concealing a firearm within that area of his hoodie. These furtive movements and the way Davis continued to look back in the direction of Sgt Rager, made Sgt Rager even more uncomfortable. He stated he really felt that Davis had a firearm on his person and was obtaining some sort of target acquisition on him. Sgt Rager stated that as he approached Davis, he also informed PO Sides that Davis had exited via the side door. Sgt Rager added that Davis was moving quickly in the direction of his vehicle.

Sgt Rager used an apartment complex sketch to show the locations of Davis's exit from the apartment building, Davis' vehicle location, and location where they made initial doorbell contact with Davis. Sgt Rager affixed his signature, date, and time to this sketch.

Sgt Rager stated as he continued to approach Davis, Davis had arrived in close proximity of his vehicle (Green Honda CRV – Facing northbound). Sgt Rager overheard Davis say, "There is no damages to my vehicle." This was as Davis viewed the passenger's side of the vehicle.

Sgt Rager continued to approach Davis and he (Davis) moved towards the driver's side of his auto. Davis arrived at the driver's side and looked at his vehicle (facing to the east). Davis made a statement regarding there being no damages to his vehicle at all and then turned facing to the west. At this point, Sgt Rager stated he was approximately four (4) feet away from Davis and decided to close in to take Davis into custody.

Sgt Rager informed SA Jones and SA Hepp that he approached Davis and told him he was under arrest. He stated that at the same time, he attempted a blanket escort hold on the left arm of Davis. Sgt Rager stated Davis quickly displayed resistive tension and twist / pulled away from him. Sgt Rager indicated he feared for his safety because he immediately recalled his earlier intuitional feeling that Davis could be armed with a firearm in the pouch pocket of his hoodie.

Sgt Rager then began to push Davis away from him as Davis resisted the blanket escort hold. Sgt Rager stated as he disengaged from Davis, he heard one (1) loud pop that he immediately

recognized as a gunshot. Sgt Rager was within one (1) foot of Davis when the gunshot occurred. Sgt Rager noted how Davis fell to the ground and how he moved quickly to the rear passenger side of the Green Honda CRV for cover. Sgt Rager had his gun drawn and pointed towards Davis who was now on the ground in the parking lot. PO Sides joined Sgt Rager at the rear of the Green Honda CRV.

Again, Sgt Rager stated that Davis was on the ground and was facing away from them. Davis had his hands concealed and Sgt Rager indicated he could not see Davis' hands. Sgt Rager relayed he and PO Sides had their weapons drawn and pointed towards Davis. During this time, Sgt Rager verbalized loud and clearly several commands of, "Caledonia Police Department. Show me your hands." This took place while they were approximately ten (10) feet to the southeast of Davis' body and still located near the rear driver's side for the Green Honda CRV. Sgt Rager stated that Davis made no movements.

PO Sides radioed dispatch and informed them that shots were fired. After approximately twenty (20) seconds had elapsed, PO Sides approached Davis while Sgt Rager also approached and maintained cover. Sgt Rager stated he feared that Davis could turn over at anytime and shoot at him and PO Sides. He noted how uncomfortable he was that he could not see Davis' hands or the firearm.

Sgt Rager stated that PO Sides put his weapon away and approached Davis. Sgt Rager indicated he maintained cover on Davis as PO Sides made his approach. PO Sides then handcuffed Davis and rolled him from his face (front side) onto his backside. Sgt Rager then observed that Davis has sustained a gunshot wound to his head area and there was a dark colored small caliber semi-automatic in the area that Davis had previously concealed with his body.

PO Sides did a medical assessment of Davis. PO Sides also notified dispatcher of the incident via the police radio and stated, "Shots fired. Subject down. Officers okay. Get Emergency Medical Services (EMS) rolling."

Sgt Rager stated that as supervision arrived on the scene, he was instructed to assist in setting up a perimeter. While setting up the perimeter, Sgt Rager indicated he was able to again see that the firearm was a dark colored small caliber semi-automatic (smaller than a cellular phone) and that Davis had blood emanating from his skull area.

Sgt Rager stated other CAPD personnel cleared Davis' residence and EMS personnel arrived at the scene for Davis. He related that after he completed his assistance with roping off the crime scene, he was instructed to meet with a buddy and return to the CAPD office building.

SA Jones and SA Hepp questioned Sgt Rager as to if he sustained any injuries during his encounter with Davis. Sgt Rager stated he was currently okay. He did state that he initially had

ringing in his right ear because of being in close proximity of the gunshot by Davis. He was preliminarily treated by EMS personnel.

SA Jones and SA Hepp ended the interview of CAPD Police Sergeant Richard D. Rager (W/M, 03/11/1979) on Monday, May 18, 2020, at approximately 12:52 pm.

**Case/Report Number: 20-37776/34 Case Summary Report - Re: DAVIS Investigation**

On 05-18-2020 the Caledonia Police Department, hereinafter referred to as CAPD, attempted to serve an ICAC Search Warrant at 4305 Erie St., Apartment # 538, in the City of Caledonia. While attempting to take NATHAN LEE DAVIS, W/M, DOB: [REDACTED] into custody, DAVIS became combative and separated himself from the arresting Law Enforcement Officer and drew a handgun from his own waistband and shot himself in the head.

DAVIS was provided with life saving measures and ultimately conveyed to the Wheaton Franciscan medical Center located at 3801 Spring St. in Racine, WI, where he subsequently died from his self inflicted injuries.

Lt. Laehr of the Caledonia PD (CAPD) requested that DCI conduct the OID investigation.

DCI responded with 1 SAC and 10 Special Agents and conducted officer interviews and uniform/weapon inspections, scene investigation, hospital investigation and family notifications. DCI did not utilize the WSCL or the WSP TRU due to the small size of the scene and limited items of evidence.

Special Agent Ricardo Tijerino was assigned as the lead agent in the investigation.

Interviews of Caledonia PD Officers, police and fire radio and telephone communications, CAPD reports and scene examination revealed the following:

The CAPD attempted to draw DAVIS out of his apartment due to the fact that CAPD had learned that DAVIS owned numerous firearms. CAPD Officers made physical contact with DAVIS near his vehicle: 2003 Honda SUV, Green in color and bearing WI registration plate [REDACTED]

Sgt. Richard Rager of the CAPD informed DAVIS that he was under arrest and at this time DAVIS became combative and as he created distance between himself and Sgt. Rager he withdrew a handgun from his own waist and shot himself in the head.

None of the eight (8) CAPD Officers interviewed stated that they or any other officers fired any weapons at any time during the attempted arrest of DAVIS.

Weapon inspections of CAPD Personnel conducted after the incident showed no evidence of any of the officer's weapons having been recently fired. No Squad video or Body camera Video was available of the incident. Case Agents found no surveillance video from any of the residences in the vicinity of the incident.

Caledonia EMS Fire Department Personnel arrived at the scene at the request of CAPD Officers and attempted life saving measures. Case Agents interviewed the three (3) members of the Caledonia Fire Department that responded to the scene and attempted life saving measures on DAVIS.

**Wisconsin Division of Criminal Investigation Case Report**  
**Case/Report Number: 20-3776/34 Case Summary Report - Re: DAVIS Investigation**

Law Enforcement was unable to locate any citizen witnesses to the incident that led to the death of DAVIS.

Law Enforcement recovered from underneath the body of DAVIS a small handgun described as a Ruger LCP II .380 Automatic, blue and black in color and bearing Serial Number: 380256506. DCI Inventory #20-3776/1.7.

A fired cartridge case was located on the pavement, east of DAVIS' Honda CRV. DCI Inventory #20-3776/1.6.

An autopsy was performed on DAVIS on 05-19-2020 at the Milwaukee County Medical Examiner's Office by Dr. Brian L. Peterson. The final autopsy protocol is included in the case file but the toxicology report was not available at the time this summary was written.

This incident will be reviewed by Racine County District Attorney Patricia Hanson.
